PLAINVILLE
RECEIVED

2017 MAY 24 AM 9:35

TOWN OF PLAINVILLE

THE COMMONWEALTH OF MASSACHUSETTS

ANNUAL TOWN MEETING

MONDAY, JUNE 5, 2017
AT 7:00 P.M.

RECOMMENDATIONS OF THE FINANCE COMMITTEE

MONDAY, JUNE 5, 2017

at seven o'clock in the evening, then and there to act on the following articles, viz:

ARTICLE 1: To choose all other necessary Town Officers not chosen at the Annual Election of April 3, 2017.

ARTICLE 2: To consider and act on the reports of the Selectmen, and other Town Officers. (*Sponsor: Board of Selectmen*)

ARTICLE 3: To see if the Town will vote to have the Surety Bonds of the Treasurer/Collector and Town Clerk placed with a Fidelity or Guarantee Company, or do or act in any, manner relative thereto. (*Sponsor: Board of Selectmen*)

ARTICLE 4: To see if the Town will vote to authorize the Board of Selectmen to accept and enter into a contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvements of Town roads, and to authorize the Town Treasurer/Collector to borrow in anticipation of such funds, or do or act in any matter relative thereto. (*Sponsor: Board of Selectmen*)

THE FINANCE COMMITTEE RECOMMENDS this article.

ARTICLE 5: To see if the Town will vote to appropriate and transfer \$271,375 or any other sum from funds received by the Town of Plainville as so called "Chapter 90" monies for costs associated with road resurfacing, restoration, maintenance, and land or easement purchases or takings, or do or act in any manner relative thereto. (*Sponsor: Board of Selectmen*)

THE FINANCE COMMITTEE RECOMMENDS that the Chapter 90 monies be so appropriated and transferred. These are monies collected by the State primarily through gasoline taxes and earmarked for Plainville road maintenance. Accepting this Article will authorize the acceptance and usage of the funds by the Plainville Department of Public Works for specific purposes with the approval of the Board of Selectmen and Massachusetts Highway Department.

ARTICLE 6: To see if the Town will vote to raise and appropriate, transfer from available funds or borrow, \$34,540,000 or any other sum, for the construction of Town Hall and Public Safety buildings in the Town of Plainville, such funds to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. *(Sponsor: Board of Selectmen)*

THE FINANCE COMMITTEE RECOMMENDS approval of this article to allow the construction of much needed Town Hall and Public Safety buildings. The current buildings are not ADA compliant, do not have sufficient capacity to conduct town business and have significant issues with the building systems. Correcting any one of these issues in the existing buildings would require significant capital outlay and still likely would not solve the underlying problems long term. Significant escalation costs will result for any delay in this project.

The Finance Committee was further swayed with the fact that Plainville is able to pay for the project solely from Gaming Revenue Stabilization Funds if we so desire. Plainville is likely the only town in the Commonwealth that can essentially pay for a project of this size without an override or debt exclusion.

ARTICLE 7: To see if the Town will vote to raise and appropriate, transfer from available funds or borrow, \$1,450,000 or any other sum, for the demolition and abatement of the former Wood School located at 200 South Street in the Town of Plainville, such funds to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. *(Sponsor: Board of Selectmen)*

The demolition and abatement costs are included in the Article 6 project outlay therefore this article will not be moved if Article 6 is accepted. If the town chooses to reject Article 6 then the removal of the Old Wood School, as it is commonly referred to, would allow for the removal of the structure. This will allow the Town to consider its future options for this property with a clean slate.

The Finance Committee recommends this article only if Article 6 is not voted in the affirmative which is highly recommended by the Finance Committee.

ARTICLE 8: To see if the Town will vote to accept Massachusetts General Law Chapter 40, Section 13(e) which states: Any school district which accepts this section, by a majority vote of the school committee and a majority vote of the legislative body or, in the case of a regional school district by a majority vote of the legislative bodies in a majority of the member communities of the district, may establish and appropriate or transfer money to a reserve fund to be utilized in the upcoming fiscal years, to pay, without further appropriation, for unanticipated or unbudgeted costs of special education, out-of-district tuition or transportation. The balance in such reserve fund shall not exceed 2 per cent of the annual net school spending of the school district.

Funds shall only be distributed from the reserve funds after a majority vote of the school committee and a majority vote of the board of selectman or city council, or, in the case of a regional school district by a majority vote of the board of selectmen or city council in a majority of the member communities of the district.

The district treasurer may invest the monies in the manner authorized in section 54 of chapter 44 and any interest earned thereon shall be credited to and become part of the fund.

And to transfer from the FY17 School Operating Budget \$10,000 into the Special Education Reserve Fund, or do or act in any manner relative thereto.

(Sponsor: Plainville School Committee)

THE FINANCE COMMITTEE RECOMMENDS the Town accept this article. This Massachusetts General Law enables the local schools to maintain a reserve fund to be used for unanticipated or unbudgeted events. Without a reserve fund with sufficient balance it is conceivable that a Special Town Meeting would be required to appropriate funds for a required event. The town retains control of the reserve fund expenditures through the votes of the elected Board of Selectmen and the elected School Committee.

ARTICLE 9: To see if the Town will vote to establish revolving accounts pursuant to Section 53E1/2, of Chapter 44 of Massachusetts General Law. Funds credited to said revolving accounts shall be only those identified below under “*Source of Funds*”, expended for purposes only as authorized under Section 53E1/2, of Chapter 44 of Massachusetts General Law and as identified below under “*Use of Funds*”, and shall be expended under the direction of those so indicated. Until later changed through the action of a subsequent Town Meeting, the annual amount expended from each revolving account shall not exceed the amount indicated below under “*Annual Expenditure*”.

<i>Source of Funds</i>	<i>Use of Funds</i>	<i>Expended Under Direction of:</i>	<i>Annual Expenditure</i>
1. Dog Licenses & Fines	Costs associated with the enforcement of the Animal Control By-Law	Board of Selectmen	\$20,000
2. Senior Center Rental Fees	Costs associated with the use of the Senior Center by those other than the Council on Aging	Council on Aging	\$10,000
3. Assessor’s Map & Record Copying Fees	Costs associated with the copying and provision of Assessor’s maps and records.	Board of Assessors	\$ 5,000
4. Fire Alarm Fees	Costs associated with the provision of Fire Alarm services	Fire Chief	\$55,000
5. Police Report Copying & Printing Fees	Costs associated with the copying and provision of Police Reports	Police Chief	\$10,000
6. Firearm Licenses	Costs associated with the provision and Production of firearms licenses	Police Chief	\$10,000

9. Library Fines	Costs associated with the Public Library	Board of Library Trustees	\$8,000
10. Passport Fees	Costs associated with the provision of Passport Services	Board of Library Trustees	\$6,000
11. Council on Aging Advertising	Costs associated with the printing of the Council on Aging Newsletter	Council on Aging	\$10,000

Or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Board of Selectmen*)

THE FINANCE COMMITTEE RECOMMENDS this Article as printed.

The funds diverted to revolving accounts allow the Departments to use these funds for the above stated purposes. This is a way for the Departments to match use of funds with a specific revenue source in increasingly difficult financial times.

One new revolving fund was established for the library related to passport fees. The library provides a service to the public and collects a fee. This new fund will allow for those fees to pay for the costs associated with those services.

ARTICLE 10: To see if the Town will vote to raise and appropriate, or transfer from available funds, \$195,000 or any other sum to meet the Town's obligations for Medicare Taxes, said funds to be expended under the direction of the Treasurer/Collector, or do or act in any manner relative thereto. (*Sponsor: Treasurer/Collector*)

THE FINANCE COMMITTEE RECOMMENDS that the funds be so appropriated.

ARTICLE 11: To see if the Town will vote to approve the following amendments to the Personnel Bylaws within the Code of the Town of Plainville:

Or, to see if the Town will vote to do or act in any manner relative thereto. (Sponsor: Board of Selectmen)

THE FINANCE COMMITTEE RECOMMENDS the amendments to the Personnel Bylaw as printed. Generally, the listed ranges were increased by 3% over last year. The Finance Committee has used as a guideline 3% as a maximum compensation increase. Given that most employees are covered under a collective bargaining agreement, the practical effectiveness of that guideline is generally limited to those employees whose positions are covered under this Article and Article 13 that follows.

THE FINANCE COMMITTEE RECOMMENDS the budget as detailed above.

Plainville continues to face financial challenges in its operating budget. The pressures of the regional school district budget have imposed significant pressure on the town and local school's budgets causing a significant concern. There are several factors driving the regional school budget increases above those of other budgets. Contributing factors include, but are not limited to, insufficient state funding, large human capital cost increases, technology, utilities and costs of special education.

Plainville continues our recovery from the concessions made during the recent recession. Our public safety staffing is finally at a reasonably comfortable level, the town's infrastructure and labor to maintain it is rebounding. The community is participating at significantly increased rates in the programs offered by the Parks and Recreation department, the Library and the Council on Aging. It is imperative that we maintain the level of services as Plainville continues to grow and thrive and that is the balance the Finance Committee endeavored to maintain for all areas, local and regional schools included.

The budget as presented reflects several large concessions made to accommodate the 10.74% increase in the regional school budget (3.0% operating budget increase for KP). Plainville will use all of our Free Cash, fund OPEB at a very low level, and reduce a dozen other budgets in order to present a balanced budget. After collaborating with all departments and the Board of Selectmen, the Finance Committee recommends this set of compromises in order to best provide for all areas of the town with the least impact to any one department, including the local and regional schools.

ARTICLE 14: To see if the Town will vote to transfer from the Gaming Stabilization Fund \$99,600 for Debt Service and Principal for previously approved capital projects, such funds to be expended under the direction of the Treasurer/Collector, or do or act in any manner relative thereto. *(Sponsor: Treasurer/Collector)*

THE FINANCE COMMITTEE RECOMMENDS this Article. The Gaming Revenue Stabilization Fund was established to fund capital expenses such as this.

ARTICLE 15: To see if the Town will vote in accordance with the provisions of Chapter 44, Section 53F½ of the Massachusetts General Laws to appropriate \$494,623 or any other sums for the purpose of operating a household waste collection, recycling, and disposal program; \$417,804 of such appropriation to be funded from Fiscal Year 2018 Trash Enterprise Revenue, \$69,728 to be funded from Trash Enterprise Retained Earnings, and \$7,091 to be raised as part of general revenue to cover the costs of refuse collection for school and municipal buildings, such sums to be expended as follows by and under the direction of the Board of Health:

Salaries.....	\$ 48,709
Expenses.....	\$445,914

Or, to see if the Town will vote to do or act in any manner relative thereto. *(Sponsor: Board of Health)*

THE FINANCE COMMITTEE RECOMMENDS this Article.

THE FINANCE COMMITTEE RECOMMENDS this Article.

This is a housekeeping type of article to comply with the new state law. We have a revolving fund now. This article converts the revolving fund to an enterprise fund and will have no impact on the operating or capital budgets.

NOTE: The remaining articles below do not have a direct financial impact on the town budgets and therefore the Finance Committee does not analyze nor deliberate on these issues to provide recommendations.

It has been our pleasure to serve the Town to once again provide thoughtful analysis and comments on the above articles. –The Finance Committee

ARTICLE 52: To see if the Town will vote to amend the Code of the Town of Plainville by adding a new **§500-38. Temporary Moratorium on Recreational Marijuana Establishments**, as follows:

A. Purpose.

On November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, processing, distribution, possession and use of marijuana for recreational purposes (new G.L. c. 94G, Regulation of the Use and Distribution of Marijuana Not medically Prescribed). The law, which allows certain personal use and possession of marijuana, took effect on December 15, 2016 and (as amended on December 30, 2016; Chapter 351 of the Acts of 2016) requires a Cannabis Control Commission to issue regulations regarding the licensing of commercial activities by March 15, 2018 and to begin accepting Applications for licenses on April 1, 2018. Currently under the Zoning Bylaw, a non-medical Marijuana Establishment (hereinafter, a “Recreational Marijuana Establishment), as defined in G.L. c. 94G, §1, is not specifically addressed in the Zoning Bylaw. Regulations to be promulgated by the Cannabis Control Commission may provide guidance on certain aspects of the local regulations of Recreational Marijuana Establishments. The regulation of recreational marijuana raises novel legal, planning and public safety issues, and the Town needs time to address such issues, as well as to address the potential impact of the State regulations on local zoning and to undertake a planning process to consider Amending the Zoning Bylaw regarding regulation of Recreational Marijuana Establishments. The Town intends to adopt a temporary moratorium on the use of land and structures in the Town for Recreational Marijuana Establishments so as to allow sufficient time to address the effects of such structures and uses in the Town and to enact bylaws in a consistent manner.

B. Definition.

“Recreational Marijuana Establishment” shall mean a “marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer or any other type of licensed marijuana related business.”

C. Temporary Moratorium.

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures for a Recreational Marijuana Establishment and other uses related to recreational marijuana. The moratorium shall be in effect through June 30, 2018 or until such time as the Town adopts Zoning Bylaw amendments that regulate Recreational Marijuana Establishments, whichever occurs earlier. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of recreational marijuana in the Town, and to consider the Cannabis Control Commission regulations regarding Recreational Marijuana Establishments, and shall consider adopting new Zoning Bylaws in response to these new issues.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (Sponsor: Planning Board)

ARTICLE 53: To see if the Town will vote to amend the Code of the Town of Plainville §500-26.1. **Solar photovoltaic facilities**, as follows:

Amend §500-26.1(E)(4) by adding the following words in **bold**:

(4) SPF site plan review. SPFs with 250 kW or larger of rated nameplate capacity whether permitted as-of-right in the **IA – Special Industrial District and IB – Limited Industrial District**, or by special permit issued by the Planning Board in the RA and RB — Single-Family Residential Districts shall be subject to site plan review in accordance with §500-39, Site plan review, of this Zoning Bylaw.

And,

Amend §500-26.1(E)(10) **Safety and environmental standards** by adding the following in **bold** to section (b), and by adding new sections (c) and (d):

- (b) Land clearing, soil erosion, and habitat impacts. Clearing of natural vegetation shall be limited to what is necessary for the construction, operation and maintenance of the large-scale ground-mounted SPF or otherwise prescribed by applicable laws, regulations, and bylaws. **Grading that substantially disturbs the existing soil profile and structure is prohibited. Sites shall be selected where construction may be accomplished without such earth work.**
- (c) Mitigation of Forest Habitat. In the zones where a special permit is required, if forestland is proposed to be converted to a Ground Mounted Solar Photovoltaic Facility the plans shall designate thereon an area of forested land on the same lot of a size equal to three times (3X) the total area disturbed by the solar installation that shall remain undisturbed. The protected land shall be land not subject to development limitations due to wetlands, MGL Ch. 184, §31-33 restrictions, or other constraints that would render construction of solar panels on the protected land unfeasible. Such designated land shall remain in substantially its natural condition without alteration, including unauthorized (by SPGA) forestry/tree cutting, until such time as the installation is decommissioned. The special permit may be conditioned to effectuate and make enforceable this requirement.
- (d) Mitigation for Disruption of Trail Networks. If existing trail networks or woods roads are disrupted by the location of the Ground Mounted Solar Photovoltaic Facility the plans shall show alternative trail alignments to be constructed by the applicant. The special permit may be conditioned to effectuate and make enforceable this requirement, although no rights of public access may be established hereunder.

And,

Amend the Plainville General Code §500 Attachment 2 “Town of Plainville Use Regulation Schedule (§500-19 of the Zoning Bylaw)” by adding a section under “Industrial Uses” as follows:

	RA	RB	RC	RD	CA	CB	CC	CD	IA	IB	IC	TCD	TCD
Ground Mounted Solar Photovoltaic Facility	A	A	O	O	O	O	O	O	P	P	O	O	O

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto.
