ANNUAL REPORT

OF THE

TOWN ACCOUNTANT

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30, 2014

Fiscal Year July 1, 2013 to June 30, 2014

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I hereby submit the Annual Report of the Town Accountant for the fiscal year July 1, 2013 to June 30, 2014.

The Town Accountant position is described in Massachusetts General Laws (MGL) Chapter 41. Federal laws, Massachusetts laws, and Plainville by-laws further define the rules and regulations that guide the Town Accountant in carrying out the responsibilities of this position.

All invoices and payrolls presented during the fiscal year by the various departments were examined for accuracy and legal compliance prior to submission to the Board of Selectmen for approval and the Treasurer for disbursement of funds.

The Treasurer's cash was examined and found to be in order. Notices of the condition of appropriations and accounts were furnished, written and verbal to the various departments and boards during the fiscal year.

A combined Balance Sheet was submitted to the Department of Revenue's Division of Local Services/Bureau of Accounts for review. In accordance with Chapter 59, Section 23 of the Massachusetts General Laws, "Free Cash" as of July 1, 2014 was certified at \$1,569,843; and the Solid Waste Enterprise Fund Retained Earnings as of July 1, 2014 was certified at \$205,090

The accounting records of the Town are maintained under the Uniform Municipal Accounting System as promulgated by the Director of Accounts. An audit of FY2014 activity is currently being concluded by the CPA firm, R.E. Brown & Company. Copies of audited financial statements are available for perusal and reference in my office and the Town Clerk's office.

The statements that follow will describe the town's financial activity in summary form. Please contact the Accounting office at the Town Hall if you are interested in additional information.

I would like to express my thanks to all Town officials and personnel as well as the residents for the cooperation they have extended to the accounting department. In addition, I wish to acknowledge the efforts of my assistant, Ann Marie Eisele, who continues to perform her duties at the highest of standards on behalf of the citizens of Plainville

Respectfully submitted,

Jean M. Sarno
Town Accountant

**TOWN OF PLAINVILLE
SPECIAL TOWN ELECTION
SEPTEMBER 10, 2013**

Norfolk County

To either of the Constables of the Town of Plainville

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Plainville who are qualified to vote in Elections to vote at:

PRECINCT ONE PRECINCT TWO AND PRECINCT THREE
AT
BEATRICE WOOD ELEMENTARY SCHOOL
72 MESSENGER STREET
PLAINVILLE, NORFOLK COUNTY, MASSACHUSETTS

on **TUESDAY, THE TENTH DAY OF SEPTEMBER, 2013** FROM 7:00 A.M. to 8:00 P.M. to
vote on the following **Question:**

Shall the Town of Plainville permit the operation of a gaming establishment licensed by the Massachusetts Gaming Commission to be located at Plainridge Racecourse, 301 Washington Street, Plainville? _____ Yes _____ No

A "YES" vote would allow the owner of Plainridge Racecourse to apply to the Massachusetts Gaming Commission for a license to operate a gaming facility in accordance with a Host Community Agreement executed between the Town and the Racecourse's owner. The primary terms of the Agreement are set forth below.

A "NO" vote would prohibit the operation of such a gaming facility and prevent the applicant from submitting a final application to the Massachusetts Gaming Commission.

Summary of Key-Points Within the Plainridge Host Community Agreement

Financial

- Plainridge to pay for all consulting and legal costs incurred by the Town as part of the licensing process subject to budgetary review
- Plainridge to pay \$1,500,000 in real and personal property taxes upon full commencement of gaming. The tax payment will increase 2 ½% per year, and increase further upon the construction of any additional space beyond 170,000 square feet.
- Plainridge to pay the Town \$100,000 annually as a Community Impact Fee. The Community Impact Fee will be increased proportionally if slot machine count is ever permitted to exceed 1,250.
- Plainridge to pay the following Host Community Payments:
 - \$2,700,000 annually for the first five (5) years of full operation which will be increased proportionally if slot machine count is permitted to exceed 1,250 during this period.
 - 1.5% of Gross Gaming Revenue during years six through ten (6-10) which is estimated to equate to approximately \$2,300,000 annually
 - 2.0% of Gross Gaming Revenue starting in year eleven (11) and thereafter which is estimated to equate to approximately \$3,300,000 annually
- Plainridge will continue to pay Live Racing and Simulcasting Payments directly to Plainville in the event the State of Massachusetts discontinues to assess the current 0.35% tax.
- Plainridge agrees to the validity and payment of all building permit fees which are estimated to be \$816,000.

Employment

- 300 estimated construction related positions
- 400 estimated full-time positions once full operations commence
- Employment preference to be given to qualified Plainville residents
- Plainridge to schedule a dedicated hiring event for Plainville residents

Transportation

- Traffic improvements to be consistent with requirements of the Planning Board's Special Permit

Responsible Gaming

- Plainridge will implement a Responsible Gaming Plan which will incorporate:
 - Education of employees and patrons on odds of games and responsible gaming decisions
 - Promotion of responsible gaming in daily operations
 - Support of public awareness of responsible gaming

Miscellaneous

- Agreement allows for "Initial Limited Operations" if allowed by the Massachusetts Gaming Commission. All transportation improvements and requirements of the Planning Board's Special Permit would have to be met first.
- "Initial Limited Operations" defined as anything less than 800 slot machines.
- If the "Initial Limited Operations" option is exercised, the Town will be paid 1.5% of Gross Gaming Revenue during that period.
- During the "Initial Limited Operations" period, property and personal property tax would be \$500,000

ARTICLE 33: To see if the Town will vote to amend the Code of the Town of Plainville by adding under Chapter 398-17 **Temporary Repairs on Private Ways** (subsection 398-17 Violations and Penalties to become 398-18), the following:

A. Purpose and Authority

For the purpose of enabling safe and convenient passage for public safety vehicles and the public over private ways open to and serving the general public, the Selectmen may designate for temporary repairs in a particular year certain private roads that are open to the public, and town meeting may appropriate funds for said purpose, subject to the conditions set forth herein. No temporary repair may be made to any private way unless the Selectmen have previously determined that such repair is required by public necessity and an appropriation therefor is available.

B. Regulations

The Selectmen may adopt regulations for the general administration of this bylaw and proscribing deadlines and procedures for submission of petitions, and may determine therein or by vote from time to time which, if any, private ways open to the public may receive temporary repair, and the extent and types of repairs that may be made, subject to the availability of an appropriation.

C. Limits of repairs

Temporary repairs are limited to those as are determined by the Selectmen to be required as a public necessity, which may include repair of drainage facilities.

D. Road Conditions and Standards

At a minimum, each private road shall meet the following requirements:

- a. need not have been opened to and used by the public for any term of years prior to repair, but shall be open to the public following repair;
- b. a travelled and improved width of at least 12 feet wide and clear of overhanging branches or other obstructions for at least such width, to a height of at least 12 feet;
- c. a visible street sign at each terminus and significant intersections;
- d. serving as access to 9 or more residences and/or businesses.

E. Petition requirements

- a. No petition of property owners abutting the road is required;
- b. No cash deposit is required from any abutter.

F. Betterments

The Selectmen may assess betterments, according to the circumstances of each private way, including but not limited to consideration of the extent of the use of the road by the general public, but shall not be obliged to assess betterments.

G. Liability

The town shall not be liable for any damage to persons or property caused by such repairs, nor for a claim of public road status on account of such repairs.

And further, that non-substantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville, or, to see if the Town will vote to do or act in any manner relative thereto. *(Sponsor: Board of Selectmen)*

ARTICLE 34: To see if the Town will vote to raise and appropriate, or transfer from available funds, \$25,000 or any other sum for the purpose of making temporary repairs to Branch Avenue such road being a private way open to and serving the general public, or do or act in any manner relative thereto. *(Sponsor: Board of Selectmen)*

ARTICLE 35: To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow a certain sum for the purpose of making roofing repairs to the Town Hall, the Humphrey House, the Highway Garage, the Highway Salt Shed, the Senior Center, and the Plainville Library, as well as to perform necessary repairs to interior finishes which may have been damaged or impacted by roof leaks, such funds to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. *(Sponsor: Board of Selectmen)*

ARTICLE 36: To see if the Town will vote to authorize the Board of Selectmen to petition the Massachusetts General Court for special legislation, as set forth below, creating a Gaming Revenue Stabilization Fund, into which shall be deposited certain Host Community Payments received from the Plainridge gaming facility; provided, however, that the General Court may make clerical or editorial changes of form only to the Bill, unless the Board of Selectmen approve amendments to the Bill before enactment by the General Court, and provided further that the Board of Selectmen is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition;

AN ACT ESTABLISHING A GAMING REVENUE STABILIZATION FUND IN THE TOWN OF PLAINVILLE

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

SECTION 1. Notwithstanding the provisions of section 53 of chapter 44 or section 5B of chapter 40 of the general laws or of any general or special law to the contrary, there shall be established in the town of Plainville a Gaming Revenue Stabilization Fund to which shall be credited without further appropriation all Host Community Payments received by said town, pursuant to section 2.4 of the July 8, 2013 Host Community Agreement with Ourway Realty, LLC. (as subsequently assigned by Ourway Realty, LLC to Springfield Gaming and Redevelopment, LLC, with the consent of the town), as such agreement may be amended from time to time, as well as any monies appropriated or transferred to said fund by a 2/3 vote at an annual or special town meeting. Any interest accrued shall be credited to and become part of the fund.

SECTION 2. The Gaming Revenue Stabilization Fund established under section 1 of this act may be appropriated by a 2/3 vote at an annual or special town meeting only for capital projects, except as provided under section 3 of this act. The term "capital project" shall mean the acquisition of interests in land, acquisition of tangible assets or the undertaking of capital projects, which assets or projects shall have a useful life of 5 years or more and a cost of \$50,000 or more and which are not properly categorized as annual operating expenses and shall include the payment of debt service on capital projects, whether such projects were approved prior to or after the effective date of this act. Capital projects shall also include major departmental capital equipment, even if acquired on an annual basis, meeting the useful life and cost requirements of this section.

SECTION 3. Upon recommendation of both the Board of Selectmen and of the Finance Committee, monies in the fund, up to 2.5% of the amount raised by taxation by the town in the most recent fiscal year for which a tax rate has been certified under section 23 of chapter 59 of the General Laws, may be appropriated for non-capital purposes by a 4/5 vote at an annual town meeting or a 9/10 vote at a special town meeting.

SECTION 4. This act shall take effect upon passage.

Or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Board of Selectmen*)

ARTICLE 37: To see if the Town will vote to accept Chapter 31, Section 58A of the General Laws of Massachusetts which reads as follows:

Notwithstanding the provisions of any general or special law to the contrary, in any city, town or district that accepts this section, no person shall be eligible to have his name certified for original appointment to the position of firefighter or police officer if such person has reached his thirty-second birthday on the date of the entrance examination. Any veteran shall be allowed to exceed the maximum age provision of this section by the number of years served on active military duty, but in no case shall said candidate for appointment be credited more than four years of active military duty.

Or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Board of Selectmen*)

ARTICLE 38: To see if the Town will vote to raise and appropriate, borrow, or transfer from available funds, \$25,000 or any other sum, for the purchase of a Sander Body for the use of the Highway Department, such funds to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto. (*Sponsor: Highway Superintendent*)

ARTICLE 39: To see if the Town will vote to raise and appropriate, borrow, or transfer from available funds, \$45,000 or any other sum, for the purchase of a Pickup Truck and Plow for the use of the Highway Department, such funds to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto. (*Sponsor: Highway Superintendent*)

ARTICLE 40: To see if the Town will vote to raise and appropriate, borrow, or transfer from available funds, \$25,000 or any other sum, for the purchase of a Truck Lift System for the use of the Highway Department, such funds to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto. (*Sponsor: Highway Superintendent*)

ARTICLE 41: To see if the Town will vote to transfer \$200,000 or any other sum from Water Surplus to fund the cleaning and relining of the 6" water main lying within the easement from Taunton Street to Birchwood Drive, such funds to be expended under the direction of the Board of Water-Sewer Commissioners, or do or act in any manner relative thereto. (*Sponsor: Board of Water-Sewer Commissioners*)

ARTICLE 42: To see if the Town will vote to transfer \$230,000 or any other sum from Water Surplus to fund the installation of a new 8" water main and renew the water services to be attached thereto on Broad Street from South Street to Pleasant Street, such funds to be expended under the direction of the Board of Water-Sewer Commissioners, or do or act in any manner relative thereto. (*Sponsor: Board of Water-Sewer Commissioners*)

ARTICLE 43: To see if the Town will vote to transfer \$230,000 or any other sum from Water Surplus to fund the installation of a new 8" water main and renew the water services to be attached thereto on Cottage Street from South Street to Pleasant Street, such funds to be expended under the direction of the Board of Water-Sewer Commissioners, or do or act in any manner relative thereto. (*Sponsor: Board of Water-Sewer Commissioners*)

ARTICLE 44: To see if the Town will vote to raise and appropriate, or transfer from available funds, \$20,000 or any other sum for the survey of the Downtown Business District and Old Wood School, or any combination thereof, for use in grant applications, such funds to be expended under the direction of the Redevelopment Authority, or do or act in any manner relative thereto. (*Sponsor: Redevelopment Authority*)

ARTICLE 45: To see if the Town will vote to accept as a Public Way within the Town of Plainville, the following street to be known as Edgewood Drive and to authorize the Board of Selectmen to acquire the necessary fee ownership or easement for public way purposes in a certain parcel of land situated off the northerly side of Warren Street in the Town of Plainville, in the County of Norfolk, Commonwealth of Massachusetts, bounded and described as follows:

ARTICLE 52: To see if the Town will vote to amend the Town of Plainville Zoning Bylaw by adding the following section to **§500-16. Lot requirements:**

§500-16 (A) (2) Lot area. A principal building shall not be constructed on any residential lot unless at least 80% of the minimum lot area required in the Town of Plainville Zoning Bylaw §500-17 is “upland area”. For purpose of this section only, “upland area” shall include all land not regulated as wetlands under MGL Chapter 131 Section 40 (Wetlands Protection Act), with the exception that bordering land subject to flooding and riverfront areas may be counted as “upland area”. Lots created prior to the date of adoption of this section are exempt from this requirement.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 53: To see if the Town will vote to amend the Code of the Town of Plainville by deleting **§472-6: Building restriction** in its entirety.

Existing Bylaw: (to be deleted)

§472-6: Building restriction.

A primary use building shall not be constructed on any residential lot, as defined in the Town of Plainville Zoning Bylaw §500-17, which contains, exclusive of a permanent body of water, 20% or more swamp and wetland, specifically referred to as Soil Association 2 and 3 on the Soil Association Map, dated February 1979 and on file with the Planning Board and Town Clerk.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 54: To see if the Town will vote to amend the Plainville Zoning Bylaw §500 Attachment 2 “Town of Plainville Use Regulation Schedule (§500-19 of the Zoning Bylaw)”, by inserting a new category of use after the category of “Parking-Public” in “Commercial Uses” to read as follows:

and to amend the Plainville Zoning Bylaw §500 Attachment 1 “Town of Plainville Intensity of Use Schedule (§500-17 of the Zoning Bylaw)”, by inserting a new note “k” in the column “IA” to read as follows: “See §500-44. Registered Medical Marijuana Dispensary.”

and to add a new section to the Plainville Zoning Bylaw - **§500-44- REGISTERED MEDICAL MARIJUANA DISPENSARY** to read as follows:

1. Purpose: To provide for the placement of a Registered Medical Marijuana Dispensary (RMD), in accordance with the Humanitarian Medical Use of Marijuana Act, G.L. c.94C, App. §1-1, et seq., in a location suitable for lawful medical marijuana facilities and to minimize adverse impacts of RMDs on adjacent properties, residential neighborhoods, historic districts, schools, playgrounds and other locations where minors congregate by regulating the siting, design, placement, security, and removal of RMDs.

2. Definitions: Where not expressly defined in the Plainville Zoning Bylaws, terms used in this Article shall be interpreted as defined in the Humanitarian Medical Use of Marijuana Act, G.L. c.94C, App. §1-1, et seq. and the Department of Public Health Regulations promulgated thereunder, 105 CMR 725.001, et seq., and otherwise by their plain language.
 - a. Registered Marijuana Dispensary: also known as a Medical Marijuana Treatment Center, means a not-for-profit entity registered under 105 CMR 725.100, that acquires, cultivates, possesses, processes (including development of related products such as edible marijuana-infused products (“MIPs”), tinctures, aerosols, oils, or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to registered qualifying patients or their personal caregivers. Unless otherwise specified, RMD refers to the site(s) of dispensing, cultivation, and preparation of marijuana.
3. Location
 - a. RMDs may be permitted in the IA - Special Industrial District pursuant to a Special Permit from the Plainville Planning Board.
 - b. RMDs may not be located within 700 feet of the following:
 - (1) School, including a public or private elementary, vocational, or secondary school or a public or private college, junior college, or university;
 - (2) Child Care Facility;
 - (3) Library;
 - (4) Playground;
 - (5) Public Park;
 - (6) Youth center;
 - (7) Public swimming pool;
 - (8) Video arcade facility; or
 - (9) Similar facility in which minors commonly congregate.
 - c. The distance under this section is measured in a straight line from the nearest point of the property line of the protected uses identified in Section 3.b. to the nearest point of the property line of the proposed RMD.
 - d. The distance requirement may be reduced by twenty-five percent or less, but only if:
 - (1) The applicant demonstrates that the RMD would otherwise be effectively prohibited within the municipality;
 - (2) The applicant demonstrates that the RMD will employ adequate security measures to prevent diversion of medical marijuana to minors who are not qualifying patients pursuant to 105 CMR 725.004.
4. Procedure: The Planning Board shall be the Special Permit Granting Authority (SPGA) for a RMD special permit.
 - a. Application: An applicant for a RMD shall be required submit the materials required under §500-39 Site Plan Review of the Plainville Zoning Bylaws, even if the thresholds outlined in §500-39(B) are not exceeded. In addition to the materials required under §500-20 and §500-39, the applicant shall provide the following information:
 - (1) A copy of its registration as an RMD from the Massachusetts Department of Public Health (“DPH”);

- (2) a detailed floor plan of the premises of the proposed RMD that identifies the square footage available and describes the functional areas of the RMD, including areas for any preparation of MIPs;
 - (3) detailed site plans that include the following information:
 - (a) Compliance with the requirements for parking and loading spaces, for lot size, frontage, yards and heights and coverage of buildings, and all other provisions of this Bylaw;
 - (b) Convenience and safety of vehicular and pedestrian movement on the site and for the location of driveway openings in relation to street traffic;
 - (c) Convenience and safety of vehicular and pedestrian movement off the site, if vehicular and pedestrian traffic off-site can reasonably be expected be substantially affected by on-site changes;
 - (d) Adequacy as to the arrangement and the number of parking and loading spaces in relation to the proposed use of the premises, including designated parking for home delivery vehicle(s), as applicable;
 - (e) Design and appearance of proposed buildings, structures, freestanding signs, screening and landscaping; and
 - (f) Adequacy of water supply, surface and subsurface drainage, sewage disposal, trash disposal, MIP disposal and lighting;
 - (4) a description of the security measures, including employee security policies, approved by DPH for the RMD;
 - (5) a copy of the emergency procedures approved by DPH for the RMD;
 - (6) a copy of the policies and procedures for patient or personal caregiver home-delivery approved by DPH for the RMD;
 - (7) a copy of the policies and procedures for the transfer, acquisition, or sale of marijuana between RMDs approved by DPH;
 - (8) a copy of proposed waste disposal procedures; and
 - (9) a description of any waivers from DPH regulations issued for the RMD.
 - (10) if the RMD is determined to not be required to pay personal and/or real estate taxes, as may be applicable, provide proof of an agreement with the Town of Plainville on a payment in lieu of taxes.
- b. The Planning Board shall provide copies of the application to the Board of Selectmen, the Building Department, Fire Department, Police Department, Board of Health, the Conservation Commission, the Highway Department, and Board of Water Commissioners. These boards/departments shall review the application and shall submit their written recommendations. Failure to make recommendations within 35 days of referral of the application shall be deemed lack of opposition.
 - c. After notice and public hearing and consideration of application materials, consultant reviews, public comments, and the recommendations of other town boards and departments, the Planning Board may act upon such a permit.
5. Special Permit Conditions on RMDs: In addition to reviewing the application for compliance under the requirements of §500-20, the Planning Board shall also impose conditions reasonably appropriate

to improve site design, traffic flow, public safety, protect water quality, air quality, and significant environmental resources, preserve the character of the surrounding area and otherwise serve the purpose of this section. In addition to any specific conditions applicable to the applicant's RMD, the Planning Board shall include the following conditions in any special permit granted under this Bylaw:

- a. Hours of Operation, including dispatch of home deliveries.
 - b. The permit holder shall file a copy of any Incident Report required under 105 CMR 725.110(F) with the Zoning Enforcement Officer and the SPGA within 24 hours of creation by the RMD. Such reports may be redacted as necessary to comply with any applicable state or federal laws and regulations.
 - c. The permit holder shall file a copy of any summary cease and desist order, cease and desist order, quarantine order, summary suspension order, order limiting sales, notice of a hearing, or final action issued by DPH or the Division of Administrative Law Appeals, as applicable, regarding the RMD with the Zoning Enforcement Officer and SPGA within 48 hours of receipt by the RMD.
 - d. The permit holder shall provide to the Zoning Enforcement Officer and Chief of the Police Department, the name, telephone number and electronic mail address of a contact person in the event that such person needs to be contacted after regular business hours to address an urgent issue. Such contact information shall be kept updated by the permit holder.
 - e. The special permit shall lapse within five years of its issuance. If the permit holder wishes to renew the special permit, an application to renew the special permit must be submitted at least 120 days prior to the expiration of the special permit.
 - f. The special permit shall be limited to the current applicant and shall lapse if the permit holder ceases operating the RMD.
 - g. The special permit shall lapse upon the expiration or termination of the applicant's registration by DPH.
 - h. The permit holder shall notify the Zoning Enforcement Officer and SPGA in writing within 48 hours of the cessation of operation of the RMD or the expiration or termination of the permit holder's registration with DPH.
6. Exemption from RMD Special Permit Requirement: RMDs that demonstrate that they are protected pursuant to the agricultural exemption under G.L. c.40A §3 are not required to obtain a special permit, but shall apply for a Development Permit pursuant to §500-5 and Site Plan Review pursuant to §500-39 of the Plainville Zoning Bylaw.
 7. Prohibition Against Nuisances: No RMD shall be allowed which creates a nuisance to abutters or to the surrounding area, or which creates any hazard, including, but not limited to, fire, explosion, fumes, gas, smoke, odors, obnoxious dust, vapors, offensive noise or vibration, flashes, glare, objectionable effluent or electrical interference, which may impair the normal use and peaceful enjoyment of any property, structure or dwelling in the area.
 8. Severability: The provisions of this Bylaw are severable. If any provision, paragraph, sentence, or clause of this Bylaw or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this Bylaw.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 55: To see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-Attachment 6 Zoning Map** in its entirety and replacing it with a new map entitled “Town of Plainville Zoning Map” dated March 20, 2014, and further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. *A reduced copy of the proposed Zoning Map is attached to the Annual Town Meeting Warrant (Sponsor: Planning Board)*

ARTICLE 56: To see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-Attachment 3 Floodplain District Overlay Map** in its entirety, and further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 57: To see if the Town will vote to amend the Plainville Zoning Bylaw, **§500-29(D) Signs in commercial districts**, to add the zone CD, and to add a new sentence to the end of §500-29(D)(1), with the additions shown below in italics and the text not being changed shown only for informational purposes, Or take any other action relative thereto:

§500-29(D): Signs in Commercial districts. In Districts CA, CB, CC and *CD* the following signs are permitted:

- (1) One sign mounted on the face or roof of the building not to exceed altogether in area more than 15% of the front wall area of the building if occupied by a single business or enterprise. Where a building is occupied by more than one business or enterprise, all signs together shall not exceed 15% of the front wall area of the building, and each occupant shall be entitled to erect a sign which, in combination with all other permitted signs, would exactly total 15% of said front wall area and would be also proportionate to the amount of square footage occupied by the occupant in said building, excluding for purposes of the proportion common hallways and lavs and other common entries or areas within said building; provided, however, that in no case shall any sign extend above a flat roof or the elevation of the front wall by more than 20% of the average height of the front elevation of said building. *The height and size of a sign in the CD district may exceed the requirements of this section by the issuance of a special permit from the Planning Board.*

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. (*Sponsor: Planning Board*)

ARTICLE 58: To see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-36. Groundwater Protection District** in its entirety and replacing it as follows:

§500-36: Groundwater Protection District

A. PURPOSE OF DISTRICT

The purpose of this Groundwater Protection District is to:

- (1) promote the health, safety, and general welfare of the community by ensuring an adequate quality and quantity of drinking water for the Town of Plainville;
- (2) preserve and protect existing and potential sources of drinking water;
- (3) conserve natural resources in the Town of Plainville; and

- (4) prevent temporary and permanent contamination of the environment.

B. SCOPE OF AUTHORITY

The Groundwater Protection District is an overlay district superimposed on the zoning districts. This overlay district shall apply to all new construction, reconstruction, or expansion of existing buildings and new or expanded uses. Applicable activities and uses in a portion of one of the underlying zoning districts that fall within the Groundwater Protection District must additionally comply with the requirements of this bylaw. Uses prohibited in the underlying zoning districts shall not be permitted in the Groundwater Protection District.

C. DEFINITIONS

Automobile Graveyard: An establishment that is maintained, used, or operated for storing, keeping, buying, or selling wrecked, scrapped, ruined, or motor vehicle parts as defined in MGL c.140B, s.1.

Aquifer: A geologic formation composed of rock, sand or gravel that contains significant amounts of potentially recoverable water.

CMR: Code of Massachusetts Regulations.

Commercial Fertilizer: Any substance containing one or more recognized plant nutrients which is used for its plant nutrient content and which is designed for use, or claimed to have value in promoting plant growth, except un-manipulated animal and vegetable manures, marl, lime, limestone, wood ashes, and gypsum, and other products exempted by state regulations.

Discharge: The accidental or intentional disposal, deposit, injection, dumping, spilling, leaking, pouring, or placing of toxic or hazardous material or hazardous waste upon or into any land or water such that it may enter the surface or ground waters.

Dry Well: A subsurface pit with open-jointed lining or holes through which storm-water drainage from roofs, basement floors, foundations or other areas seep into the surrounding soil.

Groundwater Protection District: The land area consisting of aquifers and Zone II recharge areas as identified on a map and adopted pursuant to this bylaw.

Hazardous Material: Any substance in any form which because of its quantity, concentration, or its chemical, corrosive, flammable, reactive, toxic, infectious or radioactive characteristics, either separately or in combination with one or more substances, constitutes a present or potential threat to human health, safety, welfare, or to the environment, when improperly stored, treated, transported, disposed of, used, or otherwise managed. Hazardous material includes, without limitation, synthetic organic chemicals, petroleum products, heavy metals, radioactive or infectious materials, and all substances defined as toxic or hazardous under MGL c. 21E. This term shall not include hazardous waste or oil.

Historical High Groundwater Table Elevation: A groundwater elevation determined from monitoring wells and historical water table fluctuation data compiled by the United States Geological Survey.

Hazardous Waste: A substance or combination of substances, which because of quantity, concentration, or physical, chemical or infectious characteristics may cause, or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible illness or pose a substantial present or potential hazard to human health, safety, or welfare or to the environment when improperly treated, stored, transported, used or disposed of, or otherwise managed. This term shall include all substances identified as hazardous pursuant to the Hazardous Waste Regulations, 310 CMR 30.000.

Impervious Surface: Material or structure on, above, or below the ground that does not allow precipitation or surface water runoff to penetrate into the soil.

Interim Wellhead Protection Area (IWPA): The MassDEP designated protection radius around a public water well that lacks a Zone II.

Junkyard: An establishment that is maintained, operated, or used for storing, keeping, buying, or selling junk, or for the maintenance or operation of an automobile graveyard, as defined in MGL c.140B, s.1.

Landfill: A facility established in accordance with a valid site assignment for the purposes of disposing solid waste into or on the land, pursuant to the Solid Waste Regulations, 310 CMR 19.006.

MassDEP: Massachusetts Department of Environmental Protection.

MGL: Massachusetts General Law.

Petroleum Product: Includes, but not limited to, fuel oil; gasoline; diesel; kerosene; aviation jet fuel; aviation gasoline; lubricating oils; oily sludge; oil refuse; oil mixed with other wastes; crude oils; or other liquid hydrocarbons regardless of specific gravity. Petroleum product shall not include liquefied petroleum gas including, but not limited to, liquefied natural gas, propane or butane.

Non-Sanitary Wastewater: Wastewater discharges from industrial and commercial facilities containing wastes from any activity other than collection of sanitary sewage including, but not limited to, activities specified in 310 CMR 15.004(6).

Open Dump: A facility operated or maintained in violation of the Resource Conservation and Recovery Act 42 U.S.C. 4004(a)(b), or state regulations and criteria for solid waste disposal.

Recharge Areas: Land areas, such as a Zone II or Interim Wellhead Protection Area, where precipitation and surface water infiltrates into the ground to replenish groundwater and aquifers used for public drinking water supplies.

Septage: The liquid, solid, and semi-solid contents of privies, chemical toilets, cesspools, holding tanks, or other sewage waste receptacles. This term shall not include any material that is a hazardous waste, as defined by 310 CMR 30.000.

Sludge: The solid, semi-solid, and liquid residue that results from a process of wastewater treatment or drinking water treatment including wastewater residuals. This term shall not include grit, screening, or grease and oil which are removed at the head-works of a facility

Treatment Works: Any and all devices, processes and properties, real or personal, used in the collection, pumping, transmission, storage, treatment, disposal, recycling, reclamation, or reuse of waterborne pollutants, but not including any works receiving a hazardous waste from off the site of the works for the purpose of treatment, storage, or disposal.

Utility Works: Regulated activities providing for public services, including roads, water, sewer, electricity, gas, telephone, transportation and their associated maintenance activities. This term shall include the installation of detention and retention basins for the purpose of controlling storm water.

Very Small Quantity Generator: Any public or private entity, other than residential, which produces less than 27 gallons (100 kilograms) a month of hazardous waste or waste oil, but not including any acutely hazardous waste as defined in 310 CMR 30.136.

Waste Oil Retention Facility: A waste oil collection facility for automobile service stations, retail outlets, and marinas which is sheltered and has adequate protection to contain a spill, seepage, or discharge of petroleum waste products in accordance with MGL c.21. s.52A.

Zone II: The delineated recharge area to a public drinking water well as approved by MassDEP and defined under the Massachusetts Drinking Water Regulations 310 CMR 22.00.

D. ESTABLISHMENT AND DELINEATION OF GROUNDWATER PROTECTION DISTRICT

- (1) For the purposes of this bylaw, there are hereby established within the Town of Plainville certain groundwater protection areas consisting of aquifers or recharge areas. These areas are delineated on a map entitled "Town of Plainville Map of Groundwater Protection District" dated March 20, 2014, which is hereby made part of the Groundwater Protection District Bylaw and is on file in the office of the Town Clerk.

E. DISTRICT BOUNDARY DISPUTES

- (1) If the location of the Groundwater Protection District in relation to a particular parcel is in doubt, resolution of the boundary dispute shall be through a Special Permit application to the Special Permit Granting Authority. Any application for a special permit for this purpose shall be accompanied by adequate documentation.
- (2) Burden of proof shall be upon the land owner to demonstrate that the location of the Groundwater Protection District with respect to a particular parcel(s) of land is uncertain. At the request of the land owner, the Town may engage a professional engineer, hydrologist, geologist, or soil scientist to determine more accurately the boundaries of the Groundwater Protection District with respect to a particular parcel(s) of land, and may charge the owner for the cost of the investigation. Changes to the Groundwater Protection District require town meeting approval.
- (3) Where the boundary line of the Groundwater Protection District divides a lot or parcel, the requirements established by this bylaw shall apply only to that portion of the lot or parcel that lies within the Groundwater Protection District.

F. PERMITTED USES

- (1) The following uses are permitted within the Groundwater Protection District, provided that all necessary permits, orders, or approvals required by local, state, or federal law are also obtained:
 - (a) conservation of soil, water, plants, and wildlife;
 - (b) outdoor recreation, nature study, boating, fishing, and hunting where otherwise legally permitted;
 - (c) foot, bicycle and/or horse paths, and bridges;
 - (d) normal operation and maintenance of existing water bodies and dams, splash boards, and other water control, supply and conservation devices;
 - (e) maintenance, repair, and enlargement of any existing structure, subject to Section G and Section H of this bylaw;
 - (f) residential development, subject to Sections G and H of this bylaw;
 - (g) farming, gardening, nursery, conservation, forestry, harvesting, and grazing, subject to Section G and Section H of this bylaw;

- (h) construction, maintenance, repair, and enlargement of drinking water supply related facilities such as, but not limited to, wells, pipelines, aqueducts, and tunnels; and
- (i) any use permitted in the underlying zoning except for those uses specifically prohibited in Sections G and H of this bylaw.

G. PROHIBITED USES

- (1) The following land uses and activities are prohibited unless designed in accordance with the specified performance standards :
 - (a) landfills and open dumps;
 - (b) automobile graveyards and junkyards;
 - (c) landfills receiving only wastewater residuals and/or septage, including those approved by MassDEP pursuant to MGL c. 21 s.26 through s.53, MGL c.111 s.17, and MGL c.83 s.6 and s.7;
 - (d) facilities that generate, treat, store, or dispose of hazardous waste that are subject to MGL c.21C and 310 CMR 30.000, except for:
 - [1] very small quantity generators as defined under 310 CMR 30.000;
 - [2] household hazardous waste centers and events under 310 CMR 30.390;
 - [3] waste oil retention facilities required by MGL c. 21, s.52A;
 - [4] water remediation treatment works approved by MassDEP for the treatment of contaminated waters.
 - (e) petroleum, fuel oil, and heating oil bulk stations and terminals including, but not limited to, those listed under North American Industry Classification System (NAICS) Codes 424710 and 454311, except for liquefied petroleum gas.
 - (f) storage of liquid hazardous materials and/or liquid petroleum products unless such storage is above ground level and on an impervious surface and either:
 - [1] in container(s) or above ground tank(s) within a building; or
 - [2] outdoors in covered container(s) or above ground tank(s) in an area that has a containment system designed and operated to hold either; 10% of the total possible storage capacity of all containers or 110% of the largest container's storage capacity, whichever is greater.

however, these storage requirements shall not apply to the replacement of existing tanks or systems for the keeping, dispensing or storing of gasoline provided the replacement is performed in a manner consistent with state and local requirements;
 - (g) storage of sludge and septage, unless such storage is in compliance with 310 CMR 32.30 and 310 CMR 32.31;
 - (h) storage of deicing chemicals unless such storage, including loading areas, is within a structure designed to prevent the generation and escape of contaminated runoff or leachate;
 - (i) storage of animal manure unless contained within a structure designed to prevent the generation and escape of contaminated runoff or leachate;

- (j) storage of commercial fertilizers unless such storage is within a structure designed to prevent the generation and escape of contaminated runoff or leachate;
- (k) stockpiling and disposal of snow and ice containing deicing chemicals brought in from outside the Groundwater Protection District;
- (l) earth removal, consisting of the removal of soil, loam, sand, gravel, or any other earth material to within 4 feet of historical high groundwater, unless such substances removed are re-deposited within 45 days of removal on the site to achieve a final grading greater than four feet above the historical high water mark, and except for excavations for the construction of building foundations, the installation of utility works or wetland restoration work conducted in accordance with a valid Order of Condition issued pursuant to MGL c. 131, s.40. The SPGA shall review information submitted from sources such as monitoring wells, historical water table fluctuation data compiled by the United States Geological Survey or other reputable sources acceptable by the SPGA, and on-site soil analysis conducted by a certified soil evaluator in conformance with DEP standards in making its determination as to the historical high groundwater elevation; and
- (m) treatment or disposal works subject to 314 CMR 5.00, for non-sanitary wastewater, including those activities listed under 310 CMR 15.004(6), except for:
 - [1] treatment works approved by Mass DEP designed for the treatment of contaminated ground or surface water and operating in compliance with 314 CMR 5.05(3) or 5.05(13); and
 - [2] publicly owned treatment works.
- (n) Private sewer treatment (package) plants for residential uses.

H. USES AND ACTIVITIES REQUIRING A SPECIAL PERMIT

- (1) The following uses and activities are permitted only upon the issuance of a Special Permit by the Special Permit Granting Authority (SPGA) under such conditions as they may require:
 - (a) enlargement or alteration of existing structures or uses that do not conform to the Groundwater Protection District;
 - (b) except as prohibited under Section G of this bylaw, activities that involve the handling of toxic or hazardous materials in quantities greater than those associated with normal household use and which are permitted in the underlying zoning district;
 - (c) rendering impervious any lot or parcel more than 15% or 2,500 square feet, whichever is greater;
 - (d) any project requiring approval under Plainville General Code Chapter 540: Subdivision of Land.

I. PROCEDURES FOR ISSUANCE OF SPECIAL PERMIT

- (1) The Special Permit Granting Authority (SPGA) under this bylaw shall be the Planning Board. A special permit shall be granted if the SPGA determines, in conjunction with the Plainville Board of Health, Conservation Commission, Water/Sewer Commission, Fire Department, Department of Public Works and Building Inspector, that the intent of this bylaw, as well as its specific criteria, is met. The SPGA shall not grant a special permit under this section unless the petitioner's application materials include, in the SPGA's opinion, sufficiently detailed, definite, and credible information to support positive findings in relation to the standards given in this section. The SPGA shall document the basis for any departures from the recommendations of the other municipal boards, departments or commissions in its decision.

- (2) Upon receipt of the special permit application, the SPGA shall transmit one copy to the Plainville Board of Health, Conservation Commission, Water/Sewer Commission, Fire Department, Department of Public Works and Building Inspector. Failure to respond in writing within 35 days from the date of receipt of the material from the SPGA shall indicate approval, or no desire to comment. The necessary number of copies of the application shall be furnished by the applicant.
- (3) The SPGA may grant the required special permit only upon finding that the proposed use meets the criteria set forth in §500-20(C), those specified in Section G of this bylaw, the following standards, and any regulations or guidelines adopted by the SPGA. The proposed use must:
 - (a) in no way, during construction or thereafter, adversely affect the quality or quantity of the water supplies protected by the Groundwater Protection District; and
 - (b) be designed to avoid substantial disturbance of the soils, topography, drainage, vegetation, and other water-related natural characteristics of the site to be developed such that recharge to groundwater is impaired.
 - (c) be designed to provide stormwater runoff treatment and artificial recharge that will not degrade water quality, and is provided using methods demonstrated to be capable of removing contaminants from storm water which are consistent with the methods described in Mass DEP's Stormwater Handbook, Vol. I, II and III, as amended. Such standards shall be required whether or not the proposal requires a permit under the provisions of the Massachusetts Wetlands Protection Act.
- (4) The SPGA may adopt controls to govern design features of projects. Such controls shall be consistent with the Town's subdivision regulations.
- (5) The applicant shall file 11 copies of a site plan and attachments. The site plan shall be drawn at a proper scale as determined by the SPGA and be stamped by a professional engineer. All additional submittals shall be prepared by qualified professionals. The site plan and its attachments shall at a minimum include the following information where pertinent:
 - (a) a complete list of chemicals, pesticides, herbicides, fertilizers, fuels, and other potentially hazardous materials to be used or stored on the premises in quantities greater than those associated with normal household use; and
 - (b) for activities using or storing hazardous materials or wastes, a management plan shall be prepared and filed with the Fire Chief and Board of Health. The plan will be consistent with the requirements of Section G and shall include:
 - [1] provisions to protect against the discharge of hazardous materials or wastes to the environment due to spillage, accidental damage, corrosion, leakage, or vandalism, including spill containment and clean-up procedures;
 - [2] provisions for indoor, secured storage of hazardous materials or wastes with impervious floor surfaces;
 - [3] evidence of compliance with the Massachusetts Hazardous Waste Regulations 310 CMR 30.000; and
 - [4] proposed down-gradient location(s) for groundwater monitoring well(s), should the SPGA deem the activity a potential groundwater threat.
- (6) The SPGA shall hold a hearing, in conformity with the provision of MGL c.40A s. 9, within 65 days after the filing of the application. Notice of the public hearing shall be given by publication and posting and by first-class mailings to "parties of interest" as defined in MGL c.40A s.11. The decision of the SPGA and any extension, modification, or renewal thereof shall be filed with the SPGA and Town Clerk within 90

days following the closing of the public hearing. Failure of the SPGA to act within 90 days shall be deemed as a granting of the permit.

J. ENFORCEMENT

- (1) Written notice of any violations of this bylaw shall be given by the Plainville Zoning Enforcement Officer to the responsible person as soon as possible after detection of a violation or a continuing violation. Notice to the assessed owner of the property shall be deemed notice to the responsible person. Such notice shall specify the requirement or restriction violated and the nature of the violation, and may also identify the actions necessary to remove or remedy the violations and preventive measures required for avoiding future violations and a schedule of compliance.
- (2) A copy of such notice shall be submitted to the Town Planning Board. The cost of containment, clean-up, or other action of compliance shall be borne by the owner/operator of the premises.

K. SEVERABILITY

- (1) If any provision of this bylaw is held invalid by a court of competent jurisdiction, the remainder of the bylaw shall not be affected thereby. The invalidity of any section or sections or parts of any section or sections of this bylaw shall not affect the validity of the remainder of this bylaw.

and to amend **§500-12. Districts** by replacing WPD-Watershed Protection District with GPD-Groundwater Protection District

and to amend the Plainville Zoning Bylaw §500 Attachment 1 “Town of Plainville Intensity of Use Schedule (§500-17 of the Zoning Bylaw)”, by deleting the existing footnote “1” which reads “In the Watershed Protection District, a maximum of 60% of a lot area shall be rendered impervious for all uses” and replacing it with “In the Groundwater Protection District, a maximum of 60% of lot area shall be rendered impervious for all residential uses”.

and to see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-Attachment 4 Groundwater Protection District Map** in its entirety and replacing it with a new map entitled “Town of Plainville Map of Groundwater Protection District” dated March 20, 2014.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. . *A reduced copy of the proposed Groundwater Protection District Map is attached to the Annual Town Meeting Warrant (Sponsor: Planning Board)*

ARTICLE 59: To see if the Town will vote to amend the Zoning Bylaw, **§500-37, Water Resource Protection**, as set forth below with the additions shown in italics and the deletions shown in strike-through and the text not being changed shown only for informational purposes, or take any other action relative thereto.

§ 500-37. Community and Water resource protection.

A. Purpose and application. For the purpose of protecting groundwaters and other water resources in the Town of Plainville, there are hereby established water resource protection regulations as part of the Zoning Bylaw. These regulations apply throughout the Town. All uses and dimensional requirements and other provisions of this bylaw applicable to land, buildings and uses in all zoning districts shall remain in force and effect, except that where the water resource protection regulations impose greater or additional restrictions and requirements, such restriction and requirements shall prevail.

B. Use regulations. Notwithstanding use regulations for a particular district, the uses listed below are prohibited. Such uses where lawfully existing may be continued but may not be expanded or altered without a special permit from the special permit granting authority (SPGA), which, for the purpose of this section of the Zoning Bylaw, is the Zoning Board of Appeals (see §§ 500-27 and 500-28).

(1) Outdoor storage of the following substances: salt, snow-melting chemicals, or hazardous substances such as pesticides, herbicides and water soluble and volatile chemical compounds. This prohibition shall include, without limitation, outdoor storage of materials containing or coated with such chemicals susceptible to being carried into surface water or groundwater.

(2) Storage of radioactive waste.

C. Uses by special permit.

(1) Except as specified in Article I of this bylaw, the following uses will be allowed only upon issuance of a special permit issued by the Zoning Board of Appeals.

(a) ~~Business or manufacturing use employing over 20 persons.~~ *Any use, or expansion of an existing use, that creates 20 or more parking spaces.*

(b) *Any new Commercial or Industrial building, or combination of buildings on a single lot, or any combination of addition or additions to an existing Commercial or Industrial building or buildings, which equals or exceeds a footprint area of 10,000 square feet.*

(c) *On a lot where the existing footprint of all buildings combined exceeds 10,000 square feet, any combination of addition or additions to an existing building or buildings which equals or exceeds a footprint area of 5,000 square feet.*

(bd) Any manufacturing or processing industrial use disposing of hazardous toxic (as defined by federal and state regulations) solid waste or hazardous toxic wastewater through an on-site subsurface disposal system.

(ee) Business or manufacturing use with an impervious area in excess of one acre.

(df) Junkyards or salvage yards.

(eg) Landfills and similar waste treatment or disposal facilities.

~~(f) Conversion of seasonal homes to year-round use.~~

(gh) Manufacture of pesticides, fertilizers, weedkillers and herbicides.

(hi) Facilities for the storage or treatment of hazardous wastes.

D. Rules and regulations.

~~(1) The Zoning Board of Appeals shall adopt rules and regulations relative to the issuance of special permits under this section. Such rules shall include but need not be limited to requirements for:~~

~~(a) Site plan showing the extent of impervious areas, water supply, drainage and layout and design of disposal facilities.~~

~~(b) Provisions and conditions designed to prevent or correct conditions detrimental to water resources, health, safety and welfare.~~

~~(c) Provisions and conditions to prevent pollution to ground and surface.~~

~~(2) The rules and regulations of the Zoning Board of Appeals relative to the issuance of special permits shall provide for notice to and review by the following local boards: Board of Selectmen, Conservation Commission, Board of Health and Planning Board.~~

(1) The Planning Board shall follow the “Procedure for issuance of a special permit” as set forth in §500-20(C) and §500-36(I).

(2) If a special permit is required under the provisions of both §500-36 and §500-37, then the applications for both permits may be combined, the permits may be heard concurrently by the Planning Board, and a combined decision may be rendered detailing the decision on each application.

and to amend the Plainville Zoning Bylaw §500 Attachment 2 “Town of Plainville Use Regulation Schedule (§500-19 of the Zoning Bylaw)”, by changing footnote 9 to read “See §500-37. Community and Water Resource Protection.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. *(Sponsor: Planning Board)*

ARTICLE 60: To see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-38. Watershed Protection District** in its entirety.

and to amend the Plainville Zoning Bylaw §500 Attachment 2 “Town of Plainville Use Regulation Schedule (§500-19 of the Zoning Bylaw)”, by deleting the “WPD” column in its entirety.

and to see if the Town will vote to amend the Plainville Zoning Bylaw by deleting **§500-Attachment 5 Watershed Protection District Map** in its entirety.

And further, that nonsubstantive changes to the numbering of this by-law be permitted in order that it be in compliance with the numbering format of the Code of Plainville or, to see if the Town will vote to do or act in any manner relative thereto. *(Sponsor: Planning Board)*

ARTICLE 61: To see if the Town will vote to authorize the expenditure of a sum of \$38,490.00 by the King Philip Regional School District from the District’s own funds, being whatever source, including its excess and deficiency fund, as being the Town's share (constituting 25.66 percentage) of the total cost of a sewer improvement repair project, said total cost being approximately \$150,000, at the King Philip Regional Middle School within the King Philip Regional School District, of which the Town of Plainville is a member, said amount to be expended at the direction of the King Philip Regional School District School Committee, or do or act in any manner relative thereto. *(Sponsor: King Philip School Committee)*

ANNUAL REPORT OF THE KING PHILIP REGIONAL SCHOOL DISTRICT
Norfolk - Plainville – Wrentham
2013-2014 School Year

SUPERINTENDENT'S REPORT

It has been another eventful year in the King Philip Regional School District. The School Committee and I would like to thank the communities for the continued support they show for our school district and children. King Philip has worked hard to ensure that your educational dollar is used effectively and efficiently in supporting our programs. King Philip was named the nineteenth "Best School District in the State for Your Buck" by nerdwallet.com who did a whole state comparison of our Massachusetts school districts.

King Philip Regional School District has an average 97% of our students scoring in the proficient or advanced category on the MCAS exam. Our average SAT score was 1638, with a graduation rate of 91%. In addition 86.5% of our students go onto higher education, with a high majority entering science, technology, engineering or math areas. In collaboration with our three towns, King Philip continues to work at improving student outcomes while working with our fiscal committees to ensure appropriate allocation of your tax dollars.

We have been recognized on the 4th Annual AP[®] District Honor Roll for simultaneously increasing access to Advanced Placement[®] course work while also increasing the percentage of students earning scores of 3 or higher. In 2013-2014, our high school students took AP exams in Art, Music Theory, Economics, Psychology, English, World Language, History and Social Science, Math and Computer Science, and Science and Technology. King Philip Regional High School had a total of 95 AP scholars averaging a score of 3.97. This is a 2.8% increase over the prior year in the number of AP scholars. In addition, the district's student's successes in academic achievement can also be measured by their competitiveness for acceptance to post-graduate institutions of learning. The focus in the district building academic rigor and adherence to the instructional frame continues today.

Community service initiatives remain a focus of King Philip High School demonstrating our commitment toward civic responsibility. Our food drive at the KP GAPS and Drama production of *Its A Wonderful Life* yielded over 3000 nonperishable items which were divided among the three local food pantries. The annual Halloween Spooktacular was held for the Tri-town community where over 300 young children come to the high school to enjoy a fun-filled evening. Finally, we cannot forget that our very own Dr. Lisa C. Oliveira won both the dance and the fundraising portion of Wrentham Community Events Dancing with the Wrentham Stars. She danced to raise funds for the Warrior Turf Field Complex.

Student Academic Achievements

Our students continue to earn accolades for their outstanding academic performances seniors take the lead in many of these categories. The following is a snapshot of several of our successful seniors: Matthew Crafton was awarded a \$1000 scholarship from WPI for being a lead scorer in the WPI Mathematics meet, senior Megan Connor received the Volunteer of the Year Award from the Town of Wrentham for her service to the community, Matthew Crafton and April Witter received the

Superintendent's Award for Academic Excellence, KPRHS is very proud of its newest author, Sam Weitzman for his paper on, "More Efficient Helicopter Blades Based on Whale Tubercles", finally Ashay Patel was high school valedictorian and Sean Pazurcek salutatorian. Both students were outstanding leaders.

Each year the State of Massachusetts awards the John and Abigail Adams Scholarship to members of the senior class. This is a non-need based undergraduate tuition waiver to attract more high-performing students to Massachusetts public higher education. Ninety six members of the senior class received this award. These students were designated as scoring advanced on at least one sub test and advanced or proficient on the second subtest. Additionally, they must rank in the top 25% of students in our district based on their combined MCAS score.

King Philip Regional High School inducted forty new members into our National Honor Society on November 25, 2014. These students are recognized for their scholarship, leadership, service and character. Mrs. Neva Brown was recognized by the senior class at graduation as the King Philip Teacher of the Year. Mrs. Brown is a favorite among the students for the support she provides them and a favorite among the administration for the results her students achieve on the AP Calculus exam. KP DECA qualified for all three National DECA promotions. KP DECA is the only school in Massachusetts to qualify in all three areas for two years in a row

Thirty three pieces of art won recognition from the Scholastic Art Awards committee. Receiving a Gold Key Awards were Kayla Manning and Austin Sherman. Lauren Gilleland, Julia Govoni, Kayla Manning and Austin Sherman won Silver Key Awards. Honorable mention awards went Christina Allen, Charlotte Benson, Bryce Dort, Gillian Ferreira, Lydia Klein, Isobel McCue, Hannah McNeil, Eliza Mecklenburg, Sarah Radford, Mehrin Saleem, and Shannon Ward. Christina Allen was selected as a winner for the Massachusetts High School Photography Competition from the Photography Center of Cape Cod. Artist Austin Sherman received the National Gold Medal for his work entitled, "Yin and Yang". 255,000 works are entered into this contest and 2050 were selected for gold medals!

Two King Philip Middle School Science teams, the Smarticle Particles, and Nano-knows-it –all, coached by Dr. Michele Austin, Mrs. Kelly Fecteau, and Mrs. Emily Leone, performed very successfully in the 8th annual Science Trivia Challenge.. The King Philip teams placed first(Nano-Know-It-Alls) and second (Smarticle Particles) in the competition. The teams traveled to MIT during last April vacation. Smarticle Particle Team members included George Elmassih, Nick Ihley, Sathwik Karnik, Ryan Mackenzie, and Nina Sitarski.. Nano Knows It All Team members included: Eric Bernard, Alexa Canning, Brendan Clarke, Matt Coletta, and Justin Wilson. The Nano-Know-It-Alls had the opportunity to dine with Nobel Laureate Professor Jerome Friedman on June 17th. Professor Friedman won the Nobel Prize in 1990 "for pioneering investigations concerning deep inelastic scattering of electrons on protons and bound neutrons, which have been of essential importance for the development of the quark model in particle physics.

In June, as part of a joint English and History curriculum venture, all Grade 8 middle school students benefitted from a Wrentham Cultural Council Grant that allowed internationally known guest speaker, Janet Applefield to visit students in assembly. Our students listened intently to her personal story about how she survived the Holocaust and had an opportunity to ask questions. This presentation raised awareness and understanding of the dangers of prejudice and encourages children and adults alike to stand up to any kind of discrimination and injustice.

Through a grant awarded to Grade 7 science teacher, Dr. Michele Austin, King Philip Middle School was able to hold its first STEAM day. STEAM stands for Science, Engineering, Art, Technology, and Mathematics. All students in Grade 7 and Grade 8 had the chance to devote a full day to collaborative problem solving associated with STEAM as well as be engaged by national clinician, Dr. Bill Robertson (otherwise known as Dr. Skateboard), Professor of Science and Technology Education at the University of Texas at El Paso to reinforce concepts of force and motion.

Co-Curricular and Extra-Curricular Activities

Students participate in a wide range of co-curricular and extracurricular activities. Both schools have active Student Councils that provide leadership and sponsorship of school activities and community service activities. The high school Student Council and senior class co-sponsor an annual holiday party in December for students from a selected city elementary school. Students from the David A. Ellis Elementary school located in Roxbury Massachusetts joined us this year for a wonderful celebration. In addition KPHS Student Council is in charge of maintaining the spirit at KPHS. One grand event is Mr. KPHS which was won this year by senior Owen Galvin. His performance was hysterical! King Philip Regional High School's Student Council was once again awarded the National Gold Council of Excellence Award. We are proud of their accomplishments. Our student athletes are also being recognized. Stephen Beatie and Melissa Daigle were chosen to represent King Philip at the Hockomock League Scholar Athlete Banquet. Both are outstanding students and athletes!

KP Drama & GAPS proudly presented a holiday treat for the whole family. It's a Wonderful Life was performed by the students under the direction of Mr. Joseph Ferreira. KP Drama and the GAPS also proudly presented *The State of the Union* in the spring of 2014. Both performances were huge hits. The community packed the auditorium for all shows. Middle school students presented performances of *Charlie and the Chocolate Factory* to enthusiastic audiences in the sold-out middle school auditorium under the direction of advisor Jamie Osborne. The KPMS show featured a cast of talented 7th and 8th graders including Eric Blair as Willy Wonka and Brian Crowley as Charlie Bucket. Sharing the stage are Robert Giannelli as Grandpa Joe, Hannah Egan as Augustus Gloop, Sara Tuohy as Mrs. Gloop, Lexi Mutascio as Veruca Salt, Sam Cullen as Mr. Salt, Maddie Bragaw as Violet Beauregarde, Olivia Traboulssi as Mrs. Beauregarde, Sarah Seaberg as Mike Teavee, Katie Aaron as Mrs. Teavee, Griffin Boynton (The Candy Man), Lucy Barnard (Mrs. Bucket), Hunter Cohen (Mr. Bucket), Abby Melanson (Grandma Josephina), Shelby Anderson (Grandma Georgina), Sam Page (James), Hayden Doherty (Matilda), Mohammad Lofti (Phineous Trout), Olivia Olsen (Genevieve Quale), and Bryce Goddard (Announcer). Supporting cast includes Oompa Loompas: Veronica Anderson, Charlotte Barnard, Nathan Blitchington, Kayley Boulger, Caitlyn Calicchia, Kyla Caprarella, Jade Carey, Cam Corey, Lindsay Coughlan, Emma Daly, Melanie Devine, Breanne Dugan, Grace Eldridge, Maggie Ellis, Chiama Ezuma-Ngwu, Isabel Fryer, Chasey Gentile, Gabby Giannelli, Elena Giusti, Cade Hannan, Hailey Konieczny, Kat Kmetz, Jonathan Machado, Chloe Manzi, Olivia Merritt, Stephanie Mollor, Sam Page, Sammy Rioux, Fisher Steinbrecher, Erin Sullivan, Theresa Sullivan, Ashanti Tharps, Caroline Watson, and Kaitlyn Ward. Oompa Loompa Dancers: Pearl Afamefuma, Brooke Govoni, Elizabeth Hall, Lena Ihjul, Bella Leonardi, Sophia Naggat, Aiyana Parker, Samantha Pearson, and Alex Welch. High school students Haley Bowers, Melissa Bannon, Rob Kenerson, Lauren Gilleland, Nicola Alexander, Hannah Geiger, and Sean Leehan mentored the middle school students in the areas of interpretation, set design, technical, lighting, and sound operations. The show was directed by Language Arts

instructor, Jamie Osborne, who has been involved with the drama program since its inception in 2005. Music direction was coordinated by general music and choral instructor, Ryan DeWolfe. King Philip alumna Lauren Duffy has created choreography for the show and history teacher Sean Jones has coordinated costumes.

King Philip Music Programs have once again earned top honors surpassing their accomplishments of last year. After seven months of hard work the King Philip Marching Band, The Pride and the Passion took first place in the US Bands National Championship. Twenty five students were selected to perform at the Southeastern District Senior High School Festival. These students were; Robert Kenerson IV, Nathan Krishnaswami, Kaitlyn Purro, Emily Sullivan, Olivia Cohen, Alexandra Ennes, Courtney Hebert, Catherine Silvestri, Ben Webster, Mario Brandl Garcia, Ian Light, Patrick Noonan, Adam Slamin, Daniel Corwin, Adam Strubeck, Michaela Cunningham, Elizabeth Kaelbling, Kevin Yu, Marcus Campbell, Connor Marland,

The King Philip Middle School New England Math League results showed that our Grade 7 scores ranked 29/98 schools in New England participating. Grade 8 school scores reflected that we rank 12/102 schools in New England participating. The top scores in Grade 7 were Michale O'Loughlin (1st); Ethan Ball; Robert Hehn; Kendall Mason; Daniel Sammarco; and William Zeller(2nd);. The top scores in Grade 8 were: Sonia Deodas (1st); Sathwik Karnik (2nd); Nicholas Ihley (3rd); and Daniel Andrews (4th). Sonia Deodas, Grade 8, received the distinction of being the top scorer in New England. Sathwik Karnik, Grade 8, received the distinction of being the 7th highest scorer in New England. King Philip was a top ranking school for Grade 8 in Norfolk County in mathematics.

King Philip Middle School students also competed in the Mathematical Association of America-American Mathematics Contest. KPMS top 5 scorers were as follows: Sathwik Karnik; Sonia Deodas; Sarah Kaunfer and George Elmassih; and Lauryn Weber. KPMS has two students earn the AMC 8 National Distinction Award with Sathwik Karnik earning a score of 24 and Sonia Deodas earning a score of 22.

In April, KPMS students that were recognized by New England Math League in their Algebra contest included: Sathwik Karnik (1st) and Perfect Score; Nick Ihley (2nd); Brendan Clarke and Blake Monjar (3rd); and Chloe Manzi (4th). The King Philip Middle School Math Team of 17 members placed third in the Intermediate Math League Noether Division. The team met weekly to practice advanced math skills that were applied to problems during five meets throughout the school year. Congratulations to the members of the team:

8th Grade Students: Brendan Clarke, Mitch Comier, Sonia Deodas, Nicholas Ihley, Sathwik Karnik, Sarah Kaunfer, Riley Lucas, Liam Rohan.

7th Grade Students: Tyler DiFiore, George Elmassih, Ryan Fitzpatrick, Cormac Foley, Nikita Murli, Nicole O'Brien, Aiyana Parker, Colby Vieira, Lauryn Weber.

The middle school music program continues its high standards of excellence with MICCA medals for the 7th Grade Band (Gold), 8th Grade Band (Gold), and the chorus (Silver) with band groups being given the opportunity to perform at Symphony Hall in Boston or in Worcester at Mechanics Hall. The high school's Symphony Band and Chorus earned gold medals and the concert band a silver medal at the annual MICCA Festival. The King Philip Middle School The King Philip Middle School honor choir was selected from amongst 500 schools that applied to sing at the Massachusetts Educators Conference held at the Seaport Hotel in Boston.

As a regional school district we were honored to be able to send three Grade 8 students, one from each of our partner towns to participate in the Governor's Project 351 Initiative. The purpose of

Project 351 was to assemble a congress of Grade 8 youth representing each city and town in Boston for dialogue and participation in service project. Project 351 Marjorie Guerrier—representing Plainville, Tyler Mann—representing Norfolk, and Katelynn Van Roon—representing Wrentham were selected by the school administration for their enduring characteristics of humility, integrity, compassion, commitment, and generosity of spirit. Ultimately, our students learned that 351 Grade 8 students working together across the Commonwealth can really make a difference.

The middle school student council provides leadership for a wide variety of community service and charitable fund-raising activities. King Philip Middle School seventh graders raised \$13,604.60 for the children of St. Jude Children's Research Hospital by participating in the Math-A-Thon. St. Jude's is the world's premier pediatric cancer research center. As part of the fundraiser, every seventh grader completed the 250 problems in the Math-A-Thon booklet for additional math review; over three hundred students also collected sponsors. Simone Barger she raised \$277, Anthony Cappucino collected \$300, and Lauren Anderson brought back \$400, Alex Hixson raised \$481, while our top fundraiser was Ryan DeFlaminis at \$520. These were the top five fundraisers from King Philip Middle School. Since 2006, King Philip has raised \$102,000 for St. Jude's organization. Other notable community activities at the middle school included our canned food drive. Led by KPMS Student Council Advisors Whitney Hartwell and Ali Susi along with Student Council members, this year's drive brought in almost 4500 food items to benefit families in Norfolk, Plainville, and Wrentham. Additionally, our Council worked hard to provide 14 Thanksgiving baskets with turkeys and trimmings for 16 local families. Grade 8 Student Council members included: Alexa Canning; Brian Crowley; Daniel Hedberg; Riley Magane; Courtney Masse; Lauren McSweeney. Grade 7 Student Council members included: Jake Anderson; Kyle Layman; Jimmy Peterson; Emma Rohan; Mathew Tobichuk; and Caroline Watson. To celebrate community spirit and emphasize caring in our community, we had a full school gathering in the gym with teachers and students being recognized. Teachers being recognized for excellence in this year's assembly included: Mr. Bean; Mrs. Brenneis; Mr. Jones; Mrs. Reyes; and Mrs. Fecteau. Mrs. Bogosh received the Unsung Teacher Hero award from the students.

Staff Changes

The following staff members were new to the high school: Ms. Jennifer Buteau, Mr. William Chaplin, Mrs. Marta Coscia, Ms. Ellen Dill, Mr. Nicholas Glabicky, Ms. Kristen Holcomb, Mr. Jacob Kravitz, Miss, Abigail Lambert, Ms. Tara LeBlanc, Miss Erin Nerlino, Dr. Angela Sheble, Ms. Leslie Townsend and Ms. Tina Williams.

The following staff members were new to the middle school: Ms. Jenna Allen (Math); Mrs. Heather Ernest Bond (Science); Ms. Lisa McIntyre (History); and Teacher Assistants Mr. Scott Delisle, Mr. Jonathan Wheeler, Mr. Brandon DiTullio; Mr. David Getchell, and Ms. Paige Myette.

Staff Development

Student learning is central to the focus of King Philip Regional School District and we continue our work on supporting a well-balanced comprehensive education in Grades 7-12. Our faculty is working to prepare students to meet the demands of MA Curriculum Frameworks; prepares students for changes in assessment such as District Determined Measures; be responsive to Special Education legal mandates; and support all Educators as they must meet DESE requirements associated with Educator Evaluation; and RETELL. Professional development over the next few years will address these areas.

Directed by building leadership teams, department based professional learning communities regularly meet throughout the year to discuss specific aspects of curriculum, instruction, and

assessment. These collaborative meetings are guided by S.M.A.R.T action plans that are developed early in the school year. The district is in the third year of a major review and update of curriculum within each of departments The district curriculum for all courses taught at the middle and high school is now accessible to parents at:

<http://kingphilip-public.rubiconatlas.org/Atlas/Public/View/Default> .

This site offers an overview of courses in addition to curriculum maps and unit designs. The maps and unit designs are broad outlines of what students need to know and be able to do.

Maps have been collaboratively created by our teachers, who have spent many hours reaching consensus about the curriculum that is essential for our students. As a result, the content of our maps include and often exceed state standards. Revisions are made when needed to meet the needs of students and curricular requirements. We anticipate that some units will change over the course of time as teachers make necessary modifications. Some units identified online may be taught in a different sequence due to shared resources and/or a quarterly or semester rotation.

With the Department of Secondary and Elementary Education requiring implementation of the new Educator Evaluation model, both the district administrators and teaching staff have received training in this model. There were specific areas of the training that introduced all faculty members to the new rubric for teacher evaluation, self-assessment, SMART goal and Educator Plans, and the process for gathering evidence, observations and giving feedback as part of the Educator Evaluation process.

School Committee

The School Committee has continued to work positively with the three member towns to develop a responsible budget while offering King Philip Regional School District students the best possible educational and extracurricular programs given the current fiscal crisis. The Committee has remained sensitive to local budget constraints and continues to be transparent with its budget and with the school district's requirements. On behalf of the School Committee, thank you for your continued support as we strive to provide our young people with a solid foundation for success in their future endeavors.

Sincerely,

Dr. Elizabeth Zielinski, Superintendent
King Philip Regional School District

Annual Report for the Plainville Public Schools For the Year Ending June 30, 2014

Dear Community Members,

We are pleased to present the Annual Performance Report of the Plainville Public Schools for the period July 1, 2013 through June 30, 2014. This report offers factual information that highlights the accomplishments and challenges of our elementary district in the following areas: district and school performance, district and school planning, student performance, staff performance, academic support and enrichment, and parent/community satisfaction.

District and School Performance

The mission of the Plainville Public Schools is to promote lifelong learning throughout the community and to prepare students to become responsible, contributing members of a changing society by providing a challenging, rigorous educational program.

The Plainville Public Schools met the criteria for level 2 districts as set by the Massachusetts Department of Elementary and Secondary Education (MADESE). At the school level the Anna Ware Jackson Elementary School met the criteria for a level 2 school and the Beatrice H. Wood Elementary School met the criteria for level 1 school. Although the district and each school have set improvement goals for the 2014-2015 school year we would like to celebrate the following:

1. Students in grades 3-6 exceeded the state targets for growth in the area of mathematics.
2. Students and all subgroups in grades 3-6 met the state targets for proficiency in the area of mathematics.
3. Students met the state targets for growth in the area of language arts.
4. Growth scores in the area of mathematics exceeded neighboring and comparison districts.
5. The average increase in proficiency rates in language arts and mathematics for the past five (5) graduating classes has increased on average by 20% (ELA) and 12% (Math) from grade 3 to grade 6.

Students in Grades 3-6 also demonstrated above average growth in reading and math as measured by STAR standardized assessments and the number of students in grades kindergarten through six demonstrating excellence in writing grew by 29%. The number of struggling writers also decreased by 31%, when comparing beginning and end of the year scores.

The faculties of both the Jackson and Wood Elementary Schools also completed a reaccreditation self-study report for the district. A visiting team from the New England Association of Schools and Colleges spent four (4) days in the district in March, completing their final report. The Visiting Team Report is posted on the district website.

District and School Planning

The Plainville school district successfully implemented year three of its 5-year district plan. In doing so it continued to address the plan's four (4) major areas:

1. assessment, curriculum and instruction;
2. professional development;
3. parent and community involvement and communication, and
4. physical facilities.

The district held two (2) Walk-to-School events and sponsored its second FITZ Challenge; a month-long wellness initiative which coincides with National Health and Fitness Month. All students were recognized for their participation with some high achievers receiving free memberships from the local YMCA

As part of our four-year technology plan, sixty-five (65) desktop computers and sixteen (16) laptops were purchased for students and staff. E-books (electronic books) were also purchased. E-books are accessible online from any location at any time. They can also be downloaded and viewed off-line. STAR Early Literacy, a new diagnostic on-line assessment for reading and math in grades K-2, was also introduced. STAR Early Literacy provides immediate results to teachers. This enhances their ability to provide targeted instruction in a more timely manner.

Presenters from i Robot, Science for Scientists, and Junior Achievement served as guest instructors at various times. Each grade also held a mini-STEM (Science, Technology, Engineering and Math) Expo to promote STEM-related concepts and careers.

All teachers in grades K-5 implemented the Empowering Writers program. Student intervention plans were also introduced at Jackson School to guide and monitor the development of students struggling academically and/or behaviorally. At the Wood School students who participated in the Technology Club were introduced to pod casting, digital storytelling, animation and movie making. Members of the sixth grade class also received their CPR certification through a program offered by the Plainville Fire Department.

Student Performance

Jackson School recognized the success of its students during monthly student recognition assemblies. Music performances and cultural arts activities were also held frequently in the school's cafetorium, a prime performing arts area.

Wood School chorus and instrumental band students performed for parents, guests and classmates throughout the school year and numerous students were recognized for their outstanding attributes during the bi-monthly *Student of the Month* ceremony.

Student work from both the Jackson and Wood Schools was showcased last spring on Plainville Pride Night. Families were also afforded the opportunity to participate in numerous activities that evening. All who attended enjoyed a relaxing, enjoyable evening.

Staff Performance

The faculties of both schools collaborated on the completion of standards area reports for the reaccreditation visit. They also met with members of the Visiting Team assigned to validate the accreditation standards set by the New England Association of Schools and Colleges.

Most teachers took part in additional professional learning time meetings, an optional activity focused on improving instruction and learning in the district. Twelve (12) staff members also attended a data class and were instrumental in the formation of data teams in both schools.

The district, under the direction of its principals and coaches, continued to realign its curriculum with the new MA Curriculum Frameworks in English Language Arts and Mathematics.

Academic Support and Enrichment

Enrichment classes were offered two (2) times with a large number of students enrolled in each course.

The special education and English-as-a-Second Language departments provided services to students in grades preschool to 6. The range of services varied to meet the individual needs of students.

Thirty-three (33) students also received social support through the district's Student Mentor Program, a well-established program that provides on-going assistance.

Grade 4 and 5 students met with "real-world scientists" weekly over an 18-week period through the Science for Scientists program. They experienced hands-on activities aligned with the science curriculum for their respective grades. This partnership is one of the many that has been established by the districts' School-Business-Community Partnership Planning Team.

Parent/Community Satisfaction

Parents were welcomed and many attended monthly Principal Coffee Hours. The Special Education Parent Advisory Council met monthly throughout the year and parent volunteers once again successfully ran the literacy bag program. At the Wood School senior volunteers held weekly cribbage games and an end-of-year tournament.

Many parents and community supporters also joined the students, faculty and staff in the two (2) district-wide Walk-to-School Days. They were also able to have their picture taken with the Red Sox World Series Trophy that visited Wood School for one day last spring. Parents and families were invited to Wood School's annual "Tea and Crumpet Hour" to view student artwork and enjoy choral and instrumental presentations, all while enjoying a nice cup of tea.

In closing, we would like to extend our thanks to the town of Plainville for its outstanding support of its schools. Plainville has a long history of supporting students, and we remain committed to providing each student with an excellent educational experience.

Respectfully submitted,

ANNUAL REPORT

ELECTED and APPOINTED OFFICIALS

FOR THE

TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30, 2014

ANNUAL REPORT OF THE BOARD OF ASSESSORS

July 1 2013 to July 30, 2014

The Board of Assessors said good-bye to Patricia Stewart and would like to thank her of 18 years of dedicated service to the Board and the citizens of Plainville. Her experience and expertise will be greatly missed. We wish Pat all the best in her future endeavors.

Due to Pat's departure the Board welcomed a new member Rick Hamilton. Rick is former Finance Committee member and works for a commercial loan department of a local bank. The knowledge he brings with him will greatly assist the Board. We look forward to working with Rick.

Many of you receive Commercial/Industrial Income and Expense requests. These requests are required by the Department of Revenue and required by Massachusetts State Law under Chapter 59 Sec. 38D as follows:

A board of assessors may request the owner or lessee of any real property to make a written return under oath within sixty days containing such information as may be reasonably required by it to determine the actual fair cash valuation of such property.

Failure of an owner or lessee of real property to comply with such request within 60 it has been made by the board of assessors **shall** be automatic grounds for dismissal of a filing at the appellate tax board. The appellate tax board and county commissioners **shall** not grant extensions for the purposes of extending the filing requirements unless the applicant was unable to comply with such request for reasons beyond his control on unless he attempted to comply in good faith. If any owner or lessee of real property in a return made under this section makes any statement which he knows to be false in material particular, such false statement **shall** bar him from any statutory appeal under this chapter.

This information is not public record so please answer accurately and as completely as you can.

This brings us to personal property Forms of List. We have included forms for listing machinery, equipment, and furniture and fixtures for you to file. No longer will, same as last year, just a figure, or a partial list be accepted. We need to the list filled out completely or we will return it to you to do so. Extensions may be granted upon written request that will show sufficient reason why you are unable to file on time. The assessors may audit your books, papers records and other data within 3 years of the date of your return date. If you do not file a return for the fiscal year and comply with audit request for books, papers, records and other data the assessors cannot abate for overvaluation of the personal property year. If your return is not filed, or you do not comply with audit requests, on time, the assessors can only abate if you show reasonable cause for late filing of the tax is 150% of the amount that would have been assessed if the return had been timely filed. In that case, only the amount over that percentage can be abated.

This information is not a public record.

The update of values and the beginning of a cyclical inspection program required by the Department of Revenue will begin Spring of 2015. We ask your co-operation in this endeavor. A team of inspectors will be in the field and will attempt to view as many parcels as possible. The inspection takes only a few minutes and the data compiled is essential to fair and accurate valuation of property.

Our Principal Assessor Mary Jo LaFreniere has announced that she will retire in April of 2015 after more than ten years of service.

Mrs. Julie Hobson has joined the staff as Administrative Assistant. We welcome Julie and hope she has a good and long association with this office.

The office is open daily Mon. thru Thurs. 8:00 AM to 4:30 PM and from 5:00 PM to 8:00 PM on Monday. If you have any questions you can contact us at: 508-695-3142 exts. 14 & 15.

Regards,

The Board of Assessors

ANNUAL REPORT OF THE FIRE DEPARTMENT

To the Honorable Members of the Board of Selectmen and the Residents of the Town of Plainville: I respectfully submit the following information regarding the activity of the Plainville Fire Department over the past year and our plans moving forward.

Employee Transition:

This has been a big year for transitions within the department. With the departure of Chief Joubert many things occurred. I personally was promoted to Acting Chief in August. I was fortunate enough to be appointed full chief in December. As a result many other transitions were set in motion. First we had to promote both an Acting Deputy Chief and Acting Lieutenant. After a formidable assessment process the Board of Selectmen appointed **Lt. Robert Skinner Jr.** to the position of Acting Deputy Chief and **FF Gregory Smith** to the role of Acting Lieutenant. Stepping into these roles was no easy feat and both have proven their worth under high pressure in emergency situations.

The Plainville Fire Department operates within the Massachusetts Civil Service System. As a result there has to be testing for the full deputy and lieutenant positions. The lieutenant position testing took place in November. We are awaiting results. The Deputy's test is about to occur in March 2014. These tests are extremely difficult often covering eight full sized text books. The effort that has to go into obtaining a high passing score is monumental. I wish all of the members of this department studying and testing for promotion well. As a result of their hard work I look forward to reporting the promotions for these positions in next year's report.

Education and Training

Training continues to be a significant component of the Plainville Fire Department. As in years past, the members of the department have participated in live fire training twice a year at the Barnstable Fire Academy. As part of the transition, I was pleased to hand off the training of our department to **Lt. Richard Ball**. Training is extremely important to me and I enjoy teaching. Passing it off was bittersweet. As expected though **Lt. Ball** has done an excellent job organizing our training and taking it forward. This is one of the special characteristics of Plainville Fire. We never accept the status quo as good enough. We always look for ways to improve. **Lt. Ball** has taken a dynamic training system and built on it. I give him my highest praise for his efforts and commitment to training.

With regards to education, many members continue to take advantage of many opportunities such as college courses, fire academy training and county wide training in areas such as technical rescue. **Lt. Richard Ball** recently completed his Bachelor's degree from Columbia Southern University. **Acting Lt. Greg Smith** and **FF/Paramedic Kevin Laliberte** completed certification as Structural Collapse Technicians.

Public Education and Life Safety

The members of this department continue to place a high value on educating the public. **Lieutenant Thomas Impey** secured funding through a S.A.F.E. grant to continue to bring education to our elementary students. Lt. Impey is assisted by **Lt. Richard Ball** and **FF/Paramedic Kevin Laliberte**. I would also like to give my sincere thanks to the administration and teachers of the Wood and Jackson Schools for their commitment to the education and awareness of fire safety for their students.

We are also fortunate to have received nearly a 3000 dollar grant to start a Senior S.A.F.E. program. This will allow us to reach out and help those high risk seniors with needs. We will be able to provide fire safety education, fall prevention education, smoke and CO detector replacements, improve house number visibility and a host of other items we identify. Protecting seniors is a large part of our mission as they are one of Plainville's most at risk populations. If you or your neighbor needs help please contact the fire department. We are here for you. **FF/Paramedic Kevin Laliberte**, **FF/Paramedic Gregory Priest** and **FF/EMT Christopher Saucier** will be heading up our Senior S.A.F.E program.

Plainville Fire Department Moving Forward

The members of the Plainville Fire Department refuse to stop moving this department forward. Daily members approach me with great ideas to improve the department and the services we provide the public. It is this drive and willingness to constantly want to improve that provides me as a new chief, great confidence that we will move forward together. This department is a great as it is because of the public support and the members who serve here. A chief can have the best plan to move forward. Without the support of the public and the department members who will be conducting the plan, no chief can be successful. It is with great pride that I get to lead such great organization.

During 2014 the residents of Plainville will see the fire department out checking houses and businesses to make sure their street numbers are clearly visible. This is a project that will improve our ability to arrive quickly when seconds matter. We will also be working to build up our Fire Alarm and Fire Prevention divisions. This buildup will work to improve the safety of the public. It will accomplish this by assuring that necessary inspections are complete and helping to assure that fire detection and suppression systems will work as they are suppose to. One very important item going forward will be our attempt to start calling back firefighters to staff the station when the ambulance heads to the hospital. When the ambulance is not on a call we have four firefighters ready to address an emergency. When the ambulance transports a patient to Sturdy Hospital it leaves the town protected by only two firefighters. This isn't a safe situation and our goal is to make sure that if you call 911 with an emergency that four firefighters are available to fight a fire or treat a medical emergency. We will be attempting to do this through funding a callback system where two firefighters are called back for coverage while the ambulance is at the hospital. This will greatly improve the safety of the public and the members of this fire department.

Annual Responses by Type

Plainville Fire Department responded on a total of 2831 requests for service.

- EMS calls are requests for medical aid (1149 Incidents)
- Fire calls include structure fires, car fires, brush fires, and fire alarm activations (402 Incidents)
- Service calls include fire alarm maintenance and inspections (1091 Incidents)
- Hazardous condition calls include fuel leaks, odor investigations, suspicious items (113 Incidents)
- Miscellaneous calls include lifting assists, pre-inspection assistance, public education (76 Incidents)

ANNUAL REPORT OF THE BOARD OF HEALTH

The Board of Health's primary goal is to protect the public health and well being. This responsibility is performed in many ways.

- **Environmental Protection**

Providing a safe and healthy environment by protecting our water, air and other resources from contamination. This includes inspections and permitting of new or repaired private water wells and on-site sanitary sewage systems. The Board of Health office maintains information on the location of septic systems, pumping frequency and the location of water wells. We can also provide information on Title 5 inspections, septic system installers, well drillers and sewage pumpers.

The Health Department received and processed the following applications:

Water Wells	1
On-site Sanitary sewage systems	17 (includes, repair, new & upgrades)
Septic Abandonments for Sewer Connection	9
Percolation Tests Applications	10
Disposal Works Installers License	25
Sewage systems pumper License	24

In addition the Board of Health provides engineering review for projects where storm water may impact the environment. These reviews are to ensure that the public and environmental health is protected against flooding, siltation, storm water contaminants and other drainage issues by performing extensive review of storm water management structures for storms of 1, 2, 10, 50 and 100 year frequency events.

- **Sanitation**

The Board of Health inspects restaurants and seasonal/temporary food purveyors for cleanliness, proper food handling and sanitation at least two times per year. Plans for new and remodeled restaurants and facilities are also reviewed for adherence to, and protection of, public health. The Health Agent will also inspect residential housing in response to complaints and motels, tanning, public swimming pools, Town Park and recreational facilities for compliance with health codes and investigation of complaints.

The following licenses were issued in 2014:

Food, Retail & Mobile Establishments	79
General (public pools, camps)	8
Trailer Parks & Motels	5
Rubbish Haulers	50

- **Animal Programs**

The Board sponsors rabies clinics in cooperation with the Fire Department, Town Clerks office and Dewitt Animal Hospital. In 2014, 100 rabies vaccines were given at the clinic, 67 dogs & 33 cats. Management of livestock inspections and coordination with regional mosquito control efforts are also completed. In 2014, 42 barns were inspected resulting in a count of 641 farm animals in the town.

- **Emergency Preparedness Plans**

The Board of Health is responsible for implementing Emergency Operations Plans which are activated in any emergency requiring medical and public health response to: Infectious Disease Outbreaks, Public Health Emergencies, Biological Incidents/Bioterrorism, Chemical or Radiological

Incidents/Terrorism, Natural Disasters. The Board of Health also works with various other town and county departments planning for and dealing with emergencies and or disasters. Plainville is also active in the Medical Reserve Corps and continues to recruit and train volunteers so that they will be ready to assist in the event of an emergency. The Town of Plainville is also represented on the executive board of the Bristol County Public Health Preparedness Coalition, which allows the Town to give consideration on how money is spent on emergency preparedness for the region.

- **Health-care Services -** Annual Report from HealthCare Options, Inc.
Health Care Options, an affiliate of Community Visiting Nurses Association, provides Public Health Nursing services to the Town of Plainville, through a contractual agreement with the Board of Health. A wide range of Public Health Services is available to the residents of Plainville by contacting Public Health Nurse Maureen Cardarelli, RN at Health Care Options, or the Board of Health.

Immunizations – 22 total immunizations, including 17 flu vaccines.

Adult and childhood immunizations are available by appointment by calling Maureen Cardarelli, RN at 508-222-0118 x1367.

Mantoux Testing – None requested.

Mantoux testing with MDPH supplied PPD is restricted to testing high risk individuals only. Mantoux testing requires two visits, one to implant the test and the second visit to read and evaluate the test results. All positive tests are referred to a physician or public TB clinic for evaluation.

Lead Level Screening – None requested.

Lead level screening is available to children when required for school admission, or upon request.

Cholesterol, Blood Pressure, and Blood Sugar – 9 Chol, 103 BP, 49 BS screenings

Health Promotion screening for Total Cholesterol, Blood Pressure, and Blood Sugar are provided twice a year. Blood Pressure and Blood sugar screenings are provided monthly. Referral to primary care physician is made for results outside of the normal range.

Communicable Disease Investigation – 49 investigations

Investigation, follow up and filing of MDPH reports is completed on all Communicable Disease reports received. This entails the investigation of each report, implementation of any mandated control measures, and filing a final report with MDPH. Guidance is available to school nurses and physicians offices regarding interpretation and implementation of quarantine and isolation regulations and mandated control issues.

Latent TB infection – 0 follow up of reported LTBI cases

LTBI (Latent TB Infection) is now reportable, and therefore requires a report to MDPH. When a positive TB test is reported, referral is made to an MDPH TB clinic for CXR and evaluation, if this has not already been done. Once active TB is ruled out, and diagnosis of LTBI made, follow up is provided to those who are being treated prophylactically at the clinic or with a private physician, in order to encourage and document completion of therapy.

Maternal Child Health – None requested.

Upon referral from a hospital, physician's office, or by family request, contact can be made to families of newborns. Education, support, and assessment of needs are provided. A home visit can be provided if requested/needed.

Vaccine Depot Services

Vaccine services included the safe storage and management of vaccines and MDPH educational materials and guidelines. It also includes the tracking of vaccines and all paperwork associated with the MDPH Vaccine Program, and resource information and education to providers.

Public Health Resource – information regarding communicable disease, infection control, health promotion, and immunizations is available to school nurses, residents, and medical providers. Resource information, guidance, and support are provided to school nurses to assist in the interpretation and implementation of public health requirements and standards within the schools.

Free Care is available on a limited basis to those Plainville residents requiring skilled nursing services, but having no insurance and the inability to privately pay.

Community VNA Public Health Nursing has been providing quality Public Health Nursing services to the residents of Plainville for many years, and looks forward to continuing to serve the residents of Plainville.

- **Trash & Recycling Programs**

The Board of Health manages the community trash and recycling programs including the operation of a recycling center located at the Department at the Public Works garage facility. The solid waste / recycling program had 1,826 participants in 2014. In addition to weekly curbside pick-up, the Board of Health, with the assistance of the Highway Department, also has the drop off services available at the highway garage for the following materials: metal, leaf and yard waste, TV's & monitors, electronics, tires, batteries, fluorescent bulbs, propane tanks, books, paper and cardboard. The Board also organizes periodic Household Hazardous Waste Collection days to provide residential drop off for the proper disposal of toxic materials.

In 2014, 1,332 tons of trash and 690 tons of recyclables were collected curbside. This represents a recycling rate of 34%. In addition, the following materials were diverted from landfills and incinerators to be recycled:

14 tons	of scrap metal
30 tons	of books, paper & cardboard
110	tires
49	propane tanks
12 tons	CRT's (TV's and monitors)
4,600 feet	fluorescent lamps/bulbs
362 tons	compost (brush, leaves, branches)

The Board also reviews the post closure documentation regarding the former Laidlaw and Cowell Street landfills and provides periodic inspections of the site conditions and maintenance.

The Plainville Board of Health Facebook page is continuously updated to keep residents up to date on important food related recalls, trash and recycling information and other Board of Health activities.

In 2014, the Board of Health reviewed its regulations and re-wrote three. The updated Tobacco and Youth Possession regulations now include the use of electronic cigarettes, the banning of blunt wraps and the sale of single cigars that are priced under \$2.50. The Board of Health office also updated the Wastewater Disposal Systems regulation.

ANNUAL REPORT OF THE HIGHWAY DEPARTMENT

From July 1,2013 to June 30,2014

To Plainville's Honorable Board of Selectmen:

I am pleased to report that the Highway Department has finished another successful year of service to our community and I hereby respectfully submit this Annual Report.

➤ **Street Maintenance**

All sidewalks and streets were swept at least once while others were swept several times. All street lines, symbols, crosswalks, parking lines, words and arrows were painted. All street, warning and regulatory signs were checked and repaired or replaced as needed. Holes and winter storm damage to our roads were fixed. Mowing was done in season. Cutting of brush at the roads edge and intersections was done as needed.

➤ **Resurfacing of Streets**

South Street was milled and overlaid with asphalt at a cost of \$ 300,551.02 from the Chapter 90 account. Wampum Street was also overlaid using Chapter 90 funds of \$4,138.50 and a special account called WRRRP of \$40,839. Also overlaid with Chapter 90 money were Bow, Berry and part of Grove Streets and Hillside Road at a cost of \$243, 617.61

➤ **Street Drainage**

Any catch basin in need of repair was either fixed or replaced. All Town owned catch basins were cleaned and their covers kept clear of debris throughout the year. The drain line on West Bacon Street was extended by about 600' to help solve a winter ice problem.

➤ **Snow Removal**

Snow plowing and sanding was done as needed. The winter of 13-14 was one of the snowiest seasons that we have had in many years. The winter cost about \$351,869. which \$52,000. was budgeted for and the remained was deficit spent.

➤ **New Equipment**

With the use of Chapter 90 money, the Town purchased a small front-end loader for \$73,883.50. The Town at Town Meeting authorized the purchase a flail mowing attachment at a cost of \$18,625.50

➤ **Status of Accounts**

The Highway budget with both salaries and expenses, ended with \$5,708.

In closing, I want to thank the members of the Highway Department for, without their devotion throughout this year, we wouldn't have been able to complete the tasks needed, and thanks to all the Town's Departments, Boards, Committees and citizens for their support.

Respectfully submitted,

Calvin Hall
Supt. of Streets

ANNUAL REPORT OF THE HISTORICAL COMMISSION

The Annual Report of the town of Plainville Historical Commission for the year ending June 30, 2014, is hereby respectfully submitted.

The members of all historical commissions are appointed by the Board of Selectmen. We are governed by Chapter 40; Section 8D of the Massachusetts General Laws of the historical commission for the identification, preservation, protection and development of the historical or archaeological assets of a city or town.

Our meetings are held at the HUMPHREY HOUSE 136 South Street, every third Wednesday of the month 7 p.m. - 9 p.m., (located next to the town offices). We welcome anyone of age to attend a meeting, which is open to the public. Knowledge of the history of Plainville is not necessary. We welcome you to be involved in learning the history of our town through our volunteer commission.

Our web site, is well accepted by all ages, we've receive both questions and information about the pictures. Email's, reminiscing about a special photo they found on the site, this interaction helps us fill in 'blanks' about the subject of a picture, as we receive many photos are not dated nor named. Our meetings require research to complete final substance.

This year was filled with research, assisting Mr. Kenney's family with history and 'timeline' of the old Falk & Henrich Market through its demise, with pictures and bygone history throughout the years. With much interest, he has passed along to us information we did not know. We thank you Jeff and Patrick.

ANNUAL REPORT OF THE LAND USE COORDINATOR

The Plainville Land Use Coordinator is appointed by the Board of Selectmen, and reports to the Town Administrator. This part time position was initiated from funding left from the former, full time Town Planner position (which reported solely to the Planning Board) in an effort to provide professional staffing for both the Planning Board and Zoning Board of Appeals. In addition, the Coordinator helps to streamline permitting between all municipal departments for larger developments where approvals from multiple boards are required. The position is staffed by a licensed professional civil engineer, who can also provide technical assistance to departments as requested. The Coordinator assists proponents in guiding them through the complex, and sometime conflicting, regulations between town boards, and helps ensure that the final permits issued adequately protect the Town's needs and interests. The Coordinator also works closely with Plainville residents to assist them with the filing and completion of local permits necessary to construct home additions and improvements. The office has access to many resources that can often help to reduce homeowner and business expenses in obtaining permits, and encourages all people involved in land development to contact the office as early as possible in the design process to help expedite the permitting.

During this year the Coordinator has:

- Provided technical expertise and staffing to both the Planning Board and Zoning Board of Appeals
- Assisted the Board of Health with project reviews and new regulation implementation.
- Assisted the Conservation Commission with project reviews.
- Assisted with MS4 stormwater compliance.
- Coordinated with the Water & Sewer Commission on water issues related to development and long term water resource protection.
- Updated the Zoning and Groundwater Protection maps to add lot parcel information for clarity of use, reduce split lot zoning and to enhance compliance with DEP groundwater protection standards.
- Assisted the Planning Board with zoning updates for Town Meeting.
- Assisted the Board of Assessors with on-line GIS implementation.
- Met with developers and homeowners to assist with permitting and discuss development options and requirements.
- Encouraged appropriate development in Commercial and Industrial districts and acted as an advocate for the Town to help enhance non-residential tax revenue.

The concept of land development coordination has proven to be an extremely effective way to allow developers and town boards to work together to enhance the final built environment of the Town of Plainville, and the Coordinator thanks all of the elected and appointed officials, Town staff and residents who have helped make this process work so well during the past year.

PARK DIRECTOR

Maureen Dunfey

FY '14 BUDGET: \$ 3,500.00
EXPENDED \$3,483.55

A group of local residents have formed a "Friends of the Park". The group will be responsible for fund raising for the Park, Pool and Ball Fields. The group will become a 5013C so that people that donate will be eligible to receive a tax deduction for their donation. The "Friends" have already received a very generous donation from a local resident that will enable us to build a new small sided soccer field at Field of Dreams. The project will go out to bid in late June with the hope that the project will be completed by the fall of 2014. The Park Department would like to thank everyone involved in organizing this group. Together we hope that we can make improvements to the park, pool and ball fields.

FY '14 Adult and Children's Programs:

Six to Twelve Year Old Summer Recreation Program – 333
Swim lessons – 138
Pool Attendance – 4,758

ANNUAL REPORT OF THE PLAINVILLE PUBLIC LIBRARY

FISCAL YEAR 2014

Vision Statement

The Plainville Public Library will be an essential public asset for the informational and recreational needs for the townspeople of Plainville, which will exceed their expectations in every way. The library will enrich, empower, and educate our community in varied and suitable formats in an environment that is welcoming, clean, safe, comfortable and user-friendly.

Mission Statement

To provide the greatest possible access to the widest range of resources for all the residents of Plainville; to satisfy the diverse reading needs and interests of the community; to promote reading and literacy; to foster learning and lifelong education; to encourage the natural inquisitiveness of each individual; and to treat each person with dignity and respect.

Services

The Plainville Public Library continues to be an extremely busy place. We circulated 78,740 items this year. That averages out to 9.3 books, movies, books on tape, cds, cd-roms or DVDs circulated for each person who lives in Plainville. The Town of Plainville expends just .49% of the total town budget on the library or \$20.75 per resident for library services [based on FY12 data]. For each dollar the town invests in the library, the residents of Plainville receive over \$29 worth of services. Which means the return on the investment in the public library is over 29 times the cost. We feature downloadable music and books, available through our Overdrive collection, as well as ebooks solely for the use of Plainville Public Library card holders through our Overdrive Advantage program. DVDs and Books on CD for adults and children were all added as we continue to see an increase in usage for not just information but for family entertainment as well. Aside from our own collection you see below, all of our customers were able to borrow materials from any of the 45 SAILS network libraries' one million items. People are finding what they want and need and are getting in the habit of asking for it from other libraries as we saw over 33,000 items circulate to and from our library for our customers.

Our customers also have access to the Virtual Catalog, a statewide resource for borrowing books from libraries across the state, and databases of periodical articles from home or work all day, every day. All of these great services can be found with your library card and pin number at our catalog.

The active Plainville Public Library web site, located at www.plainvillepubliclibrary.org was completely redesigned this year. This year we had more than a 480,000 hits on our web site. The library has content on our website including interactive library calendar, museum pass booking, Zinio digital magazines, eBooks, BookLetters and A to Z Maps online. We encourage our customers to download library apps on their devices including Overdrive (ebooks), Zinio (magazines), Access My Library (journals and newspapers) and BookMyne (library catalog) for instant access to library materials. The library maintains a social media presence with Twitter, Facebook and Pinterest.

The Plainville Public Library has 4 public use computers. We average 40 people a week, who use our four public internet and word processing computers within the library to check email, investigate products, search for jobs, and more. Many more use our Comcast provided wifi with their own devices to complete their tasks. Wifi is available from our picnic table and benches outside the library.

Additional services available include home delivery of books to Seniors, and deposit collections for classrooms. We support our community by being a location to drop off food for the Plainville Food Pantry, Box Tops for the PTO, Toys for Tots, and the Coats for Kids Drive with the Lions Club.

The Plainville Library was awarded a grant in the amount of \$7500 from the Institute of Library and Museum services through the Massachusetts Board of Library Commissioners for "Customer Service in the Digital Age." With the explosion of digital library resources and the use of ereaders, the Plainville Public Library staff is playing catch up in terms of training to better serve their customers as they add digital resources. The library created a more vibrant online presence with a new website and social media aspects. The library added wifi/mobile printing to our public services. The library offered multiple workshops to teach people how to use various devices to access our digital materials. Workshop attendees embraced the technology in their hands and were excited to checkout eBooks. Most importantly, they were able to go home and continue their learned behavior judging by the 63% increase in the circulation of eBooks.

Programming

The Library sponsored 192 children's programs for all ages. Over 3,200 parents and children attended these events. These included weekly story-times, Tina the Therapy Dog, Teddy Bear Picnic, free movies, Crafternoons, Mother Goose on the Loose for 0-2 year olds, search and find contests and vacation programs. The Statewide Summer Reading program featured the Fizz, Boom, Read! campaign.

Our family programming continues to be popular including, Mini Golf, Credit Workshops, the Annual Scavenger Hunt, and Adult & Teen Summer Reading Rewards. We hosted 53 family and adult events, which attracted 370 people. We hosted two local artist workshops and Magician Scott Jameson in conjunction with the Plainville cultural Council.

We took part in the annual Book Blast at the Emerald Square Mall, as well as the Lions Club Fall Festival. The library director is running a Senior book discussion group at the senior center, and she visited the senior computer class to discuss library services online. We collected over 90 toys for Toys for Tots.

Building & Grounds

Our flower barrel was planted and maintained this year by the Milne Family. The library building continues to grow older and need more care. This year we fixed 4 roof leaks and a leaky kitchen sink. The parking lot was resealed.

Recognition

The Plainville Public Library would like to thank the Friends of the Plainville Public Library, Inc. for purchasing the passes to the Southwick's Zoo, Mystic Aquarium, Mystic Seaport, Roger Williams Zoo, Easton Children's Museum, Providence Children's Museum, Boston Children's Museum, Butterfly

Place, and the Museum of Science. They also sponsor 4 magazine subscriptions, and many programs at the library. They were awarded a grant in the amount of \$1500 from Mansfield Bank to purchase various internet capable tablets for hands on learning at the library for our customers to see how eBooks work on various devices. Their dedication to the library and in providing services we might not otherwise have is much appreciated.

Thank you to all of the persons who have given donations in honor of a loved one this year. We had 23 volunteers donate a total of 261 hours to the library this year, many of those hours going towards requirements for volunteer hours for high school students. We also had numerous donations of books for the Friends of the Library book sale. Without the generous support of the citizens of Plainville the Library would not be as nice a place as it is now. Thank you to the Trustees of the Plainville Public Library; Linda Lyon, Paula Mealy and Sherrill Minch for their dedicated hard work to making sure the library is a welcoming, friendly, and resourceful place for everyone in the Town of Plainville.

Your Plainville Public Library is a Fiscal Year 2014 State of Massachusetts certified public library as certified by the Massachusetts Board of Library Commissioners in accordance with Massachusetts General Law Chapter 78, Section 19B. The Massachusetts Board of Library Commissioners approved our petition for a Waiver of the FY2014 Municipal Appropriation Requirement based on the fact that the overall town budget and the library budget was increased. While it was not a big enough increase to cover the full mandated Municipal Appropriation amount, the library budget was not disproportional to overall town budget. This ensures we receive our State Aid amounting to \$9,812 in Fiscal Year 2014, are eligible to apply for state and federal grants, and our customers can borrow items freely from any library in Massachusetts as members in good standing with the SAILS Library Network and the Massachusetts Regional Library System.

ANNUAL REPORT OF THE PLANNING BOARD

The Town of Plainville has an experienced and knowledgeable five member elected Planning Board and staff in the Planning Office of Town Hall. The Planning Board generally meets the first and third Monday of every month at 7:00 PM on the lower level of the Senior Center. The general public is invited and encouraged to attend any and all Planning Board meetings.

The Town of Plainville's Planning Board is charged with administering the State's Subdivision Control Law and the local subdivision rules and regulations. The Board is also the permitting authority for Site Plan and Special Permit applications under the local Zoning By-Laws. The Planning Board makes recommendations on Zoning By-Law amendments for approval at Town Meeting, and may at its own discretion adopt or change subdivision regulations.

Nine zoning articles were submitted for the 2014 annual Town Meeting, all of which were approved. The articles included:

- Updating the zoning map to add parcel information so that it can be more clearly interpreted, and removing may lots from split zoning in areas where the mapping was unclear;
- Streamlining, updating and consolidating the permitting in the groundwater protection districts;
- Updating the groundwater protection district mapping to reflect the current DEP boundaries, and to add parcel information for clarity;
- Clarifying bylaw language requiring 80% upland area for residential lots to help protect residential areas of Town;
- Adding regulatory language regarding medical marijuana dispensaries;
- Clarifying sign regulations in the CD zoning district; and
- Revising flood zone bylaws to conform with updated FEMA flood maps.

These new bylaws reflect the Board's desire to help streamline permitting while still providing excellent protection to the Town's natural resources. The Board appreciates the Town Meeting's support in implementing these changes, protecting the environment and removing duplicate regulations.

The Planning Board reviewed the creation and construction of new residential and commercial projects. Based on these developments, the Planning Department has collected \$24,471.60 in application fees during Fiscal Year 2014. The Planning Board receives assistance in reviewing and approving permits from a professional engineering firm, whose services are paid for by the applicants.

A bond is required to ensure satisfactory completion on most subdivision development and special permit projects. These funds are utilized by the Town in the event the developer defaults on the project. The bond provides security and a guarantee to the Town that the proposed plans are completed as approved. We are presently maintaining in excess of \$1,200,000.00 in bonds.

The Planning Board and its staff also work to provide assistance to property owners to guide them through the permitting process and assist them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal. The Board encourages any land owners to contact their office early in the development process. This helps avoid long and costly plan revisions during the design review, and helps streamline permitting. The Board and staff work closely with potential commercial developers to encourage appropriate development in Town to enhance revenue growth.

The Planning Office receives technical assistance from the Southeastern Regional Planning and Economic District, which serves as a valuable resource. SRPEDD is currently assisting the Town with a re-design of the Route 152 corridor near Route 106, in conjunction with the Town of North Attleboro.

The Planning Board works in cooperation with the Plainville Land Use Coordinator to coordinate with the Board of Health, Conservation Commission, Building Inspector and the Zoning Board of Appeals to provide a comprehensive, streamlined review on proposals that impact multiple boards.

The Board has primarily been occupied with large and complex commercial development this year, having permitted an expansion of the Plainridge Racecourse for the state's first slot parlor license, a large 120,300 sf. retail complex at 101 Madison Street, and numerous smaller commercial developments. Residential development has included several "Form A" lots, condominiums at Eagles Landing, and single family homes at Saddlebrook Estates, along with on-going construction review of previously permitted projects. The Town continues to be attractive for both commercial and residential development, and the Board will continue to assure that such development is appropriately designed.

All applications received and reviewed by the Planning Board are on file with the Office of the Town Clerk and in the Planning Office.

The Planning Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

Christopher Yarworth

ANNUAL REPORT OF THE TAX COLLECTOR

Fiscal Year 2014

During fiscal year 2014, the Tax Collector's office collected Real Estate Taxes which totaled \$16,389,526.56, Personal Property Taxes which totaled \$1,119,462.66, Motor Vehicle Excise Taxes which totaled \$1,170,944.19 and various other fees and interest for a grand total of \$18,943,313.81. We processed 3,625 real estate and personal property bills and more than 10,000 motor vehicle bills. In addition, we collected and processed \$564,562.59 from fees generated by the various offices in Town Hall.

The Quarterly Real Estate and Personal Property Tax Billing System has been in place for four years and has been well received by most taxpayers. The Quarterly System defines four specific due dates, making it easier for taxpayers to budget payments. Payments are due each year on the first days of August, November, February and May. The bill for quarters 1 and 2 was mailed on June 30, 2013 and the bill for quarters 3 and 4 was mailed on December 31, 2013. It is important to remember that the quarterly system was instituted to smooth out vagaries in the town's cash flow to insure that no cash shortfalls would occur during any given year. That goal has been achieved.

During the course of the year, we instituted an online bill paying service that was well received by numerous taxpayers. The system currently accepts payments for real estate, personal property and motor vehicle excise taxes as well as Trash bills and Water/Sewer bills. The online payment option is offered by our software provider, City Hall Systems, and can be accessed at their website, epay.cityhallsystems.com. There are two payment options, by an EFT or by credit card. There are costs associated with both which are clearly stated on the website. The costs are borne by the tax payer.

Please feel free to come in and share any concerns or problems you may have. I may be able to offer some advice on how to set up payment plans, explain your tax bill or help in other ways. I feel privileged to serve the taxpayers of the Town of Plainville and sincerely hope that people realize that I am here to help solve problems as well as to collect taxes. Finally, I would like to thank the dedicated staff members who worked tirelessly this year in the Collector's office, the Departmental Assistant, Kathy Tomes and our Senior Accounting Clerk, Julie Hobson. The town is very lucky to have them.

ANNUAL REPORT OF THE TOWN TREASURER

Fiscal Year 2014

The primary function of the Town Treasurer is to manage the town's cash flow and to safeguard all government funds. The Treasurer takes custody of all monies paid to the town and disburses all funds authorized on a weekly basis by the Board of Selectmen and the Town Accountant. In addition, the Treasurer issues all permanent and short-term debt, administers the payroll for town employees and the payroll withholdings for town and school employees, files all federal and state tax returns as well as yearly reports required by the Commonwealth's Department of Revenue. The Treasurer develops statistics for analysis and presentation in the town's Annual Report which is filed annually pursuant to the Securities and Exchange Commission Rule 15c2-12. This report, which is available in the Treasurer's office, is an in-depth look at the town's financial position and its operating procedures. It is meant to be used by any person who may be interested in purchasing bonds issued by the town.

During fiscal year 2014, we processed a total of \$35,264,770.77 in receipts, processed Treasury Warrants totaling \$34,279,980.40, issued payroll checks to town-side employees totaling \$5,552,112.61, and administered payroll withholdings for town and school employees in the amount of \$3,843,781.79. All transactions in the Treasurer's office as well as the other offices in the town are audited on an annual basis by the firm R .E. Brown and Company. The audit is available for review in the Town Hall.

There were no long-term debt issues during Fiscal Year 2014. However, a short-term Bond Anticipation Note was issued on behalf of the Sewer Department in the amount of \$225,000.00. The note was purchased by Eastern Bank for one year at a rate of .55% and will fund the Sewer Infiltration/Inflow Program as voted at the June 2013 Annual Town Meeting. This note will become a permanent issue during Fiscal Year 2015.

Thank you for your continued support, I appreciate the opportunity to serve the citizens of Plainville. Finally to Kathy Tomes, thank you for all your hard work and loyalty. The taxpayers of Plainville are lucky to have you.

Operational expense budgets of the two divisions of the Water & Sewer Department were approved at the June 2013 annual town meeting at the following levels : \$592,154.00 for Sewer and \$884,433.00 for Water. The revenue generated by both divisions during the fiscal year were adequate to fund the expenses of the department as appropriated, as well as the debt payments for the divisions. The accounting of the two divisions is identified in the reports of the Plainville Town Accountant and the Plainville Tax Collector / Treasurer.

The water and sewer divisions assess charges for use of the utilities in two ways; the SEWER Use Charge is \$6.60 per 1000 gallons of water consumed as measured by the water meter and the Water Use Charge is \$6.00 per 1000 gallons as measured. The Department charges "Capitol Fees" that are used to provide payments of the debt (borrowed dollars); appropriated and incurred to fund larger scale projects that require long term financial payments by the divisions. These "Cap Fees" are assessed on a dwelling unit equivalent: (a) to Water customers at \$138.00 per year, and to (b) Sewer customers at \$99.80 per year.

General information for Sewer Service: Plainville has an Inter-Municipal Agreement with North Attleboro that allows Plainville to contribute 23.5% of the available design flow / treatment capacity at the North Attleboro advanced Wastewater Treatment Facility. Basically Plainville has agreed to pay 23.5% of all expenses incurred to operate and maintain the facility and that entitles us to an average daily flow of 1.06 million gallons of sewage per day (760,000 gallons per day and 330,000 gallons per day). The flows can only be generated from within the Plainville town bounds and can only be generated in those areas having been so determined as needing centralized collection by numerous engineering reviews and studies known as "Sewer Facilities Plans and Updates" originating in 1978 and updated in 1985 and in 2003. There are two connection points that deliver sewer from Plainville to North Attleboro, one is located at Cooney Ave. at Moran Street (760,000 gpd) where the flows from the west side of Plainville are generated and at Taunton Street near Kelley Boulevard (330,000 gpd) where flows from the East side of Plainville are metered and recorded).

During the fiscal period of July 1, 2013 through June 30, 2014 the Department provided all the necessary and usual functions related to the safe, secure and sanitary operations of the Departments. Drinking water is produced from a series of wells in three different locations and treatment centers. The main supply is the Turnpike Lake Well Water Treatment Plant, our main operational center at 171 East Bacon Street. At this location there are 5 wells ranging in depth from 35' deep to 55' deep. These wells are capable of pumping 1,000,000 gallons per day, but due to Mass DEP regulations known as the Water Management Act, we are allowed to only pump 390,000 gallons per day. This is called Raw Water, which is pumped to an iron and manganese filter system for removal of the iron and manganese; is treated to increase the pH of the water from its' raw state of 5.8 to 7.8 in order to maintain better corrosive characteristics of the water before the water is chlorinated to assure disinfection and the final treatment before the water enters the distribution system is a second disinfection process using Ultra Violet Light. Sampling of the Raw Water produced by these wells is done twice monthly for bacteria and the raw water is tested at least twice monthly. Requirements set by the Federal EPA and Mass DEP require only that sampling be performed once monthly. We routinely monitor the groundwater levels daily at each well site and meter the raw water pumped and finished water provided to the water distribution system daily. There are three wells located at the Lake Mirimichi Well Pumping Station located off Messenger Street . These wells range in depth from 28 feet to 34 feet deep. These wells are capable of producing 290,000 gallons per day but again due to Mass DEP Water Management regulations we are authorized to use these wells in conjunction with the Turnpike Wells and the combination of pumping from both well fields together cannot exceed our 390,000 gallon per day volume. Raw water at this Mirimichi location is minimally treated using oxidation through an "air stripper tower" which was made part of the treatment facility built in 2003, in consideration of any possible future groundwater conditions resulting from various land uses to the north and west of this location. The water is also treated with chlorine for disinfection assurance purpose and the pH is adjusted also. The third pumping facility is located at the rear of the Plainville Highway Department garage and office at West Bacon Street. There are three wells located there and the wells are capable of providing 750,000 gallons per day. Mass DEP Water Management regulations authorize the withdrawal of only 290,000 gallons per day. This water is pumped to a water treatment plant in North Attleboro at Whiting Street where it is treated similarly to our treatment centers in Plainville. This water is pumped into the North Attleboro distribution system where we have an interconnection and a relay booster station where we pump treated water from North Attleboro back into our distribution system. The amount of raw water pumped to North Attleboro is the same as or as close as possible to, the amount of water returned to Plainville as finished or treated water.

There are routine monthly water distribution samples taken from various approved sampling sites and the water storage tanks of the department. These Mass DEP approved and mandated sites are sampled at least once per month each and normally twice per month. The department has always looked to keep the water safe and we feel that over sampling is a very good and effective tool to do so. Results of all sampling is required to be reported to Mass DEP monthly within ten days of receiving the sample results from the certified private laboratory we utilize and we are mandated to notify the public of any failure to provide water that does not meet the water quality standards for disinfection purposes. Furthermore we are required to notify the public of any of failure to meet these basic disinfection standards 24 to 48 hours of a confirmed violation of the standards, and to take required action necessary to return the quality of the water back to non-violation compliance standards. There are samplings scattered throughout both the raw water supply system and the treated water distribution system during the year at specific times of the year. Any of the samplings that fail to meet the water quality standards established by the Federal EPA and or the MassDEP are required to be published in an effort to notify the consumers of water supplied by this department in order to maintain the health of our customers and others that may use the water from our system. Annually, before July 1 of each year we are required to provide what is called a Consumer Confidence Report (CCR) also called a Water Quality Report, explaining the past year's samplings and findings of the quality of the water provided for human use and consumption. We typically do this during the last week of June of each calendar year by placing the report in the local newspaper and having copies available for pick up at Town Hall the public library and at our office, and also having the report posted on the town's web site. A copy must

also be submitted to Mass DEP and the Mass Department of Public Health and the local Board of Health.

Other activities of the Water and Sewer Department are routinely and regularly carried out during the year which include; recording and inspectional services of all new installations and renovations or upgrades to both water and sewer components of the systems , as well as the proper repair of leaks and damages to the systems, inspection and maintenance of 650 fire hydrants and associated isolating control valves, maintenance of 960 main line gate valves, maintenance of 21 buildings or wellheads of the Water and Sewer Department including lawn maintenance and snow plowing and snow removal of these facilities, (2 of the 4 Water and Sewer Department employees also are utilized regularly to assist the Plainville Highway Department with snow plowing operations throughout the winter months typically after normal working hours and if required, during regular hours), maintenance and calibration of the water quality monitoring equipment used at all facilities, maintenance and calibration of all chemical feed equipment used in both the daily water operations and sewer pumping facilities which includes Saturday and Sunday work shifts, maintaining four sewer booster pumping stations and 9 miles of sewer mains with 650 manholes, installation of water meters as it becomes necessary to repair or replace meters and or remote reading devices, the reading of meters quarterly for the majority of the residential users in the system and monthly for the larger commercial users. The department also prepares and issues approximately 11,000 bills each year and provides payment and collection services and the associated reports to the local tax collector and accountant, (note that during the year 2014 the online or electronic ability to have customers pay bills was set utilizing the same company that is utilized for other town services such as property taxes etc.).

During 2014 the water meter upgrading project was completed with the exception of 170 metered locations that have been inaccessible or have service entry pipe characteristics that need to be addressed in a manner that was not covered within the contracts for the project; therefore in house staff will now be assigned the tasks necessary to complete the upgrades at those locations. The Sewer System was increased by 35 services being connected during the fiscal year, two of which were at the Edgewood Apartments on Taunton Street. Two projects for new construction were approved by the Board, the first being the project known as "101 Madison Street", a 150,000 square foot commercial complex located near the Wrentham town line on Route One; the second being a 15 lot housing subdivision project known as "Saddlebrook Estates", located off High Street between Walnut and Paddock Drive. During FY 2013 the last details of financing for the Wastewater Treatment Facility upgrade(s) at the North Attleboro Wastewater Treatment Plant was finalized. The results are a zero percent loan for the cost of the construction which directly benefits both communities; Plainville and North Attleboro. This came after the adoption of a "Neutral Growth By-Law", required by the Massachusetts DEP and others involved in the Massachusetts State Revolving Loan program.

The Water and Sewer Departments are and have been very busy with all of these activities and we attempt to do the very best job to protect and properly maintain all of the systems assets as well as continually adhering to all the various and wide reaching rules and regulations of the agencies which govern these proper operations. I believe we do a very good job and I am proud to report as such.

I wish to thank the Board of Water and Sewer Commissioners, the employees and the varied outside consultants and contractors providing service to the Water and Sewer Departments throughout the year. A special note of thanks goes to the Plainville Fire Department, for their continued work shoveling fire hydrants after each snow storm, this makes the community better prepared during any potential emergency situation requiring the use of the hydrants.

Respectfully Yours,

James R. Marshall, Superintendent

ANNUAL REPORT OF THE ZONING BOARD OF APPEALS

The Zoning Board of Appeals is an appointed board comprised of 5 members and three alternate members. The Board is assisted in its work by the Plainville Land Use Coordinator, and secretary Cheryl Smith. The Board generally meets the third Tuesday of every month at 7:30 PM on the lower level of the Senior Center. The general public is invited and encouraged to attend any and all Zoning Board meetings.

The Town of Plainville's Zoning Board of Appeals is charged with administering appeals, variances, exceptions and special permits as required under the Plainville Zoning Bylaws. The Board also acts on appeals of Building Inspector decisions, and on comprehensive permits filed under M.G.L. Chapter 40B.

During the year, the Board reviewed multiple commercial properties, including a large 120,300 sf. retail complex at 101 Madison Street, and numerous smaller commercial developments. In addition, the Board issued many permits to homeowners who were upgrading their homes on non-conforming and undersized lots. The Board and staff work closely with homeowners to encourage appropriate development in Town while protecting the interests of existing neighborhoods. The Board provides assistance to property owners and helps guide them through the permitting process and assist them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal. The Board encourages land owners to contact their office early in the development process.

In preparation for the 2014 Annual Town Meeting, the Zoning Board worked in conjunction with Planning Board and the Land Use Coordinator to help streamline permitting and reduce duplication in the Town's bylaws pertaining to groundwater protection. The Board voted to switch review of many special permits to the Planning Board. Projects that previously required permits from both Boards now only require one filing. The new bylaws reflect the Board's desire to help streamline permitting while still providing excellent protection to the Town's natural resources. The Board appreciates the Town Meeting's support in implementing these changes that protect the environment and remove duplicate regulations.

The Zoning Board works in cooperation with the Plainville Land Use Coordinator to coordinate with the Board of Health, Conservation Commission, Building Inspector and the Planning Board to provide a comprehensive review on proposals that impact multiple boards.

The Zoning Board has collected \$20,300.00 in application fees during Fiscal Year 2014. The Board also receives assistance in reviewing and approving permits from a professional engineering firm, whose services are paid for by the applicants.

All applications received and reviewed by the Zoning Board are on file with the Office of the Town Clerk and in the Planning Office.

The Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

Respectfully submitted,

Christopher Yarworth

TO THE

TOWN OF PLAINVILLE

ANNUAL REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT PLAINVILLE

NCMCD operations apply an Integrated Pest Management (IPM) approach to mosquito control that is rational, environmentally sensitive, and cost effective.

Surveillance

We are engaged in an intensive monitoring process through weekly field collections and data analysis in collaboration with the Massachusetts Department of Public Health (MDPH) to detect for disease-vectoring mosquitoes. Virus isolations assist us in focusing our surveillance to hot zones thereby allowing us to alert nearby towns of a potential epidemic.

Virus Isolations in the town: no isolates in town in 2014
Requests for service: 52

Water Management

Communication with residents and town/state/federal officials, site visits, monitoring, wildlife management, and land surveys while maintaining regulatory compliance is integral to the management of waterways that may contribute to mosquito breeding. Pre- to post-management documentation allows us to assess the efficacy of our work.

Culverts cleared	7 culverts
Drainage ditches checked/hand cleaned	3,900feet
Intensive hand clean/brushing*	0
Mechanical water management	0
Tires collected	0

** Combination of brush cutting and clearing of severely degraded drainage systems or streams by hand.*

Larval Control

When mosquito larval habitat management is not possible, larval mosquito abatement is the most environmentally friendly and effective method of disease control. An intensive monitoring program, aides in our decision to effectively target culprit locations.

Spring aerial larvicide applications (April)	212.1 acres
Summer aerial larvicide applications (May – August)	0 acres
Larval control - briquette & granular applications by hand	10 acres
Rain basin treatments – briquettes by hand (West Nile virus control)	418 basins
Abandoned/unopened pool or other manmade structures treated	0 briquets

Adult Control

Adult mosquito control is necessary when public health and/or quality of life is threatened either by disease agents, overwhelming populations, or both. Our rigorous surveillance program, along with service request data and state of the art GPS and computer equipment, allows us to focus our treatments to targeted areas.

Adult aerosol ultra low volume (ULV) applications from trucks	1,382 acres

**Norfolk County Registry of Deeds
2014 Annual Report to the Town of Plainville
William P. O'Donnell, Register
649 High St., Dedham, MA 02026**

The Registry of Deeds is the principle office for real property records in Norfolk County. The Registry receives and records hundreds of thousands of documents annually. It is a primary and indispensable resource for title examiners, mortgage lenders, municipalities, homeowners, and other individuals with a need for land record information.

The Registry operates under the supervision of the elected Register, William P. O'Donnell. In continuous operation for more than two hundred years, the Registry's mission has remained the same; to maintain and provide for accurate, reliable and accessible land records to all residents and businesses of Norfolk County.

2014 Registry Achievements

- Register William P. O'Donnell and his staff continue their direct outreach to town halls, senior centers and civic groups across Norfolk County to provide Registry services. Register O'Donnell held office hours at the Plainville Senior Center on March 27th and was a guest speaker at the Plainville office of Keller Williams Realty on October 28th.
- The Registry of Deeds newly renovated full service telephone and walk-in Customer Service and Copy Center continues to provide residents and businesses with quality service in all areas of Registry operations.
- Electronic recording continues to expand with 26,687 documents recorded electronically and 3 million in recording fees collected in 2014.
- The internet library of images, accessible to the public through the Registry of Deeds' online research system at www.norfolkdeeds.org continues to expand. Today all documents dating back to the first ones recorded in 1793 - are available for viewing.
- This year numerous technological improvements were implemented including upgrades to the registry server and network infrastructure. The Registry's website www.norfolkdeeds.org is routinely updated and enhanced to include the latest resources such as real estate statistics and news, answers to frequently asked questions and the newest consumer programs available to the public.
- Continued improvements to the physical and structural appearance of the historic Registry Building built in 1903, highlighted by the installation of a new phone system throughout the facility, along with additional shelving units to meet future document storage demands.
- Register O'Donnell hosted several free computer seminars at the Registry to provide hands-on-training to the public, including trade groups, on how to access land record information using the Registry's new website technology.

**Plainville Real Estate Activity Report
January 1, 2014 – December 31, 2014**

During 2014, real estate activity in Plainville saw increases in total sales volume and average sales price.

There was a 27% decrease in documents recorded at the Norfolk County Registry of Deeds for Plainville in 2014, resulting in a reduction of 553 documents from 2,080 to 1,527.

The total volume of real estate sales in Plainville during 2014 was \$89,493,873, which showed a 97% increase from 2013. The average sale price of homes and commercial property was up 75% in Plainville. The average sale was \$667,864.

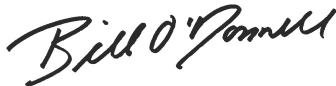

The number of mortgages recorded (289) on Plainville properties in 2014 was down by 37% from the previous year. Total mortgage indebtedness decreased by 18% to \$131,189,180 during the same period.

There were 2 foreclosure deeds filed in Plainville during 2014, representing a 33% decrease from the previous year when there were 3 foreclosure deeds filed.

Homestead activity increased by 9% in Plainville during 2014 with 147 homesteads filed compared to 135 in 2013.

Finally, our objective at the Registry will always be to maintain, secure, accurate and accessible land records for the residents and businesses of Norfolk County. It is a privilege to serve you.

REPORT OF THE SOUTH NORFOLK COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.

2014 Report of The Arc of South Norfolk, Inc. www.arcsouthnorfolk.org - Be sure to visit our website and view our 60th Anniversary video about our organization and the work we have accomplished since 1954!!!

This year, The Arc of South Norfolk (formerly The South Norfolk County Arc or SNCARC) celebrated 60 Years of Achievements, marking its 60th anniversary of providing services to Plainville and the surrounding communities. The past year was a time to reflect on accomplishments and look to the future at expansion and creation of programs that reflect the needs of the people and families served. The Arc of South Norfolk invites you to watch a brief video about the work it provides to the thousands of people throughout Norfolk County who turn to The Arc of South Norfolk for guidance, support and services. The video can be found at www.arcsouthnorfolk.org.

With funding through the Town of Plainville, The Arc of South Norfolk provides supports and services to citizens of Plainville who are disabled by intellectual/developmental disabilities, including autism. The Arc of South Norfolk is a private, non-profit, membership-based organization founded in 1954 by local parents. For more than half a century The Arc of South Norfolk has been, and continues to be, governed by the family members of the individuals we serve. It is a testament to the good work we perform that the town of Plainville, along with the other towns we serve, continues to provide the vital funding support as it has done for over thirty years. Our mission is, **"To advocate for and provide supports and services to people disabled by intellectual and other developmental disabilities and to their families."**

Supports and services provided to the citizens of Plainville include:

Family Support, Adult Family Care and Respite Care:

The Arc provides temporary in-home or out-of-home professional care and training for children and adults with intellectual or other developmental disabilities on a planned or emergency basis. It operates after-school/school vacation week programs for children, provides a wide range of support groups for families and operates a resource center for parents and professionals at our facility in Westwood. We have expanded our Adult Family Care program over the past year, which has tripled in size since its inception. This program provides support to families and adults diagnosed with intellectual and developmental disabilities that cannot live safely alone and want to live in a family setting.

Family Autism Center:

Our Family Autism Center implements high quality programs, services and environments for all persons with an Autism Spectrum Disorder. This program provides individuals with autism, their families and the general community with information and referral services, educational services, parent and sibling support groups and a resource library with Internet access.

Autism and Law Enforcement Education Coalition (ALEC)

ALEC is a nationally recognized training program for First Responders relative to Autism Spectrum Disorders (ASD). ALEC training helps foster a deeper understanding of ASD among public safety and law enforcement personnel. Training is available for police officers, ER and courtroom personnel, EMT's and firefighters, using curriculum and videos specific to each group. Presenters are first responders with direct knowledge of ASD through a family member.

Social-Recreational Programs:

The Arc provides special after-school and evening education classes, sports activities, social clubs and events, and special summer programs for individuals with developmental disabilities. A principal component of these programs is one-to-one volunteer friendships (citizen advocacy).

Advocacy:

The Arc provides specialized education, information and referral services, social support, as well as legal, financial and other consultation support. This program also provides self-advocacy training to individuals and advocacy support to families with members who are disabled by intellectual or other developmental disabilities.

Harbor Counseling Center:

The Arc provides behavioral and other psychological counseling and psychiatric services for adults with intellectual and other developmental disabilities and their families.

Residential Management:

The Arc provides Residential Management Services for residential homes and apartments housing individuals with intellectual and other developmental disabilities.

Day Habilitation Program:

The Arc provides educational and therapeutic services for adults with severe and multiple developmental disabilities. The program works to help individuals improve their communication skills, physical well being, domestic and self-care skills, community living skills and social skills. This program includes a component for elderly individuals I/DD. Its primary objective is to enable these individuals to continue to maintain their functional and social skills and to meaningfully participate in the life of their community.

Services supported by The Arc of South Norfolk through its affiliate, Lifeworks:**Vocational Training and Job Placement Programs:**

Lifeworks Employment Services provides vocational rehabilitation for people with I/DD age 18 and over. These services include vocational evaluation, work adjustment training, sheltered employment, transitional or supported employment and competitive job placement and follow-up support.

Residential Programs:

Lifeworks Residential Programs provides home-like environments and supervision, care and training in independent living skills, functional academics and social skills. These programs include community residences and supervised apartments (both with 24-hour staffing) and cooperative apartments (with staff assistance less than 24 hours per day).

Plainville residents who wish to visit or learn more about our programs or who wish to request services for someone challenged with intellectual or other developmental disabilities should contact us at (781) 762-4001.

Southeastern Regional Services Group 2014 Annual Report

The Southeastern Regional Services Group (SERSG) was initiated in 1993 with a mission “to serve as a catalyst and implementer for member communities that desire to act jointly to solve governmental problems or to deliver services to their citizens more effectively or efficiently.” The member communities of SERSG benefit from shared administrative services provided by a regional administrator. Lara Thomas has served as regional administrator of SERSG since 2004. SERSG’s work is supported by dues from the member communities. In the fall of 2014, the Town of Lakeville became SERSG’s twentieth member.

Annual procurements designed to save municipalities time and money are a major part of SERSG’s services. Cooperative procurements for Paper, DPW Supplies and Water and Sewer Treatment Chemicals were held in the spring of 2014. More than twenty different categories of supplies are procured for the Plainville Highway and Water Departments. In the fall, SERSG coordinated procurement of more than twenty categories of DPW Services as well as an RFP for Drug & Alcohol Testing Services for CDL drivers.

As a participant in SERSG’s office supply contract, Plainville currently enjoys a discount of 76.52% off non-excluded office supplies in the United Stationer’s Supply wholesaler’s catalog and more than 50% off ink and toner cartridges. When comparing Plainville’s office supplies spending to catalog list prices, the town saved more than \$40,000 by using the SERSG contract. The Town also pays a fixed competitive price for cartons of paper through the SERSG paper contract.

The estimated value of supplies and services procured for the Highway and Water Departments totaled more than \$600,000 during 2014. In addition to the savings of time due to SERSG handling the entire procurement up until contract execution, additional savings per year result from highly competitive contract pricing. For example for Plainville’s zone for Ultra Low Sulfur Diesel, purchases on the state contract would cost the town almost seven cents more per gallon. Gasoline purchases on the state contract would cost Plainville almost six cents per gallon more than the SERSG contract. Heating oil pricing on the state contract is almost 12 cents per gallon more than on the SERSG contract. A survey of four varieties of delivered stone items indicates SERSG’s prices were lower than the lowest state contract price by an average of more than \$4.00 per ton. Taking into account these items alone, Plainville is saving more than \$5,000 per year based on estimated usage.

In response to new continuing education requirements for employees who carry hoisting licenses, SERSG held two continuing education training sessions in April at a greatly reduced rate for SERSG member communities. With Plainville sending 4 employees, the town saved \$740 on training fees based on what it would have cost employees to take the class individually with the contracted training company.

SERSG also coordinated a joint application for a 2014 Community Innovation Challenge (CIC) Grant to fund the establishment of a regional stormwater collaborative to address municipal stormwater management issues. This collaborative will directly help communities improve the quality of their local watersheds and comply with the current and newly drafted mandates of EPA’s MS4 general permit through collaborative education and training and development of standardized policies and procedures for municipal stormwater management. The grant was funded for \$80,000.

Finally, monthly meetings of the Board of Directors and the Highway and DPW Superintendents continued to provide valuable opportunities for representatives from member communities to share concerns and receive ideas and feedback about a wide variety of issues affecting municipalities.

REPORT TO THE TOWN OF PLAINVILLE FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Plainville is a member of the Southeastern Regional Planning and Economic Development District. SRPEDD (pronounced sir-ped) is the regional agency serving twenty-seven cities and towns in southeastern Massachusetts dealing with common issues facing our region, such as economic development, growth and land development, transportation, environment, municipal partnerships, and general planning for the future. SRPEDD is governed by a Commission of local mayors, selectmen, planning board members and at large members. We are funded by federal and state grants and local assessments. For 2014 the Town of Plainville paid \$1,368.27 to SRPEDD, based upon an assessment of 16.56 cents per capita.

Local citizens serving at SRPEDD included the following:

SRPEDD Commission: No Appointee

Joint Transportation Planning Group: Calvin Hall and Joseph Fernandes

Technical assistance was provided to the Town in the following area:

- Assisted Plainville with Fire Department collaboration with the town of North Attleborough.
- Updated the town's zoning map with adopted amendments as requested.
- Completed the Future Redevelopment Transportation Assessment of Route 152 and Route 106 and provided the town with a draft report.

Some of SRPEDD's more significant accomplishments during 2014 were:

- SRPEDD's **Municipal Partnership** program continued its efforts to help improve the operating efficiencies of member towns and cities. The Cooperative Purchasing Program expanded significantly to include 116 towns and cities for a group bid of EMS (Ambulance) supplies, resulting in awards to vendors offering 26%-83% discount off their list prices.
- The **Transportation Improvement Program (TIP)**, which sets regional priorities for federal transportation funds, was completed and approved for FY 2014-2017. The TIP targets apply to highway projects, and transit funds for GATRA and SRTA. TIP highway targets average about \$15 million/year.
- **Comprehensive Economic Development Strategy for Southeastern Massachusetts**, a regional economic development strategy, was completed and certified by the U.S. Economic Development Administration, making the region eligible for federal economic development grants from EDA.
- The **Taunton River** was designated by the US National Park Service as a **Wild and Scenic** River in 2009. The Taunton River Stewardship Council (TRSC) made up of locally appointed representatives from the ten municipalities abutting the Taunton River, along with supporting agencies, continues to meet regularly at SRPEDD to address protection of the river and its outstanding natural resources.
- **South Coast Rail** remained a major priority in 2014. SRPEDD continued to support the Southeastern Massachusetts Commuter Rail Task Force, which includes representation from SRPEDD municipalities and regional organizations.
- SRPEDD also provided technical assistance to communities through thirteen projects that implement the South Coast Rail Economic Development and Land Use Corridor Plan. Projects included zoning bylaw amendments, assistance with developing planning documents and renderings of possible future development under project proposals.
- SRPEDD continued as the designated sub-fiduciary agent to the Metropolitan Area Planning Council and the Massachusetts Executive Office of Public Safety and Security (EOPSS) for the

Southeast Regional Homeland Security Advisory Council serving 96 communities and the Wampanoag Nation in 6 counties in southeastern Massachusetts. The Council has awarded more than \$26.5 million in federal homeland security funds since 2004.

- SRPEDD worked with ten communities to create a regional aggregation of residential and small business customers for a single electricity bid. The result will provide stable electric bills over a 2-3 year period and is expected to save individual accounts over \$150 per year, representing a regional economic stimulus of over \$15M per year.
- SRPEDD conducts a **district-wide traffic counting program** (including speed surveys and vehicle classification, and 36 intersection turning movement counts) and maintains a computer file of all available traffic count data throughout the region. SRPEDD undertook 108 traffic counts at various locations this past year.
- SRPEDD worked with the Massachusetts Gaming Commission to evaluate the impact of proposed slot parlors in Plainville and Raynham.
- An extensive **Geographic Information System (GIS)** mapping program is maintained by SRPEDD. Every year new computerized “data layers” are added to the system
- SRPEDD operates the **Southeastern Massachusetts Data Center**, providing information to businesses, cities and towns, and individuals.
- SRPEDD provides technical planning to two regional transit authorities, **SRTA and GATRA**, including: route evaluations, rider surveys, performance standards and federal reporting. SRPEDD completed a Comprehensive Service Assessment for SRTA that will guide transit improvements in the near future. A similar plan for GATRA is expected to be completed in 2015.
- SRPEDD maintains a comprehensive database of all 365 signalized intersections in the region. This includes geometry, traffic volume, crash rate, signal timing and operational characteristics.
- SRPEDD continued its affiliation with the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion.

SRPEDD was created to serve the cities and towns of southeastern Massachusetts. We are governed by elected and appointed officials from all the cities and towns. We look forward to serving you in the future.
