Meeting Minutes from April 24, 2025

Members Present: Maggie Clarke
Michael Gousie
Stanley Widak

Members Absent: Carol Mallory

Also Present: Daniel Campbell

The meeting came to order at 6:00pm.

Since the Redevelopment Authority (PRA) hadn't met in several years, former member Dan Campbell gave an overview of the role of the Authority in general. He explained that the focus is on "blighted" properties and noted that the PRA had been looking at the area of Man Mar Drive. Mr. Campbell explained that blighted is a state definition and, once the PRA determines an area to be blighted, the next step is to look at what can be done about it. He noted that the PRA can independently act for grants.

There was discussion regarding the one seat of the five on the PRA that is appointed by the State and which is currently unfilled.

The group discussed the next steps and decided to schedule another meeting for May 22 at 7pm. At that time, they will review areas in Town for potential designation as blighted.

The meeting adjourned at 7:02pm.
