TOWN ADMINISTRATOR
Brian S. Noble

To the Townspeople of Plainville,

The Town experienced additional growth this year, presenting both opportunities and challenges. Our achievements were realized through the collaborative efforts of Town employees, officials, and residents. Similarly, our challenges were addressed by this united coalition.

A notable event this year was the arrival of migrant families, primarily from Haiti. Initially, 74 families were hosted at the Best Stay Motel and the Comfort Inn. The state later relocated some of these families, reducing the number to 54. Despite potential political implications, we take pride in our community's response. Volunteers, churches, service clubs, Town staff, and others came together to meet their humanitarian needs, including food, clothing, language assistance, medical support, and work visas. Remarkably, no Town funds were spent, yet we provided essential items such as winter clothing, baby food, diapers, toys, and electronics to our newcomers.

Our continuing financial stewardship efforts included forming a joint purchasing partnership with North Attleborough to secure better health insurance rates. We contracted with Aetna Health, reducing costs for our retired employees by 10% while providing better value. We also signed three collective bargaining agreements (clerical, fire, and public works) at sustainable levels. Additionally, we completed a comprehensive analysis of our Town roads, prioritized necessary repairs, launched an Infiltration and Inflow (I&I) Study to alleviate sewer system overloads, submitted a balanced budget, and established a "Capital Stabilization Account" to better plan capital purchases and avoid debt.

We implemented ClearGov™, enabling taxpayers to review the Town's financial plans online, and employed new auditors for a more transparent and complete financial report. A benefits guide was completed to enhance our competitive position in recruiting and retaining talented employees. We also made progress in establishing our new Facilities Department.

While we recognize the Town's financial improvements, we remain vigilant to avoid past mistakes and are dedicated to fiscal prudence, aiming to sustain services and amenities for all residents. We continue to prioritize our schools, seniors, and public safety. Our budget is more than a financial plan; it's a roadmap for our future, ensuring we sustain our achievements.

Plainville stands out for its strong sense of community. Let's celebrate our progress, resilience, and the positive direction we are headed. We are eager to collaborate with all of you as we work towards a future that reflects the best of Plainville. Thank you.

BOARD OF ASSESSORS

We hereby submit the annual report of the Board of Assessors for Fiscal Year 2023. Included is a breakdown of the Town's value of assessed property for Fiscal Year 2023 by property type.

The Board of Assessors, together with the other Town officials, received timely certification from the Department of Revenue to set the Fiscal Year 2023 tax rate at \$12.48 for residential property and \$18.33 for commercial, industrial, and personal property.

The Assessor's Office values all properties in accordance with the state law which states: property valuations must be at their full and fair cash value each year. The values are certified by the Massachusetts Department of Revenue once every five years through on-site inspections and intensive examination of the procedures being employed by the Board of Assessors. In the interim years, the local valuation process is the same, but the state oversight consists of review and approval of required statistical analysis. The next certification for the Town of Plainville will be in Fiscal Year 2025.

The department is also responsible for the commitment of all motor vehicle excise tax, administration of motor vehicle excise tax bills and the processing of motor vehicle abatements. Taxpayers may be eligible for an abatement of all or a portion of the excise tax, if during the year, the taxpayer no longer owned the vehicle; and they cancelled or transferred the license plate. Information relative to abatements is available in the office and on the assessor's webpage, as well as Statutory Exemption Applications, Real and Personal Property Abatement Forms, Chapter Land Applications and Abutters Request Forms. Our department webpage also provides access to your Full Property Record Card and AxisGIS Mapping.

The Board of Assessors would like to remind senior homeowners that they may apply for an exemption if they meet certain criteria. Eligibility includes meeting specific age, ownership, residency, income and asset requirements. There are also exemptions for eligible veterans, surviving spouses, and the legally blind. You may contact the Assessor's Office for more information. Our office hours are Monday 8:00AM to 7:30PM and Tuesday through Thursday 8:00AM to 4:30PM. The Principal Assessor, John Groh and the Departmental Assistant, Lynne Calderone, are available to answer any questions you may have.

At the July 13, 2020 Town Meeting, the Town voted to accept the provisions of Chapter 60, Section 3D of the Massachusetts General Laws to establish an Aid to the Elderly and Disabled Taxation Fund. The purpose of the fund is to defray the real estate taxes of elderly and disabled persons of low income. The Town established a committee in Fiscal Year 2021 consisting of the chairperson for the Board of Assessors, the Town Treasurer and three residents appointed by the Board of Selectmen. The committee is responsible for adopting rules and regulations to carry out the provisions of this section.

In Fiscal Year 2023, the Principal Assessor completed a successful review and conversion to a new computer assisted mass appraisal software program. This software has greatly improved the efficiency of the data retained in the assessing office. Also, included with this software is an

external site for residents to access. You can find the link for this site on the Assessor's page located on the Town of Plainville website.

Lastly, we would like to acknowledge the change in the complexion of the community regarding our dual tax rate and the new commercial and industrial business in Town. The addition of the new businesses such as research and development, as well as storage facilities and hotels, have enhanced the tax base significantly.

Respectfully submitted,

Patricia Stewart, Chairperson
Patricia Bergevine, Vice Chair
Shannon Mackenzie, Secretary/Clerk

BOARD OF HEALTH

The primary goal of the Board of Health is to protect the public, environmental health, and well-being of the Town of Plainville. This goal is accomplished by ensuring compliance with state and local sanitary and environmental codes, rules, regulations, and by-laws. The Board of Health also provides public health initiatives to inform and educate the community. The Board of Health has three elected members who include, Chairman Louis LeBlanc, Vice-Chairman Richard Achin, and Board Member Bob Davis. The Health Department also hired a new Health Agent in October 2023 by hiring Camille Beckett, RS. The Health Agent is primarily responsible for performing the required responsibilities of the Board of Health under the direction of the Health Director Deborah Revelle.

- **Environmental Protection**

Environmental protection is ensured by providing a safe and healthy environment due to protecting our water, air, and other resources from contamination. This includes inspections and permitting of new or repaired private water wells and on-site sanitary septic systems. The Board of Health office maintains information on the location of water wells, septic systems, and septic system pumping frequency. The Board of Health also provides information on Title 5 inspections, licensed septic system installers, licensed septic system pumpers, and well drillers.

The Health Department received and processed the following applications in 2023:

Water Well permits	5 (new, repair & irrigation)
On-site Sanitary Septic Systems	24 (new, repair & upgrades)
Septic System Installer & Inspector Licenses	55
Septic System Pumper Licenses	33 (septic truck inspections)

In addition, the Board of Health provides engineering reviews for projects where storm water may impact the environment. These reviews are to ensure that the public and environmental health is protected against flooding, siltation, storm water contaminants, and other drainage issues by performing extensive reviews of storm water management structures for storms of 1, 2-, 10-, 25- and 100-year frequency events.

- **Sanitation**

The Board of Health inspects restaurants and all food purveyors for cleanliness, proper food handling, and sanitation at least two times per year. Plans for new and remodeled restaurants and facilities are also reviewed for adherence to and protection of public health. The Health Agent annually inspects motels, tanning facilities, and public and semi-public swimming pools. They also perform residential housing inspections in response to complaints. The Board of Health waives the inspection fees for Town facilities and inspects the Town Park swimming pool, school cafeterias, and Council on Aging kitchen facilities for compliance with health codes. The following permits & licenses were issued in 2023: (101) Food, Retail & Mobile Establishments, (6) Trailer Parks & Motels, (6) General (public pools, camps) and (21) Rubbish Haulers.

In 2023, Plainville was still a part of a “Shared Service Partnership” with the Towns of Easton, Foxborough, Mansfield, Norton, and Sharon. This partnership offers the opportunity to increase public health services and resources.

- **Tobacco Control Program & Marijuana Establishments**

Semi-annual inspections are conducted by the Board of Health at thirteen (13) establishments that sell tobacco and nicotine delivery products (e-cigs) as well as one (1) marijuana establishment. These inspections are to assure compliance with the Massachusetts state ban on flavored tobacco products including menthol cigarettes.

- **Animal & Mosquito Control Programs**

The Board inspects all locations where livestock and fowl are housed. In 2023, fifty (50) facilities were inspected with a total of 923 animals which included, horses, cows, chickens, donkeys, sheep, waterfowl, goats, alpacas/llamas, rabbits, pigs, and gamebirds.

The Norfolk County Mosquito Control Program oversees an annual larvicide control program, with aerial application in the spring and aerosol application by truck throughout the summer.

- **Emergency Preparedness Plans**

The Board of Health is responsible for preparing Emergency Operation Plans for emergency and disaster events requiring medical and public health response. Some events include infectious disease outbreaks (COVID-19), public health emergencies, pandemic flu, biological incidents, natural disasters, and emergency shelters. These plans are designed to be activated under the direction of the Emergency Management Director. The Board of Health works closely with other Plainville Town departments in preparing these plans along with other town, county, state, and federal governments. Plainville is also active in the Medical Reserve Corps and continues to recruit and train volunteers to be ready to assist in the event of an emergency. The Town of Plainville is a member of the Bristol County Public Health Preparedness Coalition, which allows the Town to give consideration on how money is spent on emergency preparedness initiatives in the region.

- **Health Care Services - Plainville Public Health Nurse, Kimberly Tebbetts, RN**

This past year has been one of acclimation as COVID continued to shift out of the spotlight. As the Public Health nurse, Kimberly Tebbetts was responsible for attending routine MAVEN and MDPH webinars, conducting communicable disease surveillance, and investigation when necessary. Plainville’s cases of COVID-19 are drastically lower than years past as home testing is widely used. Other top reportable diseases this past year include Influenza and Lyme Disease. See the reportable disease table below for more information.

Kimberly Tebbetts had the pleasure of hosting a monthly “Ask a Nurse” at Plainville’s Council on Aging where blood pressures, blood sugars, and general screenings were done. This continues into this year, most usually on the last Monday of the month.

In 2023, the following screenings were completed in Plainville:

Blood Pressures	75	Blood Glucose	40
Assessment	5	Assistance (i.e. directed to resources)	3

The arrival of the migrant families created a new challenge for Plainville in 2023. A great deal of communication, time and effort were spent working with the state to learn what was needed from the local level. The Public Health Nurse worked to help get prenatal care for the pregnant population. Kimberly Tebbetts also provided the National Guard with lists of primary care and pediatric practices in the area in efforts to facilitate and establish health care for these families. Some families were able to take advantage of the free physicals that some of the areas urgent cares were offering. The nurse also worked closely with the Jackson and Wood School nurses, providing support where and when she could. Concerns were shared regarding student safety, transportation, and perhaps the most perplexing, immunization assessment and compliance. Collaborated efforts helped to work through these projects.

Communicable Disease Investigation

Investigation, follow up, and filing of MDPH reports are completed on all communicable disease reports received. This process entails the investigation of each report, implementation of any mandated control measures, and filing of a final report with MDPH. Guidance is available to school nurses and physician offices regarding interpretation and implementation of quarantine and isolation regulations as well as mandated control issues.

In 2023, the following communicable diseases were investigated in Plainville:

COVID	200	Giardiasis	2
Lymes Disease	27	Cambylobacteriosis	2
Influenza	17	Hepatitis B	2
Babesiosis	2	Varicella	2
Salmonellosis	2	Hepatitis C	1
H Influenzae	1	Vibrio Sp.	1
Legionellosis	1	Shigellosis	1

Trash & Recycling Programs

The Board of Health manages the community trash and recycling program for the Town of Plainville. This program includes the operation of a recycling/compost center located at the highway garage on West Bacon Street. The solid waste/recycling program had a total of 1,970 participants in 2023. Due to the expiration of the prior trash contract in June of 2023, the Board of Health explored many options for a new contract. A new five-year contract with E.L. Harvey & Sons was negotiated and implemented in 2023 and began July 1, 2023. The new trash program saw a change in the prior methods of curbside collection in Plainville. Each resident who signs up for the program now receives one 35-gallon trash cart as well as one 65-gallon recycling cart. Although there was a lot of concern amongst residents with this new method of trash collection, the trash program was still able to maintain approximately 99% of its customers. In addition to weekly curbside pick-up, the Board of Health, with the assistance of the Highway Department, also has drop off services available at the highway

garage for the following materials: metal, leaf and yard waste, TV's & monitors, electronics, tires, batteries, fluorescent bulbs, propane tanks, clothing, books, paper, and cardboard.

In 2023, 1,400 tons of trash and 726 tons of recyclables were collected through the municipal collection program. This represents a recycling rate of 34%. In addition, the following materials were diverted from landfills and incinerators to be recycled:

Scrap Metal	15 tons	Books, paper & cardboard	44 tons
Textiles	15,055 lbs	CRT's (TV's and monitors)	3 tons
Propane Tanks	52	Fluorescent lamps/bulbs	1464 ft
Tires	75	Compost (brush & leaves)	596 tons
Batteries	262 lbs	Mattresses & Box springs	173 tons

COMMUNITY PRESERVATION COMMITTEE

The Community Preservation Committee (CPC) held two meetings in Fiscal Year 2023. Meetings are scheduled as needed throughout the year and are posted on the Town website. The CPC is a nine-member board that is appointed by various other municipal boards and committees as outlined under §41 of the Plainville General Code. The purpose of the Committee is to:

- Study the needs, possibilities, and resources of the Town regarding community preservation; and
- Make recommendations to Town Meeting for the acquisition, creation and preservation of open space; for the acquisition, preservation, rehabilitation and restoration of historic resources; for the acquisition, creation, preservation, rehabilitation and restoration of land for recreational use; for the acquisition, creation, preservation and support of community housing; and for the rehabilitation or restoration of open space and community housing that is acquired or created with Community Preservation Funds. With respect to community housing, the Community Preservation Committee shall recommend, wherever possible, the reuse of existing buildings or construction of new buildings on previously developed sites.

The CPC was created at the 06/03/2019 Town Meeting to implement the Community Preservation Act (CPA), which was adopted by the Town in 2018. The CPA balance on 06/30/2023 was **\$632,404.84**. The Budgeted Reserves balance was **\$195,250.00**. The reserves for Community Housing was **\$61,700**. The reserves for Historic Resources was **\$61,700.00**. The reserves for Open Space was **\$61,700.00**. Projects proposed by the Housing Authority, Historical Commission and Park Department were discussed. A proposal from the Park Department to spend \$34,700.00 for engineering design services at the Field of Dreams athletic complex off School Street was approved by the CPC and at the 06/05/2023 annual town meeting.

CONSERVATION COMMISSION

The Conservation Commission is comprised of 7 members, each appointed for three-year terms by the Select Board. The Commission generally meets the second and fourth Tuesday of every month at 5:30 PM in the Town Hall main meeting room. The general public is invited and encouraged to attend any and all Commission meetings. The Commission is staffed by Kevin Baldwin, Conservation Agent. The primary role of the Conservation Commission involves the administration and enforcement of the Massachusetts Wetlands Protection Act (MGL Ch. 131, s. 40) and the Plainville Wetlands Protection Bylaw (Chapter 472). To this end, the Commission's responsibilities include meeting with residents and/or applicants, reviewing proposed projects, holding public hearings, conducting site visits, issuing permits and ensuring compliance with regulations and permits.

During Fiscal Year 2023 the Commission met nine times to review the following projects:

Location	Type	Project	Action
34 & 38 Taunton St.	NOI	Dam replacement	Granted
22 Witherell Place	NOI	Septic system repair	Granted

Other items handled included:

- Haynes Road trail easements
- Revised regulations in process
- Acceptance of donation of 12.455 acres of land from the Hockomock YMCA for open space land off Peck Road.
- CRG bike path design plans for Metacomet Greenway (informal review)

The Commission collected \$1812.50 in application fees during the year.

The Commission is also charged with managing Town owned Conservation land and performs stewardship visits to inspect these parcels. Commissioners also attend training sessions and MACC conferences to stay updated on pertinent laws and regulations necessary to successfully perform their duties.

All applications received and reviewed by the Conservation Commission are on file in the Conservation office. The Commission would like to take this opportunity to thank all the residents and Town Officials for their support of wetlands and open space areas that the members are working so diligently to protect.

The mission of Plainville Senior Center is to enrich the lives of community seniors through social activities, programs, fitness, recreation, travel, education, and nourishment. The center offers programs that promote the health, emotional, social, and intellectual well-being of senior adults living in the community as well as providing lunch, Meals-on-Wheels deliveries and transportation for Plainville Seniors and Disabled residents. All programs are designed to promote well-being and independence through the aging process. All activities of the Plainville Senior Center shall be conducted on a non-discriminatory basis regarding race, color, religion, sex, handicap, family status, and national origin.

Transportation

The 8-passenger bus service provided over 4,000 rides. The bus drives Plainville seniors to medical, personal, and shopping appointments. The Senior Center provides transportation for seniors, and non-seniors with disabilities.

Nutrition

HESSCO Elder services provides food to the center to create a congregate meal site. They also provide home-delivered meals through Meals-on-Wheels. Daily meals are served at the Center and volunteers deliver meals to homebound seniors within our community. The center also has monthly food event programs such as barbeques, lunches, breakfasts, holiday and special event program lunches through our COA Friends organization.

Social Services

Outreach services include assisting Plainville seniors and non-seniors by informing them of local, State, and Federal assistance programs including food pantries, fuel assistance, SNAP, social security, meals, and housing. The center has one volunteer SHINE counselor that is trained and certified by the Office of Elder Affairs in the areas of health insurance and prescription drug programs. The volunteer provided in-person assistance and handles many calls and inquiries. The center now has notary services available by the administrative assistant on staff. Medical equipment to borrow is available to Plainville seniors with the assistance of the Lions Club.

Volunteers

Volunteers serve and assist in most of the center programs and activities. Volunteers help some of the exercise programs, food events, reception, games, kitchen help, tax preparation, social events, and other. The volunteers are an asset to the center and are essential to the daily operation.

Legal, Health, & Wellness Services

Services available to seniors include no-cost legal support and Veteran's Agent on Wednesdays by appointment. New services include an on-site monthly manicurist and massage. Public Health Nursing services are available by appointment on the last Monday of the month. This includes blood pressure and sugar level screening.

Activities & Events

Activities include exercise, social, educational, recreational, and well-being information. Social events are held on a regular basis in addition to daily congregate meals. The Plainville COA Friends organization has been established and will be instrumental in creating more events and programs for the senior center. The senior center also works with KP Cares and the Jackson School students for various programs throughout the year.

THE FACILITIES DEPARTMENT

The Facilities Department plays a critical role in ensuring the functionality, safety, and aesthetics of Town-owned buildings and facilities. The responsibilities covered within this budget typically include:

Routine Maintenance: The maintenance department is responsible for performing routine maintenance tasks such as HVAC system checks, plumbing repairs, electrical inspections, and general upkeep of buildings to ensure they remain in good condition.

Repairs and Renovations: The maintenance staff handle repairs and renovations as needed, addressing issues such as leaky roofs, damaged walls, malfunctioning equipment, and other structural or cosmetic problems that may arise in Town facilities.

Cleaning and Janitorial Services: Facilities custodian staff are responsible for cleaning and janitorial services, including trash removal, floor cleaning, restroom maintenance, and other tasks to maintain cleanliness and hygiene in both the Town Hall and Public Safety buildings.

Groundskeeping: In addition to building maintenance, the department also oversees groundskeeping duties such as landscaping, lawn mowing, snow removal, and maintaining outdoor amenities like parking lots and sidewalks.

Safety and Compliance: They ensure that Town facilities meet safety standards and comply with building codes and regulations. This may involve conducting safety inspections, implementing safety protocols, and addressing any safety hazards identified.

Capital Projects: Facilities Maintenance is very involved in planning and executing capital improvement projects for Town buildings, such as renovations, expansions, or upgrades to infrastructure and facilities.

Staffing History:

The Facilities Department has undergone significant expansion in staffing over recent years. Prior to FY23, the department solely employed two part-time custodians responsible for maintaining the Town Hall and Public Safety buildings. However, in FY23, funding was allocated to facilitate the hiring of three full-time staff members, including the Facilities Director, Maintenance Supervisor, and Maintenance Laborer. These individuals are tasked with maintaining both Town and school buildings, as well as outdoor landscaping.

In FY24, additional funds were provided to further enhance the department, enabling the hiring of seasonal staff to manage landscaping services during the summer months, along with a part-time

Departmental Assistant to provide administrative support, project management, and increased communication with Town departments, vendors, and state officials.

For FY25, the Departmental Assistant position is slated to transition to full-time, reflecting the evolving demands of the department.

STAFFING HISTORY / OVERVIEW				
POSITION	FY23 FTE	FY24 FTE	FY25 FTE	CHANGE
Facilities Director	1	1	1	-
Maintenance Supervisor	1	1	1	-
Maintenance Laborer	1	1	1	-
Departmental Assistant	0	0.5	1	0.5
Seasonal Staff	0	1.5	1.5	-
Custodial Staff	1	1	1	-

Significant Projects and Accomplishments:

- Repaired the Telford Park gazebo, ensuring a safe and functional outdoor space for community gatherings and events.
- Conducted Senior Center roof repairs, addressing structural issues and extending the lifespan of the facility.
- Redid flooring and paint for the Senior Center lower level room, enhancing aesthetics and usability for seniors and community members.
- Completed School playground renovations, including the creation of a gaga ball court, providing recreational opportunities for students and promoting physical activity.
- Conducted School roof repairs to prevent leaking, safeguarding the integrity of the school buildings and ensuring a conducive learning environment.
- Built new dug-outs for the baseball fields at the Field of Dreams, enhancing the experience for athletes and spectators.
- Repaired facings of the trailer at the DPW, ensuring functionality and longevity of equipment storage facilities.
- Addressed school bathroom repairs, enhancing sanitation and comfort for students and staff.
- Resolved School drainage and field flooding issues, mitigating potential hazards and ensuring safe outdoor activities.
- Conducted repairs and maintenance of various Town buildings' HVAC systems, including the schools and Town hall, ensuring comfortable indoor environments for occupants.
- Repaired the Town pool to make it ready for use, providing a recreational outlet for residents during the summer months.
- Completed lawn maintenance of all Town properties, including the schools, maintaining attractive and safe outdoor spaces for the community.

- Repaired the DPW salt shed, ensuring proper storage and maintenance of winter road treatment materials.
- Installed a new door and accessible ramp at the historic Humphrey House, enhancing accessibility to the museum.
- Managed the Green Communities Grant projects for the Town, implementing energy efficiency initiatives to reduce environmental impact and save costs. Successfully executed energy efficiency upgrades in municipal buildings, resulting in significant cost savings and reduced environmental impact.

FY25 Goals / Initiatives:

- Ensure timely completion of construction projects for the new pool house, the school's energy-efficient HVAC upgrade, and the Library HVAC and weatherization project as per scheduled timelines.
- Develop a comprehensive and easily accessible catalog of departmental pending projects, complete with prioritizations and timelines, to provide residents and staff with real-time updates. Maintain the accuracy and currency of this list, regularly updating it on the ClearGov Capital Improvement Plan platform.
- Implement a proactive maintenance plan for Town buildings to ensure optimal functionality and longevity of infrastructure.
- Complete renovations and upgrades to aging facilities according to said timelines, focusing on improvements to HVAC systems, roofing, flooring, and other critical components.
- Conduct energy audits and identify opportunities for further energy efficiency improvements in municipal buildings to reduce utility costs and environmental impact.
- Enhance accessibility features in public buildings to comply with ADA requirements and accommodate individuals with disabilities.
- Conduct regular inspections and preventive maintenance of Town-owned equipment and vehicles to minimize downtime and repair costs.
- Explore opportunities for grant funding and partnerships to support capital improvement projects and infrastructure upgrades.

FINANCE COMMITTEE

The Finance Committee is an appointed advisory board of seven members. Meetings are conducted in posted open meetings and all are encouraged to attend. The purpose of the Finance Committee is to provide oversight and analysis of the overall financial picture for the Town. The Finance Committee provides a recommendation on every financial article on the Warrant at Town Meeting. The recommendations are based on our focused analysis of the issues for each article, enabling each Town voter to use this information with the floor discussions. This allows the committee to make informed decisions for each appropriation vote at Town Meeting. The residents who attend Town Meeting vote each appropriation.

FIRE DEPARTMENT

I respectfully submit the following information regarding the activity of the Plainville Fire Department during the past year of Fiscal Year 2023 and our plans moving forward.

New Hires:

In Fiscal Year 2023 Plainville Fire Department began to rebuild its staff and reestablish the 2nd ambulance. We had 3 resignations from our full-time staff but were able to replace them. We welcomed 2 Academy trained paramedics from other departments and were able to promote from within 1 of our call firefighters. We added FF James Destito from Attleboro FD, FF Bria Adams from Bellingham FD and FF Brett Maduskuie from our call department.

New Deputy Chief:

Chief Ball was appointed to Fire Chief full time in February 2022. Subsequently a new Deputy Fire Chief was needed, and Captain Robert Skinner was appointed to the rank of Acting Deputy Fire Chief. In May of 2023 Robert Skinner was appointed to full Deputy Chief.

New Officers:

Three new officers were promoted into vacancies. Lt Casbarra was promoted to the rank of Captain and FF's Eisele and Tellen were promoted to the rank of Lieutenant. We congratulate them on their new ranks and are excited to see our members grow.

Building Fires:

The Plainville Fire Department responded to 17 building fires in this year. Three were residential homes in the Town of Plainville. One residential fire was a propane fed fire. The initial response did a fantastic job and avoided a conflagration of the entire neighborhood.

Honored Members:

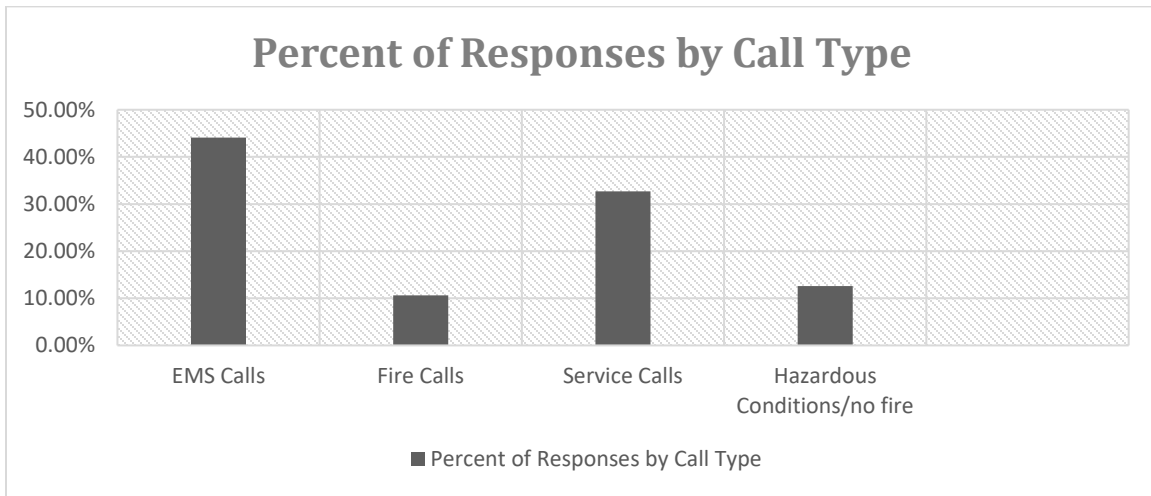

We were able to honor members of our community, Police Department and our Fire Department for actions taken in June 16, 2023 that saved a resident from a tragic UTV accident. The quick and appropriate actions taken by all involved saved a citizen's life and were commended at a Selectboard Public Meeting. Fire Department members included Captain Jaime Ohlson, Deputy Chief Skinner, Lieutenant Eisele, FF Ben Angelo, FF Mike Mercadante, FF Jarred Erickson and FF Brett Maduskuie.

Plainville Fire Department Status

We are still looking to the future. In Fiscal Year 2024 we plan to add 4 members as we continue to move forward, this year will bring some exciting changes. Many of our new hires will be attending the Massachusetts Fire Academy this year and we will be promoting new officers to fill several open spots. Our second ambulance is up and running and continues to produce additional revenue. We have been able to be back in the public with open houses, Halloween Trick or Trunk, SAFE in Schools, Senior activities, and community events.

"If everyone is moving forward together, than success takes care of itself." Henry Ford

Fire Department Annual Responses by Type

Plainville Fire Department responded on a total of 4,168 requests for service.

- EMS calls are requests for medical aid (1839 incidents)
- EMS transports (1434)
- Fire calls include structure fires, car fires, brush fires, and fire alarm activations (441 incidents)
- Hazards & Misc calls which include lift assists, power lines, public education etc. (525)
- Service calls include fire alarm maintenance and inspections (1363 incidents)

I am very fortunate to continue to lead a dedicated and talented team in a great town. We appreciate all that the residents who support the Fire Department. Their continued assistance will allow us to best protect Plainville's residences and their properties.

Respectfully submitted,

Richard J. Ball
Chief of Department

HISTORICAL COMMISSION

It was a very busy and rewarding year for the Plainville Historical Commission and the Town's history museum, the James Humphrey House.

At the end of 2022, we had welcomed our first paranormal team, Massachusetts Paranormal Academy, to investigate the Humphrey House. They returned at the beginning of 2023 to reveal their findings to the members, which included several EVPs. The team made it very clear that they felt no malicious activity in the house, but rather kind and welcoming activity.

To kick off 2023, our stuffed animal mascots - Whiting and Davis - participated in Museum Selfie Day on January 25th and joined museum staff worldwide in taking selfies and sharing them on social media. Museum volunteers also discovered journals and date planners that need to be digitized. In the meantime, sharing some of the notations on TikTok has resulted in one of our highest viewed videos to date.

On a frigid evening in February with negative windchills, 25 people ventured out to the Town Hall to attend our first presenter of the 2023 season. Janet Parnes, from Historical Portrayals with Lady J, brought the story of Deborah Sampson to life.

While participating in Community Reading Day at the Jackson School, we were thrilled to find out that a STEM related portfolio (complete with photos and student work) that was gathered together and presented by Plainville teachers in the 1990s, will be donated to the Commission. We visited the 2nd grade class again for a Local History discussion and the kids were very engaged and enjoyed all of the artifacts.

Several families utilized the Digitizing & Historic Preservation service we offer; one family had 200 slides and, thanks to our Wolverine Slide Scanner and volunteers, the slides were scanned, documented, and cleaned up in a matter of days. The family was very grateful and made a large donation of food to the Plainville Living Bread Food Pantry. Another family brought in over 1500 slides and made both food and monetary donations to the Food Panty and to the Historical Commission as a thank you.

The Commission had several high school students spend time at the museum to earn volunteer service credits. They were instrumental in getting projects done, such as digitizing the VHS tapes, organizing documents, and scanning photos. We had more volunteers join the Commission, including several with ties to the Whiting & Davis Company. Their knowledge of the company is immeasurable.

The Salute to Service Flag Garden grew to over 800 flags, representing Plainville's Servicemen and Women from conflicts of the American Revolution through present day. We also uploaded a digitized 8mm film that showed Plainville's Memorial Day parade and exercises from the 1930s to our YouTube Channel.

The construction of a new ramp began in May in the back of the Humphrey House. In addition to the new ramp, a new door was installed and new walkway put down.

In June, author and historian Elena Palladino discussed her book “Lost Towns of the Swift River Valley: Drowned by the Quabbin” to a crowded room. June also brought heartache when local heroine Malia passed away after her battle with cancer. Two Commission members participated in the ‘For Kids’ Sake 5K & 10K’ in her honor. As the theme was the ‘80s, board member John dressed as Richard Simmons, and stuffed animal mascots Whiting and Davis hung out in Kristine’s backpack. Despite the heat, it was an incredibly fulfilling and positive day and hearing kids and their families cheer on Whiting and Davis by name was remarkable.

In August, board member Craig Brown gave his presentation on King Philip’s War and the Plainville Senior Center held their first Vendor and Craft fair and invited the Historical Commission. Our members spent the day talking to visitors, asking trivia questions, and discussing how the Historical Commission can help the community.

In September, Jim Hale from North Attleboro Historical Society gave a presentation on local dining memories. The attendees thoroughly enjoyed the event. As Jim’s program was a program exchange between North Attleboro and Plainville Historical groups, Kristine gave her presentation of Cowboy Town at the Little Red School House in North Attleboro. We hosted another book talk with author Susan Bregman and her book “Along Route One: Maine, New Hampshire and Massachusetts.” Susan had reached out to the Historical Commission two years ago asking about Cowboy Town and if we had any photos we would share with her. To actually see Cowboy Town and the Plainville Historical Commission incorporated into her book was amazing!

In September another paranormal team investigated the Humphrey House and just as the first team that investigated, the second team felt extremely comfortable in the house and were able to capture a lot of great evidence.

In October, Kristine headed back to the Jackson School for Community Career Day with 1st graders. The Spooktacular event held by the Plainville Lion’s Club was canceled due to rain, but we were invited to participate in the Plainville PTO Trunk-or-Treat which was a huge success.

In November, our volunteers digitized Shipping Captain’s Logs from the 1830s for a North Attleboro resident. Digital copies were donated to the Historical Commission and the original journals will be donated to either Mystic Seaport or the New Bedford Whaling Museum. As a thank you for our service, a very large donation of non-perishables was given to the Food Pantry.

At the end of November, we hosted author and legend seeker Jeff Belanger, who brought the perfect mix of Halloween and the holiday season with his book “Fright Before Christmas” to a crowded room at Town Hall.

The Faille family returned to finish up some lighting projects and get the Humphrey House prepared for the December 9th Tree Lighting Ceremony. While open we received so many food donations for the Food Pantry and we can’t thank our visitors enough for their thoughtfulness.

In preparation for the 250th anniversary of the Boston Tea Party, our volunteers collected loose tea leaves to send to the Boston Tea Party Museum to be dumped into Boston Harbor during the reenactment. We also sent a print of George Robert Twelve Hewes (Plainville's connection to the Tea Party and one of the last surviving participants) and an 'Entering Plainville' magnet.

In wrapping up the holiday season, we had a surreal experience that makes all of our volunteer time and energy worth it. It began with a woman named Renee, who reached out to the museum and asked if she could bring some family friends visiting from Mexico to the Humphrey House to visit. She explained that their father had visited Plainville as a 17-year-old teenager as part of an exchange program and that he had walked in Plainville's 1980 Jubilee Parade doing rope tricks. At that moment, our board member recalled seeing a photo of an unknown boy jumping in midair with a rope in a past Jubilee photo. It turns out that the unnamed boy in the photo was their father! He has since passed, but his children remained friends with his American friends, and it goes without saying that everyone was in shock at seeing his photo. And so, Bernardo Guvduno Lomelin from Mexico City, will forever be a part of Plainville History and his family and the Plainville Historical Commission will forever be connected.

We were gifted many donations this year, including: a Steamer Trunk from Edie Parastatides, a beautiful painting of the Humphrey House by local artist Betty Brenton, full Girl Scout and Brownie uniforms (including a pair of saddle shoes), an old typewriter (courtesy of the Sharon Historical Society), miscellaneous items from former Selectman Charley, and a tub full of items pertaining to Fawks Market from Jeff Kinney, including the bells that hung from the doors.

Respectfully submitted,

Richard Stenfeldt
Inspector of Wires

OPEN SPACE & RECREATION COMMITTEE

The Open Space and Recreation Committee (OSRC) is a nine-member board that is appointed by the Select Board. The Open Space and Recreation Plan was submitted to the State and received final approval on August 15, 2022. The Town is now eligible to apply for DCS grants through December 2026.

The OSRC did not formally meet in Fiscal Year 2023. The OSRC did organize the annual “Snow Moon” festival at Hawkins Woods on February 5, 2023. Hot chocolate and cups were again donated by Dunkin Donuts of Plainville, who have long supported this event. The weather was excellent, and the bonfires, food and moon were enjoyed by the usual large turnout.

Fiscal Year 2023 Expense Budget: \$0.00

Fiscal Year 2023 Salary: \$63,361.00

Expended: \$63,361.00

The Park Department would like to thank Old School FC for their organization's donation to pay for the Rec Soccer field lining at the Town Park for our spring and fall rec soccer programs in Fiscal Year 2023. We would also like to thank PYSL (Plainville Youth Soccer League) for their generous donation of \$3,500 to pay for fertilizer and field maintenance at Field of Dreams soccer fields.

The Everett W. Skinner Pool was open from June 25th through August 28, 2022. The Park Department kept the Town pool open for an extra week this past year for the residents.

Thank you to the Plainville Cultural Council for grants approved by the board to the Plainville Park Department. John Teiner was approved by the Plainville Cultural Council to receive a grant for \$1,000 to go to the Park Department for our summer recreation program field trips (Fiscal Year 2023).

Thank you to the following local companies and foundations for their donations in Fiscal Year 2023: Maximum Development Group, The Yale Appliance Foundation, Plainville Pump, and JEMCO Disposal Inc. The Plainville Park Department received a total of \$8,000 in donations from those listed above.

The Plainville Park Department would like to thank Jim Marot and the Facility Department staff for their hard work, paying the expense cost and building two (2) brand new dugouts at Field of Dreams for our Babe Ruth baseball diamond "Spadoni Field" in Fiscal Year 2023.

In Fiscal Year 2023, the Park Department spent \$6,341.50 on the infield work done for the Babe Ruth Diamond (Spadoni Field) at Field of Dreams. Along with another \$1,900 on repairs and new parts for the Kubota machine used to cut the grass and maintain the baseball infield up at Field of Dreams. The Park Department spent an additional \$11,164 on field fertilizers and field maintenance at Telford (Town Park) & Field of Dreams. The Park Department spent \$17,578.22 on Town pool Expenses & Lifeguard salaries in Fiscal Year 2023. We took in \$7,390 in pool revenue/deposits for Fiscal Year 2023.

The Park Department also paid \$16,506.97 in expense costs for field trip admission and bus transportation to take the children on field trips during the summer recreation program in Fiscal Year Y023.

New Programs for the residents and children during Fiscal Year 2023:

- Able to offer and bring back After School Dodgeball for the 1st time since 2020 (3 years)
- Golf Smart – Junior (8-14) & Adult golf clinics @ Wentworth Hills CC (Summer program)

The Plainville Park Department and entire community were devastated to hear of Malia Jusczyk's passing in June of 2023. Malia participated in all our Plainville Park & Rec programs since she was in kindergarten. Her mother and father have donated their own personal time to help fundraise and run programs to donate to the Park Department. The For Kids' Sake Foundation has made numerous donations to the Town Park courts project and Plainville Park Department over the years. Malia Dakota Jusczyk will be deeply missed by everyone, but she will never be forgotten! 08MJ23

PLANNING BOARD

The Town has an elected five-member Planning Board. The Planning Board generally meets the first and third Monday of every month at 6:00 PM in the Town Hall main meeting room. The general public is invited and encouraged to attend any and all Planning Board meetings.

The Town's Planning Board is charged with administering the State's Subdivision Control Law and the local subdivision rules and regulations. The Board is also the permitting authority for Site Plan and Special Permit applications under the local Zoning By-Laws. The Planning Board makes recommendations on Zoning By-Law amendments for approval at Town Meeting, and may, at its own discretion, adopt or change subdivision regulations.

The following article was recommended for Town meeting:

06/05/2023 Town Meeting

Article	Proposal	Action Taken
#21	Accept Horseshoe Drive as a public way	Approved

The Planning Board and its staff also work to aid property owners to guide them through the permitting process and assist them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal. The Board encourages landowners to contact the office early in the development process. This helps avoid long and costly plan revisions during the design review and helps streamline permitting. The Board and staff work closely with potential commercial developers to encourage appropriate development in Town to enhance revenue growth. The Planning Board works in cooperation with the Director of Planning & Development to coordinate with the Board of Health, Conservation Commission, Building Inspector, and the Zoning Board of Appeals to provide a comprehensive review on proposals that impact multiple boards.

The Planning Board met thirteen times to review new residential and commercial projects, and to administer the construction and status of previously approved projects. The Planning Department collected \$36,625.00 in application fees during Fiscal Year 2023. The Planning Board receives assistance in reviewing and approving permits from Graves Engineering, a professional engineering firm, whose services are paid for by the applicants.

The Board handled multiple projects throughout the year:

Location	Permit	Project	Action
210 South St.	Special Permit/Site Plan	Mixed use	Approved

The Planning Board also:

- Began working on the new Master Plan, in cooperation with SRPEDD, the regional planning agency. Funding is through grants received from DLTA via SRPEDD and from Massachusetts Housing Partnership. A separate Master Plan Committee was appointed to perform the bulk of the master planning work, although final approval of the plan is required from the Planning Board. The last Master Plan was completed in 2009.
- Hired Level Design Group to perform a drone survey of the Field of Dreams athletic complex in anticipation of future expansion.
- Coordinated with the Park Director to plan for Telford Park upgrades.
- Continued review of design plans for a proposed rail trail path between Cross and Green Streets.
- Obtained a grant for Rapid Flashing Beacons on Messenger Street at the elementary school crossings.

All applications received and reviewed by the Planning Board are on file with the Office of the Town Clerk and in the Planning Office. The Planning Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

PUBLIC LIBRARY

Vision Statement

The Plainville Public Library will be an essential public asset for the informational and recreational needs for the Townspeople of Plainville, which will exceed their expectations in every way. The library will enrich, empower, and educate our community in varied and suitable formats in an environment that is welcoming, clean, safe, comfortable and user-friendly.

Mission Statement

To provide the greatest possible access to the widest range of resources for all the residents of Plainville; to satisfy the diverse reading needs and interests of the community; to promote reading and literacy; to foster learning and lifelong education; to encourage the natural inquisitiveness of each individual; and to treat each person with dignity and respect.

Total Revenue:	\$297,615	Total Expenditures:	\$270,660

Services

The Plainville Public Library continues to be a lifeline to our community. The library was open our regular 40 hours a week. In January the library promoted checkouts by adults by giving away a free instant cocoa pack to anyone who checked out a book with our “Warm up with a Good Book” promotion. Blind Date with a Book was back in February. We accepted canned good in lieu of fines in the month of March. In April the library participated in the first SAILS Ultimate Library Road Trip to encourage exploration of area libraries. The library began uploading our on-order records to the SAILS Catalog so that our customers can place their holds on new books as soon as possible. And we expanded our New Book section to help people explore new titles. The library welcomed Karen Spiewak as a library technician in June.

In the children’s area the picture book grab and go themed bundles continue to be popular, while we also rearranged our bookshelves to create an easy non-fiction section. We welcomed our new children’s librarian, Cailin Chenelle in March. She quickly added new programming for children including an older children’s storytime and craft programs.

The library provided every Plainville elementary teacher a Plainville Library card for access to materials for their classroom with pickups provided by the school and returns through the book drop in the school parking lot. The library partnered with the Plainville Schools to start SORA by Overdrive in order for students to obtain free eBooks using their school credentials, which resulted in students checking out over 2000 eBooks and eAudiobooks. The Children’s librarian visited the Wood School to promote the summer reading program to grades 3-6.

The library continued to offer a shredding drop off box, package pick up, fax and copy services. The Plainville Public Library web site, located at www.plainvillepubliclibrary.org, has up to date website content including interactive library calendar, museum pass booking, eBooks, and newsletters. The Plainville Public Library has three public use computers using Envisionware in order to better track the usage on the computers and make it easier for staff to control access. Computer use averages 13 people a week used our three public internet computers within the library to check email, apply for health care, search for jobs and more. Many more use the Town fiber provided wifi with their own devices to complete their tasks. Wifi is available from the picnic table and benches outside the library.

Four staff members are trained Passport Agents who can accept U.S. Passport Applications on behalf of the Department of State, which brings in additional revenue to be used by the Library in a revolving account. Library staff processed 1052 passport applications this fiscal year, and many of those appointments were booked with our new Calendly booking software for the ease of our customers. This is an extraordinary amount as many customers let their passports expire during the past three years and were just now feeling comfortable enough to travel again.

Collection

Aside from the local collection seen here, all library customers could borrow materials from any of the 45 SAILS network libraries as well as the Commonwealth Catalog for libraries across the state. There were over 23,000 items circulated to and from our library for customers via statewide deliver, and an additional 4,100 eBooks were electronically exchanged. The library features downloadable music, books, and audiobooks available through our Overdrive collection, including our Partner libraries throughout the state. EBook usage rose again to 18.4% of our total circulation. The library added a collection of board games this year which circulate for 2 weeks at a time, as well as adding new puppets.

The library added a Library of Things reservation software this year to better allow customers to reserve items for when they will need them including our library's hotspots. The Library of Things received a donation from the Board of Health grant funds to purchase croquet, cornhole, binoculars, paper shredder, external CD/DVD drive, laser level, stud finder and electrical tools. The Library of Things was expanded to include more lawn games, a blood pressure cuff and oxygen monitor, a pickleball set and Wolverine digital movie converter.

BookFlix and Teachables continued to be popular to support schooling for parents and teachers. The library provided electronic content to our customers with free access to Universal Class, CreativeBug, A to Z World Food, and Tumblebooks. Our digital services expanded to include Learn it Live which has online yoga and meditation classes. Our electronic resources were used over 2,500 times.

The library encourages Plainville Residents to get a Boston Public Library eCard in order to have access to the greatest amount of online materials and research. Instructions can be found at <http://www.plainvillepubliclibrary.org/digital-resources.html>.

Building & Grounds

The flower barrel was planted and maintained this year by Carol Kennedy. The library building continues to grow older and requires more care. Weather stripping was replaced on some doors this year and the HVAC system is failing, with the AC units being the most problematic. The Town has started planning for its replacement. The garden areas at the front of the library are worked on by volunteers and the Director.

Programming

Library programming in person became the norm again as we progressed out of the pandemic. The library was pleased to cosponsor events with Self Help Inc. and Stoney Brook Audubon for preschool programming. The NPW Moms club sponsored Animal Craze. Emily of Blue Skies Dance ran 2 series of introduction to dance for ages 3-5 and 6-12.

The Plainville Cultural Council sponsored many events for families this year with the Toe Jam Puppet Band concert, ukulele lessons and a puppet show. For adults the Plainville Cultural council supported Matt York's Highwaymen Concert, a 1908 Tea presentation and a Fused Glass Pendant workshop.

The library also offered virtual programming with a 20-week Job Seekers Networking Group and 8 weeks of virtual tours of Massachusetts National parks in cooperation with other Massachusetts

libraries. We partnered with the Princeton Review to provide a free SAT online practice test for 74 students.

We support our community by being a location to drop off food for the Plainville Food Pantry and raising 111 canned goods during our annual pumpkin decorating contest and collecting Food for Fines. The library helped promote Keep Plainville Beautiful Cleanup Month in April by providing pick up tools to borrow and a display. We participated in the Lions Club first Spooktackular and had an information table at the school's Plainville Pride Night. The library collected over 250 toys for Toys for Tots and 21 new children's pajamas for the Boston Bruins and Cradles to Crayons Pajama Drive. The library collected cat food and treats for Angel Cat Haven and old glasses for the Lions Club.

Recognition

The Plainville Public Library would like to thank the Friends of the Plainville Public Library, Inc. for purchasing the passes to Showcase Cinemas, Capron Park Zoo, Roger Williams Zoo, Easton Children's Museum, Ecotarium, Providence Children's Museum, Boston Children's Museum, Plimouth Plantation, Museum of Fine Arts, New England Aquarium, Butterfly Place, Plimouth Patuxet, Patriot's Hall of Fame, Zoo New England, Salem Witch Museum, and the Museum of Science. They added 3 new passes with Davis Farmland, Battleship Cove and the Maparium this year. The Friends also sponsor four magazine subscriptions, and many programs at the library. The Friends were also instrumental in helping us revamp our staff kitchen area to include more storage and real sized refrigerator. The Friends are able to do so much because of the funds raised through their ongoing book sales and the amazing puzzle sale.

Thank you to all of the persons who have given donations in honor of a loved one this year. Numerous donations of books and puzzles flowed in for the Friends of the Library sales. Without the generous support of the citizens of Plainville, the library would not be as nice a place as it is now.

Thank you to the Trustees of the Plainville Public Library: Paula Mealy, Denise Nado and Brenda Watkinson, for their dedicated hard work to making sure the library is a welcoming, friendly, and resourceful place for everyone in the Town of Plainville. The Board of Library Trustees updated the bulletin board policy so we can post more community events, local job postings and events at local businesses. They also updated our Collection Development policy and Statement of Concern Regarding Library Materials this year.

Your Plainville Public Library is a Fiscal Year 2023 State of Massachusetts certified public library as certified by the Massachusetts Board of Library Commissioners in accordance with Massachusetts General Law Chapter 78, Section 19B. This ensures we receive our State Aid amounting to \$24,385 and a Small Libraries in Networks grant of \$2,450 in Fiscal Year 2023; we are eligible to apply for state and federal grants; Plainville residents have access to all of the statewide databases online; and our customers can borrow items freely from any library in Massachusetts as members in good standing with the SAILS Library Network and the Commonwealth Catalog.

Melissa Campbell
Director

PUBLIC WORKS

I am pleased to submit the following annual report describing the activities and accomplishments of the Plainville Public Works Department during the Fiscal Year 2023.

HIGHWAY OPERATIONS

Routine Road and Sidewalk Maintenance

All sidewalks and streets were swept in the spring of 2023.

All traffic markings including centerlines, edge lines, parking lines, turn symbols, stop lines and crosswalks were repainted in the summer of 2023.

Street signs, warning and regulatory signs were checked and repaired or replaced as needed. Potholes and other road and sidewalk defects were repaired as required.

Roadside and facility mowing was done in season. Cutting of brush at the roads edge and intersections was performed as required.

Resurfacing of Streets

Roads were chip sealed along High Street, Cross Street, Fales Road Warren Street and Hancock completed in spring 2023.

Street Drainage

The Highway Operations crew repaired several stormwater catch basins and manholes and rebuilt storm water leaching systems at various locations throughout town.

Winter Maintenance & Snow Removal

Snow plowing and sanding was performed as required. Although a relatively quiet winter for storms requiring snow plowing, Public Works staff responded to several weather events requiring sanding.

Tree Warden

A few hazardous trees were removed from the public right of way; some limited tree pruning was performed, and utility companies were informed of several streets with tree limbs in and or threatening contact with power lines.

Staffing

In Fiscal Year 2023, Plainville DPW welcomed the following new employees:

Dean Kahr
Barbra Lewicki
Tom Cronin
Tom Bilski
Tim Nogueira

WATER/SEWER OPERATIONS

Water

The Town of Plainville water system is governed by Massachusetts General Law Chapter 21G; better known as “The Water Management Act”. The act establishes guidelines and regulations used to apportion the amounts of water which may be withdrawn from surface water bodies and or groundwater sources in Massachusetts used for public or private water supply. Plainville has a “combined registered withdrawal volume” of 620,000 gallons per day from our sources which are located in three areas of Plainville: near Turnpike Lake, Lake Mirimichi and the Ten Mile River. Withdrawal volumes are issued or permitted by 100,000 gallons per day increments. The nearby communities of North Attleboro and Attleboro also withdraw, or have water rights, to sources that are within Plainville; namely Lake Mirimichi and the Ten Mile River aquifer.

Sewer

The Town’s sewer sanitary system consists of pump stations, and pipelines which convey all wastewater to a wastewater treatment facility in the Town of North Attleboro. Plainville has a 20-year renewable Inter-Municipal Agreement with the Town of North Attleboro that establishes a volume of wastewater (sewage) generated from within Plainville to be collected and piped into the North Attleboro system and the wastewater treatment facility (WWTF) that they own and operate. We, the Town of Plainville are a shareholder of 23.8 percent of the total costs associated with the operations and management of that facility and the collection system within their town, thus allowing us to “contribute” up to 23.8 per cent of the average daily volume or capacity flowing to the WWTF. The operation of the WWTF is governed by the USEPA utilizing the “National Pollutant Discharge Elimination System” (NPDES).

Staffing

In Fiscal Year 2023, the Plainville Water/Sewer Department welcomed the following new employees:

Brandon Morton
Chris Blase
Even Marot

We want to wish Dan Jennings farewell and much success for the future.

Water and Sewer Metrics for FY 2023

The following table shows the amount of water used in Plainville and the wastewater Plainville conveyed to the North Attleboro Wastewater Treatment Facility during the Fiscal Year 2023.

Month	Water Pumped & Distributed	Wastewater Conveyed To North Attleboro
	Millions of Gallons	
July	16.05	12.78
August	11.41	14.86
September	11.31	15.55
October	11.30	17.66
November	10.36	22.34
December	10.32	28.30
January	10.42	33.61
February	9.76	37.17
March	12.04	29.01
April	11.47	27.55
May	12.96	25.57
June	12.11	16.54
Totals	139.53	280.94

Water System Projects

Testing for a new well site was under way and location determined, awaiting approval from the DEP. A concept design has been completed for a new water treatment facility to increase capacity and address PFAS compounds Plainville's water sources have seen some significant improvements.

Sewer System Projects

Inflow & infiltration investigation continues in the Moran St. sub-system. This project has been slowed by the Covid pandemic and will resume spring of 2023.

Water and Sewer Operations Activities

The treatment operators in the Water Department took 552 samples from our water sources, treated finished water and distribution system to comply with our required water sampling schedule for

Massachusetts Department of Environmental Protection, responded to three water main breaks, four service leaks, 425 requests for dig safe, and replaced 28 water meters.

The front office of the Water and Sewer Department received many calls and emails for billing inquiries, water quality complaints, and general questions about our water and sewer system. The Operations crews responded to these water issues in a timely manner and are tasked with performing work in our pump houses and treatment plant facility, flushing and maintaining our water system, and preventive maintenance to our sewer collection pump stations.

Respectfully submitted,

Dennis Morton, Director
Plainville Public Works Department

TAXATION AID COMMITTEE

The mission of the Taxation Aid Committee is to provide aid to low-income elderly and disabled residents of Plainville by defraying the costs of their property taxes. The funds used by the Committee are based solely from donations made by the residents of Plainville.

The committee was authorized by vote of the Annual Town meeting, July 13, 2020, Article 4 (acceptance of MGL Chapter 60, Section 3D). It authorizes cities and towns to establish a fund for the purpose of accepting donations for property tax relief for certain seniors and disabled taxpayers. The statute calls for a five-member committee to be created, charged with establishing rules and guidelines for the distribution of funds, as well as the review of applications and their approval. The five-member board consists of the Chair of the Board of Assessors or designee, the Town Treasurer or designee, and three citizens appointed by the Select Board.

The Committee generally meets once a month. Scheduled meetings and location are posted on the Town website. The general public is invited to attend any and all Committee meetings.

During Fiscal Year 2023, the Committee met eleven times to carry out policies and procedures for the collection and distribution of the Tax Aid Fund. Specifically, we:

- a. Reached out to residents about donations and applications via property tax and excise tax bill inserts, town email, press releases, flyers, mass mailing (businesses and community groups only), thank you letters to donors and updates to the committee web site.
- b. Coordinated with the Council on Aging, the Veteran's Agent, and the Friends of Plainville Seniors (an independent 501c organization) to help us promote this program to the elderly and disabled. The Friends of Plainville Seniors assisted in the mass mailing.
- c. Awarded 11 tax grants (from \$500 to \$900 each) to eleven residents, totaling \$7000.

As of December 2022, the Tax Fund had a balance of \$7714 due to donations by residents, businesses, and community groups. After distribution of tax grants, the balance of \$714 was carried forward to the next calendar year.

As of June 2023, the Tax Fund had a balance of \$4,678 due to additional donations by residents.

The two committee vacancies have not been filled yet.

The Committee would like to thank the generous residents, businesses and community groups who contributed to the Tax Aid Fund. We look forward to continuing the program and improving upon it in 2024.

Respectfully submitted,

Richard Guillette, Chair

On behalf of the Taxation Aid Committee

Janet Jannell (Tax Collector)

Patricia Stewart (Board of Assessors, Chair)

TOWN ACCOUNTANT

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I present the comprehensive Annual Report of the Town Accountant for the fiscal year July 1, 2022, to June 30, 2023.

The role of Town Accountant is intricately defined by Massachusetts General Laws (MGL) Chapter 41, supplemented by federal statutes and local by-laws, all of which provide the necessary framework for responsible financial governance.

Throughout the fiscal year, meticulous scrutiny was applied to all invoices and payrolls, ensuring their accuracy and compliance with regulatory standards prior to submission for approval by the appropriate authorities. Concurrently, regular assessments of the Treasurer's financial holdings were conducted to verify their integrity. Timely updates regarding budget allocations and financial standing were disseminated to relevant departments and boards.

A combined Balance Sheet was meticulously prepared and submitted to the Department of Revenue's Division of Local Services/Bureau of Accounts for thorough review. In accordance with Chapter 59, Section 23 of the Massachusetts General Laws, the certified free cash and retained earnings for governmental funds as of July 1, 2023, are as follows: General Fund - \$1,877,945.00; Trash Enterprise Fund - \$271,980.00; Cable Enterprise Fund - \$25,942.00; Water Enterprise Fund - \$590,463.00; and Sewer Enterprise Fund - \$500,932.00.

The Town's accounting practices strictly adhere to the Uniform Municipal Accounting System under the prescribed guidelines of the Director of Accounts. Furthermore, an exhaustive audit for the Fiscal Year 2023 was conducted by the reputable CPA firm, Marcum LLP. Copies of audited financial statements are readily accessible for review at the Town Accountant's Office, the Town Clerk's Office and online via the Town's website.

The statements that follow will describe the Town's financial activity in summary form. Please contact the Accounting Office at the Town Hall if you are interested in additional information.

I would like to extend my sincere appreciation to all Town officials, staff members, and residents for their collaborative efforts with the Town Accountant's Office. In addition, I would like to acknowledge the extraordinary efforts of the Finance Department, comprised of the Town Accountant's, Treasurer/Collector's, and Assessor's offices, for their unwavering commitment to excellence in serving the community of Plainville. I would also like to share my heartfelt gratitude to Ann Marie Eisele, our long-term Departmental Assistant, and Pam Groh, the Assistant Town Accountant, whose dedicated service to the Town of Plainville significantly contributed to the efficiency and success of our Department.

Respectfully submitted,

Julie M. Hebert, Esq., CGA
Finance Director/Town Accountant

--------------	----------------------	------------

The Town Clerk gave instructions to poll workers on the electronic check in process with Poll Pads and their conduct regarding the election. This is the second election using the Poll Pads to check in voters. The Poll Pads made the check in process easy to find a registered voter. The workers and voters alike, were pleased with the way they worked. Every voter checked in with

the Poll Pad had a receipt printed with their name and address. The receipts were kept with the Inspectors as part of the election record. The Town Clerk also explained the proper procedure for handling “inactive voters” and the filing of “Affirmation of Current and Continuous Residence” forms. Written instructions were handed out to all election workers and police officers.

Town Clerk, Ellen Robertson, Officer Alfred Morel along with Clerk, Judy Pike inspected each ballot box. The ballot boxes were found to be empty. The ImageCast electronic scanner was turned on in each precinct and the machine tapes verified a count of zero. The ballot box keys were turned over to Officer Morel. The ballots were delivered to the precinct clerks at 6:25 A.M.

The Town Clerk declared the polls officially open at 7:00 A.M. The Police Officers on duty during the day were Officer Alfred Morel, Sergeant Scott Gallerani, and Officer Steve Fontes.

Governor Baker signed into law Chapter 92 of the Acts of 2022, the VOTES ACT. The new law changes some existing laws and makes permanent many of the procedures used in 2020. One of the changes makes early voting by mail permanent for all presidential primaries, state primaries and state elections. Early voting in person is required for presidential primaries, state primaries and state elections. The law also allows for advance removal and advance deposit of early and absentee ballots.

The Town Clerk’s office held in person early voting starting on Saturday August 27, 2022 from 10:00 am to 4:00 pm and during the normal business hours August 29th through September 1st.

Advance removal and deposit was duly posted and held on Thursday September 1, 2022. Poll workers for each precinct announced the voter’s name and address, checked in the voter on the Poll Pad and deposited the ballots into the ImageCast electronic scanner. When all ballots were deposited, the machines were powered down and the memory cards removed and stored in the vault to be tallied after the polls closed on Election Day.

The Town Clerk officially closed the polls at 8:00 P.M. Precinct one Election Day ballot box had a reading of 256 plus 6 hand counted ballots. The advance processing reading was 202 plus 1 hand counted ballot. Total ballots cast for precinct one was 465. Precinct two Election Day ballot box had a reading of 294 plus 2 hand counted ballots. The advance processing reading was 236 plus 9 hand counted ballots. Total ballots cast for precinct two was 541. Precinct three Election Day ballot box had a reading of 330. The advance processing reading was 220 plus 4 hand counted ballots. Total ballots cast for precinct three was 554. The ballot boxes were opened, and the ballots were removed for tallying in the presence of Officer Fontes, the wardens, clerks and observers. At 10:00 P.M. the election tally was completed. The total number of votes cast was 1560 (21.7% of the 7180 registered voters). The Town Clerk read the results as listed below.

Respectfully submitted,

Ellen M. Robertson, CMC/CMMC
Town Clerk

QUESTION 1: PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the two houses on June 12, 2019 (yeas 147 – nays 48); and again on June 9, 2021 (yeas 159 – nays 41)?

SUMMARY

This proposed constitutional amendment would establish an additional 4% state income tax on that portion of annual taxable income in excess of \$1 million. This income level would be adjusted annually, by the same method used for federal income-tax brackets, to reflect increases in the cost of living.

Revenues from this tax would be used, subject to appropriation by the state Legislature, for public education, public colleges and universities; and for the repair and maintenance of roads, bridges, and public transportation. The proposed amendment would apply to tax years beginning on or after January 1, 2023.

A YES VOTE would amend the state Constitution to impose an additional 4% tax on that portion of incomes over one million dollars to be used, subject to appropriation by the state Legislature, on education and transportation.

A NO VOTE would make no change in the state Constitution relative to income tax.

QUESTION 2: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

SUMMARY

This proposed law would direct the Commissioner of the Massachusetts Division of Insurance to approve or disapprove the rates of dental benefit plans and would require that a dental insurance carrier meet an annual aggregate medical loss ratio for its covered dental benefit plans of 83 percent. The medical loss ratio would measure the amount of premium dollars a dental insurance carrier spends on its members' dental expenses and quality improvements, as opposed to administrative expenses. If a carrier's annual aggregate medical loss ratio is less than 83 percent, the carrier would be required to refund the excess premiums to its covered individuals and groups. The proposed law would allow the Commissioner to waive or adjust the refunds only if it is determined that issuing refunds would result in financial impairment for the carrier.

The proposed law would apply to dental benefit plans regardless of whether they are issued directly by a carrier, through the connector, or through an intermediary. The proposed law would not apply to dental benefit plans issued, delivered, or renewed to a self-insured group or where the carrier is acting as a third-party administrator.

The proposed law would require the carriers offering dental benefit plans to submit information about their current and projected medical loss ratio, administrative expenses, and other financial information to the Commissioner. Each carrier would be required to submit an annual comprehensive financial statement to the Division of Insurance, itemized by market group size and line of business. A carrier that also provides administrative services to one or more self-insured groups would also be required to file an appendix to their annual financial statement with information about its self-insured business. The proposed law would impose a late penalty on a carrier that does not file its annual report on or before April 1.

The Division would be required to make the submitted data public, to issue an annual summary to certain legislative committees, and to exchange the data with the Health Policy Commission. The Commissioner would be required to adopt standards requiring the registration of persons or entities not otherwise licensed or registered by the Commissioner and criteria for the standardized reporting and uniform allocation methodologies among carriers.

The proposed law would allow the Commissioner to approve dental benefit policies for the purpose of being offered to individuals or groups. The Commissioner would be required to adopt regulations to determine eligibility criteria.

The proposed law would require carriers to file group product base rates and any changes to group rating factors that are to be effective on January 1 of each year on or before July 1 of the preceding year. The Commissioner would be required to disapprove any proposed changes to base rates that are excessive, inadequate, or unreasonable in relation to the benefits charged. The Commissioner would also be required to disapprove any change to group rating factors that is discriminatory or not actuarially sound.

The proposed law sets forth criteria that, if met, would require the Commissioner to presumptively disapprove a carrier's rate, including if the aggregate medical loss ratio for all dental benefit plans offered by a carrier is less than 83 percent.

The proposed law would establish procedures to be followed if a proposed rate is presumptively disapproved or if the Commissioner disapproves a rate.

The proposed law would require the Division to hold a hearing if a carrier reports a risk-based capital ratio on a combined entity basis that exceeds 700 percent in its annual report.

The proposed law would require the Commissioner to promulgate regulations consistent with its provisions by October 1, 2023. The proposed law would apply to all dental benefit plans issued, made effective, delivered, or renewed on or after January 1, 2024.

A YES VOTE would regulate dental insurance rates, including by requiring companies to spend at least 83% of premiums on member dental expenses and quality improvements instead of administrative expenses, and by making other changes to dental insurance regulations.

A NO VOTE would make no change in the law relative to the regulations that apply to dental insurance companies.

QUESTION 3: LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives on or before May 3, 2022?

SUMMARY

This proposed law would increase the statewide limits on the combined number of licenses for the sale of alcoholic beverages for off-premises consumption (including licenses for “all alcoholic beverages” and for “wines and malt beverages”) that any one retailer could own or control: from 9 to 12 licenses in 2023; to 15 licenses in 2027; and to 18 licenses in 2031.

Beginning in 2023, the proposed law would set a maximum number of “all alcoholic beverages” licenses that any one retailer could own or control at 7 licenses unless a retailer currently holds more than 7 such licenses.

The proposed law would require retailers to conduct the sale of alcoholic beverages for off-premises consumption through face-to-face transactions and would prohibit automated or self-checkout sales of alcoholic beverages by such retailers.

The proposed law would alter the calculation of the fine that the Alcoholic Beverages Control Commission may accept in lieu of suspending any license issued under the State Liquor Control Act. The

proposed law would modify the formula for calculating such fee from being based on the gross profits on the sale of alcoholic beverages to being based on the gross profits on all retail sales.

The proposed law would also add out-of-state motor vehicle licenses to the list of the forms of identification that any holder of a license issued under the State Liquor Control Act, or their agent or employee, may choose to reasonably rely on for proof of a person's identity and age.

A YES VOTE would increase the number of licenses a retailer could have for the sale of alcoholic beverages to be consumed off premises, limit the number of “all-alcoholic beverages” licenses that a retailer could acquire, restrict use of self-checkout, and require retailers to accept customers’ out-of-state identification.

A NO VOTE would make no change in the laws governing the retail sale of alcoholic beverages.

QUESTION 4: REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives and the Senate on May 26, 2022?

SUMMARY

This law allows Massachusetts residents who cannot provide proof of lawful presence in the United States to obtain a standard driver's license or learner's permit if they meet all the other qualifications for a standard license or learner's permit, including a road test and insurance, and provide proof of their identity, date of birth, and residency. The law provides that, when processing an application for such a license or learner's permit or motor vehicle registration, the registrar of motor vehicles may not ask about or create a record of the citizenship or immigration status of the applicant, except as otherwise required by law. This law does not allow people who cannot provide proof of lawful presence in the United States to obtain a REAL ID.

To prove identity and date of birth, the law requires an applicant to present at least two documents, one from each of the following categories: (1) a valid unexpired foreign passport or a valid unexpired Consular Identification document; and (2) a valid unexpired driver's license from any United States state or territory, an original or certified copy of a birth certificate, a valid unexpired foreign national identification card, a valid unexpired foreign driver's license, or a marriage certificate or divorce decree issued by any state or territory of the United States. One of the documents presented by an applicant must include a photograph and one must include a date of birth. Any documents not in English must be accompanied by a certified translation. The registrar may review any documents issued by another country to determine whether they may be used as proof of identity or date of birth.

The law requires that applicants for a driver's license or learner's permit shall attest, under the pains and penalties of perjury, that their license has not been suspended or revoked in any other state, country, or jurisdiction.

The law specifies that information provided by or relating to any applicant or license-holder will not be a public record and shall not be disclosed, except as required by federal law or as authorized by Attorney General regulations, and except for purposes of motor vehicle insurance.

The law directs the registrar of motor vehicles to make regulations regarding the documents required of United States citizens and others who provide proof of lawful presence with their license application.

The law also requires the registrar and the Secretary of the Commonwealth to establish procedures and regulations to ensure that an applicant for a standard driver's license or learner's permit who does not provide proof of lawful presence will not be automatically registered to vote.

The law takes effect on July 1, 2023.

A YES VOTE would keep in place the law, which would allow Massachusetts residents who cannot provide proof of lawful presence in the United States to obtain a driver's license or permit if they meet the other requirements for doing so.

A NO VOTE would repeal this law.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said voting.

Given under our hands this 11th day of October, 2022.

Stanley Widak, Jr., Chairman

Brian M. Kelly

Jeffrey Johnson

Selectboard of Plainville

I have this day posted six (6) copies in six (6) public places in the Town of Plainville and have returned one (1) signed copy to the Town Clerk.

Constable – Peter Littlefield

October 13, 2022
Date

STATE ELECTION NOVEMBER 8, 2022

Governor Baker signed into law Chapter 92 of the Acts of 2022, the VOTES ACT. Early voting by mail became permanent for all presidential primaries, state primaries and state elections, and early voting in person is required for all presidential primaries, state primaries and state elections. The law also allowed for advance removal and depositing of early and absentee ballots.

Ballots were mailed to 1,893 residents who applied to vote early by mail. The Town Clerk's office held in person early voting starting on Saturday, October 22, 2022, and ending on Thursday, November 3, 2022. During this two-week period, 442 people voted early in person.

Advance removal and deposit was duly posted and held on Friday, November 4, 2022. Poll workers for each precinct announced the voter's name and address, checked in the voter on the Poll Pad and deposited the ballots into the ImageCast electronic scanner. When all ballots were deposited, the machines were powered down and the memory cards were removed and stored in the vault to be tallied after the polls closed on Election Day.

Pursuant to the foregoing warrant for the November 8, 2022, State Election that was held in the Public Safety Building, 194 South Street, Plainville, Massachusetts, Norfolk County, the following election officials were sworn into their faithful performance of duty by Assistant Town Clerk, Cynthia Bush.

PRECINCT ONE

<u>Name</u>	<u>Position</u>	<u>Party</u>
Marianne Nicastro	Warden	Unenrolled
Maureen Garron	Clerk	Republican
Patricia Stein	Inspector	Unenrolled
Doris Madden	Inspector	Unenrolled
John Frassa	Inspector	Unenrolled

PRECINCT TWO

Brenda Watkinson	Warden	Unenrolled
Patricia Stewart	Clerk	Unenrolled
Susan Hartshorn	Inspector	Unenrolled
Fran Whittenberger	Inspector	Unenrolled
Carol Lerch	Inspector	Unenrolled

PRECINCT THREE

Judy Pike	Warden	Unenrolled
Claire Stafford	Clerk	Unenrolled
Kristine Moore	Inspector	Unenrolled
Jean MacDonald	Inspector	Unenrolled
Susan Haines	Inspector	Republican

The Assistant Town Clerk gave instructions to the poll workers on the proper electronic check-in process using Poll Pads, and then reviewed general election rules and regulations to be followed. Also explained was the proper procedure for handling “inactive voters” and voters who requested a vote by mail ballot, but did not return one and decided to vote in person instead. Every voter was checked in with the Poll Pad and had a receipt printed with their name and address. The receipts were kept with the Inspectors as part of the election record.

The ballots were delivered to the precinct Clerks at 6:15 A.M. by Assistant Town Clerk Cynthia Bush and Officer Steven Fontes. Next, they, along with Principal Clerk/Warden Marianne Nicastro, Warden Brenda Watkinson, and Warden Judy Pike inspected each ballot box. The ballot boxes were found to be empty. The Image Cast electronic scanner was turned on in each precinct and the machine tapes verified a count of zero. The ballot box keys were turned over to Officer Fontes.

The Assistant Town Clerk declared the polls officially open at 7:00 A.M. The Police Officers on duty during the day were Officer Steven Fontes, Officer Brian Scully, Sergeant Scott Gallerani, Sergeant Michael Street, Officer Wayne Cohen and Officer Ryan Flanagan.

The State Election ran very smoothly. It was steady throughout the day. There were 256 inactive voters that presented to vote on election day. Each inactive voter was required to file an “Affirmation of Current and Continuous Residence” prior to being approved by the Clerk to vote.

The Assistant Town Clerk officially closed the polls at 8:00 P.M. The ballot boxes were opened, and the ballots were removed for tallying in the presence of Officer Flanagan, the Wardens, and observers.

Precinct One Election Day ballot box had a reading of 754 plus 6 hand counted ballots. The advance processing reading was 482 plus 8 hand counted ballots. Precinct Two Election Day ballot box had a reading of 793 plus 3 hand counted ballots. The advance processing reading was 593 plus 3 hand counted ballots. Precinct Three Election Day ballot box had a reading of 907 plus 4 hand counted ballots. The advance processing reading was 574 plus 20 hand counted ballots.

There was a post-election tabulation session on November 14, 2022. Grace Simmons, Board of Registrars Chairperson, Assistant Town Clerk Cynthia Bush and Principal Clerk Marianne Nicastro were present. Precinct One had 4 post-election ballots processed and deposited. Precinct Two had 18 post-election ballots processed and deposited. Precinct Three had 13 post-election ballots processed and deposited.

The total number of votes cast was 4182 (58% of the 7273 registered voters). The total ballots cast for Precinct One was 1254. The total ballots cast for Precinct Two was 1410. The total ballots cast for Precinct Three was 1518.

Respectfully submitted,

Cynthia Bush
Assistant Town Clerk

ANNUAL TOWN ELECTION APRIL 3, 2023

Pursuant to the foregoing warrant for the April 3, 2023 Annual Town Election that was held in the Public Safety Building 194 South St. Plainville, Massachusetts, Norfolk County,

The following election officials were sworn into their faithful performance of duty by the Town Clerk, Ellen M. Robertson.

PRECINCT ONE

<u>Name</u>	<u>Position</u>	<u>Party</u>
Cynthia Burlingame	Warden	Unenrolled
Maureen Garron	Clerk	Republican
Patricia Stein	Inspector	Unenrolled
Doris Madden	Inspector	Unenrolled
Jack Frassa	Inspector	Unenrolled

PRECINCT TWO

Brenda Watkinson	Warden	Unenrolled
Patricia Stewart	Clerk	Unenrolled
Carol Lerch	Inspector	Unenrolled
Fran Whittenberger	Inspector	Unenrolled
Susan Hartshorn	Inspector	Unenrolled

PRECINCT THREE

Judy Pike	Warden	Unenrolled
Claire Stafford	Clerk	Unenrolled
Susan Haines	Inspector	Unenrolled
Jean MacDonald	Inspector	Unenrolled
Kristine Moore	Inspector	Unenrolled
Cynthia Bush	Assistant Town Clerk	Unenrolled
Marianne Nicastro	Principal Clerk	Unenrolled

The Town Clerk swore in the election workers and thanked them for their service. The election workers were given instructions on the electronic check in process with Poll Pads and their conduct regarding the election. The Town Clerk also explained the proper procedure for handling “inactive voters” and the filing of “Affirmation of Current and Continuous Residence” forms.

ANNUAL TOWN ELECTION APRIL 3, 2023

Town Clerk, Ellen Robertson, Officer Alfred Morel along with the Clerks from each precinct inspected each ballot box. The ballot boxes were found to be empty. The ImageCast electronic scanner was turned on in each precinct and the machine tapes verified a count of zero. The ballot box keys were turned over to Officer Morel. The ballots were delivered to the precinct clerks at 6:30 A.M.

The Town Clerk declared the polls officially open at 7:00 A.M. The Police Officers on duty during the day were Officer Alfred Morel, Sergeant Scott Gallerani and Officer John McLaughlin.

The three precinct clerks processed absentee and early ballots. Six (6) people voted by absentee ballot in precinct one. Six (6) absentee and four (4) early ballots were processed in precinct two and three (3) absentee and six (6) early ballots were processed in precinct three. The absentee and early voted ballots go through the ImageCast scanner and into the ballot box the same way as the regular ballots and are included on the ballot box total.

The Town Clerk officially closed the polls at 8:00 P.M. Precinct one ballot box had a reading of 232. Precinct two ballot box had a reading of 212. Precinct three ballot box had a reading of 420. All of the ballots went through the tabulators. No ballots needed to be hand counted. The ballot boxes were opened, and the ballots were removed for tallying in the presence of Officer McLaughlin, the wardens, and clerks.

There were two known write-in candidates for the Redevelopment Authority with a total of one hundred fifty-six (156) miscellaneous write in votes. At 8:50 P.M. the tally for the Redevelopment Authority in all three precincts were completed. At that time the Town Clerk and the newly elected Town Clerk, Cynthia Bush returned to a waiting crowd at the Town Hall to read the unofficial results.

At 9:45 P.M. the election tally for all races in each precinct was completed. The total number of votes cast was 864 (11.9% of the 7247 registered voters).

Respectfully submitted,

Ellen M. Robertson, CMC/CMMC
Town Clerk

**TOWN OF PLAINVILLE
PROCEEDINGS OF THE ANNUAL TOWN MEETING - JUNE 5, 2023**

The Annual Town Meeting was held at the Beatrice H. Wood Elementary School, 72 Messenger Street on Monday, June 5, 2023. A quorum was present with a total of 172 voters checked in for the evening. Town Moderator, Luke Travis, called the meeting to order at 7:16 P.M. The Moderator read the opening of the warrant. The Town Clerk confirmed that the warrant was posted and returned in the proper fashion.

The Pledge of Allegiance was led by Luke Travis, followed by a moment of silence for fallen military personnel and first responders.

Introductions were made of the Town Clerk, Finance Committee, Select Board, Town Administrator, and Town Counsel.

The Town Clerk swore in Justin Alexander, Janet Jannell, Sherrill Minch and Ellen Robertson as vote counters for the evening. The Moderator declared the meets and bounds of the hall. He also gave the following information and instructions:

- All voters should have checked in and received a pink voter's card
- Please silence all cell phones
- The warrant articles are the notice and the motions are what we will vote on so please listen to the motion carefully
- Motion amendment forms may be found upfront at the Town Clerk's table
- The consent agenda covers (4) four articles: 1,6,7 and 23
- Article 3 is the omnibus budget
- There will be some articles where we will waive the reading of the article
- At 10:00 we will take a sense of the meeting to continue

The Moderator made introductions of Representative Marcus Vaughn, Senator Rebecca Rausch, Tri-County Superintendent Karen Maguire, King Philip Assistant Superintendent Susan Gilson, and Plainville Superintendent Jen Parson, as well as the Plainville School Committee who is seated in the front row.

PRIOR TO ARTICLE 1

MOTION: by Maggie Clarke and seconded by Jeffrey Johnson. The Select Board recommends, and I so move that the following individuals, who are not registered voters of the Town of Plainville, be authorized to speak at this and subsequent sessions of the Annual Town Meeting:

Requested by the Finance Committee

This Article advances the Operating Budget for the Town for the Fiscal Year that begins on July 1st. The Finance Committee has balanced the available revenue with the department requests and is advancing this budget for the approval of the Town Meeting. The Finance Committee

unanimously recommends this Article as presented in the “Finance Committee Recommends” column.

MOTION: by Reed Webster to move Article 28 ahead of Article 3. Seeing no second, the moderator declared the **MOTION FAILED**.

MOTION: by Mark Johnson and seconded by Jeffrey Johnson. I move that the Town fix the salaries of all elected officials for the Fiscal Year 2024 and appropriate funds for the payment of said salaries and compensation, including the approval and funding of the Town’s obligations under the Collective Bargaining Agreements completed in the fiscal and calendar year, the payment of debt and interest, provide for a reserve fund, and for charges, expenses and outlays of the several town departments for the ensuing twelve (12) month period from July 1, 2023 through June 30, 2024; all as set forth in the budget presented by the Finance Committee as evidenced in the final total in the column entitled, “Finance Committee Recommends,” and as funding therefore, to appropriate as follows:

\$30,586,371	raised from Taxation
\$3,078,155	raised from Projected State Revenue
\$3,962,400	raised from Estimated Local Receipts
\$336,478	transferred from the Water Enterprise Fund
\$217,920	transferred from the Sewer Enterprise Fund
\$33,735	transferred from the Solid Waste Enterprise Fund
\$2,167,613	as previously transferred from the Gaming Stabilization Fund in Article 2
\$40,382,672	GRAND TOTAL

MOTION TO AMEND: by Reed Webster and seconded by David Gagne. I’d like to make a motion to move \$385,500.00 from 10 specific departmental budget recommendations to free cash. After much discussion on the motion to amend, Town Council clarified this cannot go to free cash and would remain unallocated to be voted on how to allocate at the end of the meeting.

or take any other action thereon or in relation thereto.

Requested by the Finance Committee

This Article provides for some of the capital requests in the budget. The Finance Committee unanimously recommends this Article as stated in the “Finance Committee’s Recommendation” column.

MOTION: by Mark Johnson and seconded by Nicholas Sammarco. I move that the Town transfer the sum of \$1,318,688 from Free Cash to fund the Capital Budget Requests as specified in the “Finance Committee Recommends” column of Article 4 of the Annual Town Meeting Warrant of June 5, 2023.

ARTICLE 7: To see if the Town will vote to accept and expend any sum or sums of money that may be available from the Commonwealth of Massachusetts (Massachusetts Department of Transportation) for Chapter 90 type construction, improvements, and/or reconstruction of public ways and associated equipment; and to authorize the Select Board to enter into contracts relative thereto, and to appropriate said sum or sums in anticipation of reimbursement from the Commonwealth; or take any other action thereon or in relation thereto.

Requested by the DPW Superintendent

This article permits the Town to accept and spend money appropriated to the Town by the Commonwealth for road repairs and related expenses. The Finance Committee unanimously recommends this Article.

MOTION: by Jeff Johnson and seconded by Maggie Clarke. I move that the Town vote to accept and expend any sum or sums of money that may be available from the Commonwealth of Massachusetts for Chapter 90 type construction improvements or reconstruction of public ways and associated equipment, further to authorize the Town to enter into contracts relative thereto and to appropriate said sum or sums in anticipation of reimbursement from the Commonwealth

or take any other action relative thereon in relation thereto.

Requested by the Director of Public Works

The Article authorizes the “Enterprise Fund” for the operation of the Water Department. It permits the use of dedicated funds collected for the services provided to be spent within the fiscal year for the expenses of operating the Water Department. The Finance Committee unanimously recommends this Article.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move that the Town vote to appropriate the sum of \$2,332,962 to operate the Water Enterprise Fund authorized under Massachusetts General Laws Chapter 44, Section 53F½, as set forth in Article 8 of the June 5, 2023 Annual Town Meeting Warrant.

ARTICLE 13: To see if the Town will transfer from Water Enterprise Fund Retained Earnings the sum of \$107,699 to pay the costs for the current year Bond Anticipation Note (BAN) interest due, related to the Pleasant Street and Grove Street water main replacement project and the Turnpike Lake Treatment Plant Expansion permitting and design or take any other action thereon or in relation thereto.

Requested by the Treasurer & Finance Director

The development of a new well and the proposed water treatment plant will entail expenses for the Water Department, including design, construction, and initiation costs. To facilitate the financing of these endeavors, the Town may need to borrow money in due course. However, until the complete amount of the borrowing is finalized, the initial expenses may be covered by a

“Bond Anticipation Note” (BAN), which is a form of short-term borrowing that enables the project to be funded while waiting for the bond to be fully issued. The funding for this article will be an amendment of the FY23 operating budget for the Water Enterprise Fund to provide funding for the interest due at the maturity of the BAN in June, which was unbudgeted in FY23. The Finance Committee unanimously recommends this Article.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move that the Town transfer from Water Enterprise Fund Retained Earnings the sum of \$107,699 to pay the costs for the current year Bond Anticipation Note (BAN) interest due.

ARTICLE 14: To see if the Town will raise and appropriate, transfer from available funds or otherwise provide a sum of money to fund the Special Education Reserve Fund (85-300-3590-0000-0000) as established at the Annual Town Meeting of June 2017, subject to the terms and conditions as voted by Town Meeting at that time; or take any other action thereon or in relation thereto.

Requested by the Select Board and School Committee

In June of 2017, the Town Meeting adopted Massachusetts General Law Chapter 40, Section 13E which permitted the establishment of a reserve fund to mitigate special education costs. The intent of the article is to fund the Special Education Reserve Fund at a level that is realistic to the need and to allow the School Department access to funds by authorization of the School Committee and the Select Board should the need arise. Massachusetts General Law caps the contribution to this account at 2% of “Net School Spending.” The Finance Committee unanimously recommends approval of this article in the amount of \$182,000.

MOTION: by Justin Alexander and seconded Jeffrey Johnson. I move that the Town transfer from Free Cash the sum of \$182,000 to the Special Education Reserve Fund in accordance with MGL Chapter 40, Section 13E.

ARTICLE 15: To see if the Town will raise and appropriate, transfer from available funds or otherwise provide a sum of money to fund additional supplemental aid for special education or take any other action thereon or in relation thereto.

Requested by the School Committee

The School Committee and school administration have formally requested an extraordinary appropriation to offset the expenses associated with special education. The demand for services has exceeded the schools' operational budget, making it challenging to accommodate all students with special needs. The Finance Committee unanimously recommends this Article in the amount of \$200,000.

MOTION: by Justin Alexander and seconded by Jeffrey Johnson. I move that the Town transfer from Free Cash the sum of \$200,000 to fund supplemental aid for special education for Plainville Public Schools.

ARTICLE 16: To see if the Town will raise and appropriate, transfer from available funds or otherwise provide a sum of money to the “Compensated Balances Reserve Fund” for use in the current FY23 budget to address the liability of compensation balances accrued by Town employees under a collective bargaining agreement or a personnel contract; or take any other action thereon or in relation thereto.

Requested by the Town Administrator and the Finance Director

Town employees may accrue “comp time,” or other benefits such as earned, but unused vacation time. Upon retirement or departure, the Town is obligated to pay out all of the employee’s accumulated “compensated balances.” The Finance Committee unanimously recommends approval of this article in the amount of \$100,000.

MOTION: by Brian Kelly and seconded by Jeffrey Johnson. I move that the Town vote to transfer from Free Cash the sum of \$100,000 to the “Compensated Balances Reserve Fund” under MGL Chapter 40, Section 13D to address the liability of compensation balances accrued by town employees under a collective bargaining agreement, town bylaw, or a personnel contract. ARTICLE 17: To see if the Town will raise and appropriate, transfer from available funds or otherwise provide a sum of money to dissolve a current year a bond anticipation note (BAN) that originated for the purchase of an ambulance at the FY21 Annual Town Meeting, Article 13, June 7, 2021; or take any other action thereon or in relation thereto.

Requested by Town Treasurer

The Town has sufficient funds to dissolve this note and pay off the outstanding balance and reduce the debt and debt service that would otherwise be incurred. The funding for this article is an amendment to the FY23 operating budget. The Finance Committee unanimously recommends this Article in the amount of \$360,000.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move that the Town transfer the sum of \$360,000 from Free Cash to dissolve the Bond Anticipation Note (BAN) as described in Article 17 of the Annual Town Meeting Warrant of June 5, 2023

Requested by the Finance Director and Treasurer/Collector

This Article transfers money from Free Cash to the Other Post-Employment Benefits (OPEB) Trust Fund. The Finance Committee unanimously recommends this Article by the way in the amount of \$50,000.

MOTION: by Brian Kelly seconded by Jeffrey Johnson. I move that the Town transfer from Free Cash the sum of \$50,000 to the Town's OPEB Trust Fund as outlined in Article 18.

ARTICLE 19: To see if the Town will reserve from FY24 Community Preservation Fund - Estimated Revenues, the sum of \$13,437.50 for administrative expenses, 10% (\$26,875) for open space purposes; 10% (\$26,875) for historic preservation; 10% (\$26,875) for affordable housing; and the remaining \$174,687.50 to the FY24 Community Preservation Fund Budgeted Reserve; or take any other action relative thereon or in relation thereto.

Requested by the Community Preservation Committee

This Article follows Massachusetts General Law that requires the reserving of certain percentages of the Community Preservation Act funds for specific purposes. This is done annually at Town Meeting. The Finance Committee unanimously recommends this Article.

Said sum is to be administered under the jurisdiction of the Plainville Park and Recreation Department.

All funding is subject to the approval of the Community Preservation Committee prior to disbursement to any other administrative agency; or take any other action thereon or in relation thereto.

Requested by the Community Preservation Committee

The Community Preservation Committee administers the Community Preservation Act Funds and this request pays for engineering design costs for ball fields and other recreational areas at the “Field of Dreams.” The Finance Committee unanimously recommends this Article.

ARTICLE 21: To see if the Town will vote to accept as a town way the roadway known as Horseshoe Drive, and accept an appurtenant drainage lot, as described below:

1. A fee interest in a parcel of land shown as “Horseshoe Drive” on a plan of land entitled “Whispering Pines, A Subdivision in Plainville, Mass.” dated May 23, 1979, revised August 6, 1979, prepared by RIM Engineering Company, Inc., Mansfield, Mass. (two sheets), and recorded in the Norfolk County Registry of Deeds as Plan #784 (Sheets A & B) of 1979, Plan Book 277.
2. A fee interest in two parcels of land located on Parcels 1 and 5, as shown on a plan of land entitled “Subdivision of Land” for Young Realty, dated March 15, 1979, prepared by SMR Surveying & Engineering Co., and recorded in the Norfolk County Registry of Deeds as Plan #243 of 1979, Plan Book 274. The two parcels are labeled “Note: This

portion of Parcel 1 is to be deeded to the Town of Plainville on acceptance of new road” and “Note: This portion of Parcel 5 is to be deeded to the Town of Plainville on acceptance of new road.”

3. A fee interest in Lot 24, labeled as “Not a Buildable Lot – Drainage Easement”, containing 38,261 square feet, as shown on a plan entitled “Whispering Pines, A Subdivision in Plainville, Mass.” dated May 23, 1979, revised August 6, 1979, prepared by RIM Engineering Company, Inc., Mansfield, Mass., and recorded in the Norfolk County Registry of Deeds as Plan #784 (Sheet B) of 1979, Plan Book 277.

The roadway has been heretofore laid out by the Select Board and the plans are on file with the Town Clerk. To also authorize the Select Board to acquire on behalf of the Town by gift, purchase, or eminent domain the fee interest in Horseshoe Drive for all purposes for which public ways are used in the Town of Plainville, and Lot 24 for associated drainage; or take any other action thereon or in relation thereto.

Requested by the Select Board and recommended by the Planning Board

This Article would authorize the Select Board to accept Horseshoe Drive as outlined above once all the terms and conditions are met. The acceptance of the street means that the road was built to a certain standard and the obligation of maintenance and upkeep now becomes a Town’s responsibility.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move Article 21 as written in the Warrant in accordance with MGL Chapter 82, Section 23.

ARTICLE 22: To see if the Town will request a “Home Rule Petition” to the legislature to authorize the appointment of retired police officers as “Special Police Officers” to perform police details or other police duties arising from police details or during the course of police detail work as presented below; or take any other action thereon or in relation thereto.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. The Town Administrator of the Town of Plainville may appoint retired police officers of the Town of Plainville as special police officers to perform police details or other police duties arising from police details or during the course of police detail work, whether or not related to the detail work. The retired police officers shall have been regular, full-time police officers who retired in good standing and based on superannuation. A special police officer appointed pursuant to this act shall not be subject to the maximum age restrictions for police officers set forth in chapter 32 of the General Laws, but shall not be eligible to serve as a special police officer once the special police officer has reached the age of 70.

SECTION 2. Prior to appointment as a special police officer pursuant to this act, a retired police officer shall be required to: (i) pass a medical examination conducted by a physician selected by the chief of police of the Town of Plainville to determine whether the retired police officer is capable of performing the essential duties of a special police officer; and (ii) provide proof of that passage to the chief of police. Additional post-appointment fitness for duty examinations may be required of a special police officer by the chief of police if, in the chief of police's sole discretion, a question as to that special police officer's fitness for duty has arisen. The cost of all medical examinations pursuant to this section shall be borne by the retired or special police officer.

SECTION 3. A special police officer appointed pursuant to this act shall not be subject to chapter 31, sections 99A and 111F of chapter 41 or chapter 150E of the General Laws. A special police officer may be required by the chief of police, as a condition of employment, to purchase an insurance policy that indemnifies the Town of Plainville against workers' compensation costs in the event that the special police officer is injured while performing the duties of a special police officer.

SECTION 4. A special police officer appointed pursuant to this act shall be subject to the policies, procedures, rules and regulations of the police department of the Town of Plainville including, but not limited to, those policies, procedures, rules and regulations governing training, equipment, uniforms, certifications or any other restrictions or requirements related to employment as a special police officer.

SECTION 5. A special police officer of the Town of Plainville, while performing the duties described in this act, shall have the same power of arrest and authority to perform other police functions as a full-time, regular police officer of the Town of Plainville.

SECTION 6. A special police officer shall be appointed annually for a term of 1 year commencing on July 1, but shall serve at the pleasure of the Town of Plainville and may be suspended or removed from the appointment by the town administrator at any time. In the case of removal, the special police officer shall be provided with 14 days written notice before removal.

SECTION 7. The chief of police of the Town of Plainville may restrict the type of detail assignments that special police officers may work. Special police officers appointed pursuant to this act shall not be subject to section 96B of chapter 41 of the General Laws. The cost of all training, equipment, and uniforms shall be borne by the special police officer except as otherwise determined by the chief of police.

SECTION 8. Special police officers of the Town of Plainville shall be sworn before the clerk of the Town of Plainville, who shall keep a record of all appointments and expirations of appointments.

SECTION 9. Special police officers appointed pursuant to this act shall be eligible for indemnification pursuant to section 100 of chapter 41 of the General Laws. Special police officers shall not be subject to section 85H or 85H1/2 of chapter 32 of the General Laws and shall not be eligible for any benefits pursuant to said section 85H or 85H1/2 of said chapter 32.

SECTION 10. The assignment of a special police officer pursuant to this act to a police detail or other duties shall be at the discretion of the chief of police of the Town of Plainville.

SECTION 11. A special police officer appointed pursuant to this act shall be subject to the limitations on hours worked and earnings restrictions in section 91 of chapter 32 of the General Laws.

SECTION 12. This act shall take effect upon its passage.

Requested by the Police Chief

This article authorizes the petition of the General Court to enact special legislation to authorize the Town to appoint retired police officers as Special Police Officers to fill police details and to perform police duties that may arise while working a detail.

MOTION: by Brian Kelly and seconded by Maggie Clarke. I move that the Town authorize the Select Board to petition the General Court to adopt a Home Rule Petition to authorize the appointment of retired police officers as “Special Police Officers” to perform police details or other police duties arising from police details or during the course of police detail work as presented below and further to authorize the legislature to make non-substantive, grammatical, or procedural changes as may be necessary.

or take any other action thereon or in relation thereto.

Requested by the Finance Director

This Article seeks to renew the authorization to use the funds collected through fees for the support of that department's activities. The funds are established under the Bylaws of the Town, but Town Meeting still needs to authorize the spending limit each fiscal year. The Finance Committee unanimously recommends this Article.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move that the Town fix the maximum amount that may be spent during the fiscal year 2024 beginning July 1, 2023 for the revolving funds established in the town by-laws for certain departments, boards, committees, agencies, or officers in accordance with Massachusetts General Laws Chapter 44, Section 53E 1/2, as presented in Article 23 of the June 5, 2023 Annual Town Meeting Warrant.

Requested by the Select Board

The Personnel Policies and Compensation By-Law has not been updated since July of 2020. This establishes the wage and compensation policy for non-union town employees. The Finance Committee unanimously recommends this Article.

MOTION: by Jeffrey Johnson and seconded by Maggie Clarke. I move Article 25 as written.

MOTION TO AMEND: by Stanley Widak and seconded by Maggie Clarke. I would like to make a motion for Parks & Recreation Director from the present pay to an \$80,000 maximum base. To increase the Parks & Recreation Director from a base of \$74,545 to \$80,000 as the maximum base.

**DECLARED PASSED AS AMENDED BY 2/3^{RDS} MAJORITY
BY THE MODERATOR**

ARTICLE 26: To see if the Town will vote to amend the Town's General Bylaw §515 Personnel Policies and Compensation by amending it with the deletions shown in the strike-through and the additions shown in bold, as follows:

§515-10 Longevity pay.

- A. A full-time employee, including department head, who completes the number of years indicated below of creditable service shall be granted a longevity lump-sum payment in the amount set forth below for the number of years of such service he has completed:

5 years	\$400 \$500
10 years	\$500 \$600
15 years	\$600 \$700
20 years	\$700 \$800
25 years	\$800 \$1,000

- B. The longevity pay to which an employee is entitled shall be paid in a lump-sum payment by means of a check ~~separate from his regular compensation check~~ in the first pay period next following the date on which s/he completes the number of years of service and shall continue to be so paid each year thereafter on the anniversary of such pay period. A P.S.E. (public service employee) participant under Title I, II, or VI of CETA who has worked a full-time schedule is eligible for a longevity bonus.

§515-11 Holiday Pay.

- A. The following 12 days shall be considered holidays:

- (1) Independence Day.
- (2) Columbus Day.
- (3) Thanksgiving Day.
- (4) New Years Day.
- (5) Washington's Birthday.
- (6) Patriots Day.
- (7) Labor Day.
- (8) Veteran's Day.
- (9) Christmas Day.
- (10) Martin Luther King's Birthday.
- (11) Memorial Day.
- (12) ~~Employee's birthday.~~ **Juneteenth.**

§ 515-15 Group health and life insurance.

- A. The Town will provide each full-time or part-time employee, including department heads, with group health insurance, said plan to be determined by the ~~Board of Selectmen~~ **Select Board**, subject to the Massachusetts General Laws. The Town shall pay **a minimum of 50% of the Preferred Provider Organization (PPO) premiums for said plans and 75% of the Health Maintenance Organization (HMO) Plan.**
- B. Any claims or disputes concerning eligibility for or payment of benefits under said insurance plans shall be determined in accordance with applicable insurance policies and contracts and shall not be subject to the grievance procedure.
- C. The Town will provide and pay for life insurance upon the life of each full-time or part-time employee in the face amount of \$2,000, with double indemnity provisions. Each employee shall retain the right to designate and change the beneficiary thereof. The Town shall pay 50% of the premiums for said plan.
- D. ~~If an employee enrolled in a family health insurance plan incurs an increase of more than \$250 in out of pockets costs in any plan year over the out of pocket costs incurred in the previous plan year (excluding premium increases) which are as the direct result of plan change made through the Southeastern Massachusetts Health Group (SMHG), the Town will reimburse said employee for all such costs above~~

~~§250. For an employee enrolled in an individual plan, the reimbursement level shall be \$125.~~

~~§515-21 Educational courses.~~

- ~~A. A full-time employee who attends during his off-duty hours a course specifically related to the employee's duties, recommended and approved by his department head and having notified the Personnel Board in writing prior to instruction, at an accredited college, shall be reimbursed by the Town for the cost of his tuition and books upon successful completion of the course with at least a "C" grade; provided, however, that the said course is not paid for under a federal or state program. The employee may keep the books for which he is reimbursed under the provisions hereof.~~
- ~~B. Each full-time employee shall, subject to the limitations and provisions hereinafter set forth, be paid in addition to his regular compensation \$5 for each semester hour credit he has earned by attending, at an accredited college, during his off-duty hours, a course or courses specifically related to the employee's duties recommended and approved by his department head. He will notify the Personnel Board in writing at the completion of his course. The total compensation to be paid an employee for such earned credits shall not exceed the sum of \$310, except as otherwise provided in Subsection C next below.~~
- ~~C. Each full-time employee who has acquired an associate degree in a job-related program from an accredited college shall be paid the sum of \$500 in addition to his regular compensation. The compensation paid an employee for semester hours' credit in accordance with the provisions of Subsection B above shall not continue to be paid once an employee obtains an associate degree. A full-time employee who has acquired such an associate degree shall also be paid the sum of \$5 in addition to his regular compensation for each semester hour he earns after acquiring such degree, upon completion of a specifically job-related course recommended by the department head and with prior written notice to the Personnel Board. The total compensation to be paid an employee for such earned credits shall not exceed the sum of \$810.~~
- ~~D. Each full-time employee who has acquired a bachelor's degree in a job-related program of study from an accredited college shall be paid the sum of \$1,000 in addition to his regular compensation. The compensation paid for a bachelor's degree shall be the total compensation paid to an employee for educational credits completed under the provisions of this article. The compensation paid an employee for semester hour credits in accordance with Subsections A, B and C above shall not continue to be paid once an employee receives a bachelor's degree.~~
- ~~E. The additional compensation provided for under Subsections A and B and C and D above shall be annually paid in a lump-sum payment in the first pay period after December 1, provided the employee involved has submitted written evidence to the Wage and Personnel Board by September 1 of his obtainment of semester hour credits, an associate degree or bachelor's degree, as the case may be.~~

~~§ 515-22 Work clothes.~~

~~Each full-time employee of the Highway Department shall be paid \$375 for work clothes and work shoes, said payment to be made in lump-sum payment by means of a separate check from his regular compensation check, to be paid in the first pay period next following the anniversary date of his employment, and shall continue to be paid each year thereafter.~~

or take any other action thereon or in relation thereto.

Requested by the Town Administrator

The modifications made to the by-laws only pertain to Town employees who are not represented by a collective bargaining agreement (CBA), i.e., those who are not part of a union. Section §515-11 re-assesses the longevity incentive program since the last update in 2012. Changes made to Sections 11, 15, 21, and 22 were purely to bring the by-laws in line with current employment practices and to enhance transparency in the non-union wage and compensation structure. The Finance Committee unanimously recommends this Article.

MOTION: *by Brian Kelly seconded by Stanley Widak. I move Article 26 as written.*

VOTE REQUIRED: *2/3^{RDS} MAJORITY*
DECLARED PASSED BY 2/3^{RDS} MAJORITY BY THE
MODERATOR

ARTICLE 27: To see if the Town will vote, pursuant to the provisions of Massachusetts General Law Chapter 40, §5B, to create a new special purpose stabilization fund, to be known as the “Opioid Settlement Stabilization Fund,” which may be expended for all of the purposes allowed by law, including those outlined in applicable opioid-litigation settlement documents, a document prepared by the Substance Abuse Bureau of the Commonwealth’s Office of Health and Human Services Department, found at <https://www.mass.gov/doc/massachusetts-abatement-terms/download> entitled “Abatement Strategies,” and consistent with any state guidelines or regulations further clarifying allowable uses of opioid litigation settlement funds; and further, to adopt the last paragraph of said §5B and dedicate to such fund, without further appropriation, 100% of the opioid litigation settlement funds received by the Town; and further, to transfer from available funds a sum of money equal to that received by the Town from opioid litigation settlements resulting from the Town’s participation in the national Opioid Multi-District Litigation into said Opioid Settlement Stabilization Fund; or take any other action thereon or in relation thereto.

Requested by the Finance Director

The purpose of this Article is to establish an opioid stabilization account and then to allow the proceeds from the Opioid Class Action Lawsuit settlement to be received and deposited to this account without further action by Town Meeting. Appropriations from this account will be by a 2/3rds majority vote in a future Town Meeting. The Finance Committee unanimously recommends this Article.

MOTION: *by Maggie Clarke and seconded by Jeffrey Johnson. I move Article 27 as written.*

VOTE REQUIRED: *2/3rds MAJORITY*
PASSED UNANIMOUSLY

ARTICLE 28: To see if the Town will vote to establish the “Capital Expenditure Stabilization Account” as provided in Massachusetts General Laws Chapter 40, §5B, **AND FURTHER** to see if the Town will transfer from available funds a sum or sums of money for the purpose of funding future capital purchases or debt service for capital expenses, effective beginning on July 1, 2023 or take any other action thereon or in relation thereto.

Requested by the Finance Director

The purpose of this Article is to establish a Capital Expenditure Stabilization Account and deposit a sum of money from Free Cash for future appropriation. Appropriations from this account will be by a 2/3rds majority vote in a future Town Meeting. The Finance Committee unanimously recommends this Article in the amount of \$ 911,012.

MOTION: *by Jeffrey Johnson and seconded by Maggie Clarke. I move that the Town transfer \$911,012 from Free Cash to the Capital Expenditure Stabilization account as provided in this Article.*

VOTE REQUIRED: *2/3rds MAJORITY*
PASSED UNANIMOUSLY

ARTICLE 29: To see if the Town will vote to transfer from available funds or otherwise provide a certain sum of money to be added to the General Stabilization Fund as established in accordance with the provisions of Massachusetts General Law, Chapter 40, Section 5B, or take any other action thereon or in relation thereto.

Requested by the Select Board

The General Stabilization Fund is Plainville’s “savings account” for the future needs of the Town.

MOTION: *by Jeffrey Johnson and seconded by Brian Kelly. I move to indefinitely postpone this Article.*

VOTE REQUIRED: *MAJORITY*
PASSED UNANIMOUSLY

MOTION TO DISSOLVE: *by Mark Johnson seconded by Jeffrey Johnson. The Annual Town Meeting was declared dissolved at 9:51 PM.*

A true record, Attest:

Cynthia J. Bush
Town Clerk

TREASURER-COLLECTOR

The primary function of the Town Treasurer is to manage the Town's cash flow and to safeguard all government funds. The Treasurer takes custody of all monies paid to the Town and disburses all funds authorized on a weekly basis by the Select Board and the Town Accountant. In addition, the Treasurer issues all permanent and short-term debt; administers the payroll for Town employees; takes custody of the payroll withholdings for Town and school employees; files all federal and state tax returns as well as yearly reports required by the Commonwealth's Department of Revenue. The Treasurer develops statistics for analysis and presentation in the Town's Annual Report which is filed each year pursuant to the Securities and Exchange Commission Rule 15c2-12. This report, which is available in the Treasurer's office, is an in-depth look at the Town's financial position and its operating procedures. It is meant to be used by any person who may be interested in purchasing the tax-exempt bonds issued by the Town.

I would like to encourage people to use our online bill paying service. The system currently accepts payments for real estate, personal property and motor vehicle excise taxes, trash bills, water/sewer bills, various Park Dept. programs and several items from the Town Clerk's office including dog licenses. One of its hidden benefits is it allows a user to track yearly payments which comes in handy when preparing federal and state income tax returns. The online payment option is offered by our software provider, City Hall Systems, and can be accessed through the Town's website, www.plainville.ma.us. There are two payment options- by an EFT or by credit card. There are costs associated with both options which are clearly stated on the website. The costs are borne by the taxpayer.

Please feel free to come in and share any concerns or problems you may have. I may be able to offer some advice on how to set up payment plans, explain your tax bill or help in other ways. I feel privileged to serve the taxpayers of the Town of Plainville and truly hope that people realize that I am here to help solve problems as well as to collect taxes. If I cannot properly address your concerns, I will point you in the right direction.

In closing, I would like to thank Pam Groh, Robin Verdone, Andrea Daniels and Sydney Freeman for all their hard work and dedication to the Town and this department. Their enthusiasm and positive attitude shines daily as they interact with the citizens and employees, resulting in a department that is a pleasure to work in and to visit.

Sincerely,

Janet Jannell
Treasurer Collector

VETERANS' DEPARTMENT

Under Massachusetts General Laws (M.G.L. ch. 115), the Commonwealth provides a uniform program of financial and medical assistance for indigent Veterans and their dependents. The definition of a Massachusetts Veteran can be found in M.G.L.c.4, sec 7, cl 43rd as amended by the Acts of 2005, ch.130. Qualifying Veterans and their dependents receive necessary financial assistance for food, shelter, clothing, housing supplies, and medical care in accordance with a formula which considers the number of dependents and income from all sources. Eligible dependents of deceased Veterans are provided the same benefits as they would were the Veteran still living. Under Massachusetts General Laws (M.G.L. ch. 115), every city and town shall have a Veteran appointed as the Veterans' Service Officer (VSO) who administers the Chapter 115 Public Assistance Program.

Additionally, smaller towns can join with others nearby to form a district for these services. In this case, Plainville and Wrentham have combined with North Attleboro, making the VSO in North Attleboro the District Director – providing services for Veterans and their dependents in all three towns.

Certification & Training

In accordance with new Chapter 14 of Title 108, Code of Massachusetts Regulation, the state requires all VSOs attend a mandatory annual training within six months of appointment and pass a certification examination. The examination tests the VSO's knowledge of federal and local benefits, including employment, education, health care, treatment for substance use disorders, retirement, and other Veterans' benefits. The VSO also advises on alternative resources for Veterans, including those partially or wholly subsidized by the federal government, such as Medicaid, Supplemental Security Income, Social Security Disability benefits, and federal pension and compensation entitlements. **The North Attleboro, Plainville, and Wrentham District VSO has been certified and will continue to be certified once every three years.**

It has been my honor serving Plainville's Veterans and their families.

Respectfully submitted,

Stephen Travers, District Director
Veterans Services of North Attleboro, Plainville, and Wrentham

ZONING BOARD OF APPEALS

The Zoning Board of Appeals is appointed by the Select Board and is currently comprised of five full members. The Board is assisted in its work by the Director of Planning & Development. The Board generally meets the third Tuesday of every month at 6:00 PM in the Town Hall main meeting room. The general public is invited and encouraged to attend any and all Zoning Board meetings.

The Town's Zoning Board of Appeals is charged with administering variances, exceptions and special permits as required under the Plainville Zoning Bylaws. The Board also acts on appeals of Building Inspector decisions, and on comprehensive permits filed under M.G.L. Chapter 40B.

The Board held seven meetings and reviewed the following applications during the year.

Location	Type	Action
13 Hancock St.	Lot frontage variance	Granted
109 Washington St.	Billboard change	Granted
116 Washington St.	Appeal of Bldg. Inspector decision	Denied
118 Washington St.	Appeal of Bldg. Inspector decision	Denied
353 1/2 South St.	Change to non-conforming use	Withdrawn
33 High St.	Horse stable permit	Granted
9 & 11 Morse Dr.	Bldg. setback variance	Granted
5 Highland Ave	Conversion SFH to two-family	Granted
6 Shepardville Dr.	Addition to SFH	Granted
6 Morse Ave.	Finding for side yard bldg. setback	Granted

The Board and staff work closely with applicants to encourage appropriate development in Town while protecting the interests of existing neighborhoods. The Board provides assistance to property owners and helps guide them through the permitting process and assists them in designing projects that are compatible with the Town's zoning bylaws and character prior to plan submittal. The Board encourages landowners to contact their office early in the development process to expedite the permitting process.

The Zoning Board works in cooperation with the Director of Planning & Development to coordinate with the Board of Health, Conservation Commission, Building Inspector and the Planning Board to provide a comprehensive review on proposals that impact multiple boards.

The Zoning Board has collected \$1125.00 in application fees during Fiscal Year 2023. All applications received and reviewed by the Zoning Board are on file with the Office of the Town Clerk and in the Planning Office.

The Board would like to take this opportunity to thank the residents and Town Officials for the support and confidence they have provided.

Respectfully submitted,

Plainville Zoning Board of Appeals

KING PHILIP REGIONAL SCHOOL DISTRICT

As the King Philip Regional School District engaged students in the 2022-2023 year of learning, our programs developed student passions and prepared them to succeed in a world of rapid and constant change. Our mission continued to foster respect, individual and collective responsibility, creativity, and enthusiasm for learning. Our 2019-2024 strategic plan focused on teaching, learning, embedding technology into the learning process, budgeting, and developing community. There were significant accomplishments across the district.

The King Philip Regional School Committee, which is essential to the functioning of the school district, comprises nine members, with three members from each of the towns of Norfolk, Plainville, and Wrentham. Six members are elected, with two from each of the respective towns with staggered three-year terms. The other three members are appointed by their respective town elementary school committees. The committee generally meets twice a month at the King Philip Regional High School in the library to conduct business. School Committee meetings are open to the public with dates and times posted on the School Committee section of the King Philip Regional School District website at www.kingphilip.org and also posted in the Superintendent's Office.

In addition to the bi-monthly meetings, members of the school committee also serve on subcommittees that meet on an as needed basis throughout the year. Those subcommittees include a Budget & Finance Subcommittee, Policy Subcommittee, Collective Bargaining Negotiations Subcommittees for Unit A (Teachers); Unit B (Custodians); Unit C (Secretaries); Unit D (Teacher Assistants); and KP Cafeteria Association. School Committee members also serve as representatives to Sick Bank and the Health & Welfare Trust Subcommittee. The work of each of these subcommittees varies depending on the needs of the district.

The Budget & Finance Subcommittee worked with the Superintendent of Schools and Director of Finance & Operations in the preparation of a budget request which would be presented to the residents at each communities' annual town meeting. The subcommittee and the full school committee spent much of their meeting time during the winter and spring months working with the superintendent and administration to develop an operational budget request for the school department. At the annual spring town meetings, the requested budget was approved.

Through continued support from our towns' budgets, our facilities teams have been able to maintain the buildings and grounds for cleanliness, safety, functionality, and performance while prioritizing equipment and infrastructure replacement and repairs. The high school library has been renovated to incorporate 5 multi purpose classrooms and 7 new offices while maximizing its footprint and usage. The middle main office has been redesigned with a transaction window connected to a secure vestibule within the front doors to increase building security and flow. Both buildings have installed ADA door operations at high traffic entrances.

While providing exceptional comprehensive academic programs for students, the district has been able to support mental and behavioral health, and wellness initiatives. The Family Wellness Resources website continues to be updated to support families. The district partnered with Community Counseling of Bristol County for additional counseling support in schools and

provided families access to William James College Interface Referral Services for families seeking counseling for their child. Parent/caregiver wellness education events were held during the 2022-2023 year to support families including Thrivers with author Michele Borba, digital wellness with international speaker Katie Greer, and a presentation on addressing family stress. In addition, a Saturday School for Caregivers offered a resource fair, keynote parenting expert, Joanie Geltman, and breakout sessions on substance use, nutrition and talking to kids about race.

Multiple coalitions and student groups continue to reinforce student health initiatives. The KPHS Active Minds student chapter, affiliated with the national Active Minds organization, works to change conversations around mental health, reduce stigma, and increase help-seeking behaviors of students through speakers, messaging and activities. Healthy KP is a community coalition for drug and alcohol use prevention sponsoring student events such as the KPMS Lip Sync Battle and Fifth Quarter. As part of Vaping Cessation alternatives to suspension, the district connected students with the SAFE Coalition. Through presentations by Samaritans, middle school students learned when and how to seek help for themselves or a peer, and health educators piloted a mental health curriculum at the high school. The King Philip, Norfolk, Plainville and Wrentham Schools, in partnership with Cataldo Pro EMS, hosted regional COVID-19 vaccination clinics.

Grant support for our tri-town community-based Director of Diversity, Equity, and Inclusion position continued. As part of a state grant, the district continued to develop strategies for diversification in our workforce. From February thru April, a community book club met at the King Philip High School to discuss the work of Ibram Kendi. As part of our professional development series for staff, our DEI director facilitated training sessions to increase awareness of the significance of identities in the learning process. Additionally, KP teachers discussed ways to implement strategies from a districtwide book selection, Equity by Design, within our King Philip learning environment.

Dr. Lisa Mobley, high school principal, awarded 268 diplomas at King Philip High School graduation which was held at Stonehill College on June 4th. We had 11 students who graduated with Distinction from our Honors Academy, 15 students received the Spanish Seal of Biliteracy and 1 student who received the French Seal of Biliteracy. Student Council along with KP Cares helped at graduation.

Throughout the year, communication with students and their families was mostly done through newsletters with virtual meetings used when needed. Curriculum Nights to inform parents about the Grade 8-9 transition with the HS Principal were done in the virtual Town Hall format.

The King Philip Middle School world language department completed its second year of an exploratory world language program for grade 7 students. This program supports grade 7 students in experiencing 30 days of Spanish and 30 Days of French prior to committing to a full year of language study in grade eight. High School world language continues to induct students each year as part of the World Language Honor Societies with both societies active outside of school and in the global community. Students in Spanish at King Philip performed higher than national and state averages on the Advanced Placement exams with 90% of students taking the exam scoring between the 3-5 range. Through an acceptable score designated state exams to measure fluency in a world language, KP students have an opportunity to earn the MA Seal of Biliteracy. KP DECA

placed 11 teams (state high) as ICDC Finalists and 6 teams (state high) as ICDC Champions last school year. Two of these projects received 1st place at the DECA International event.

Intramural clubs ran at both schools. In the fall, middle school students participated in the cross-country intramural program. The middle school hosted their annual Scholastic Book Fair. Clubs and activities, such as the Math Team, GSA, Ski and Snowboard Club, Art Club, Jazz Band, KP Glee Club, Girls on the Run, Homework Club, Yearbook Club, Track and Field, Field Hockey, Disc Golf, and Student Council, allowed for students to make connections with each other outside of their classrooms. The King Philip Middle School Kindness Club also continued its involvement in Project 351, a statewide program that empowers teens to make change and progress within the community. Student ambassadors were selected to represent the communities of Norfolk, Plainville, and Wrentham.

Through the myriad of high school clubs available, students pursued their interests within: KP Cares, Student Council, Debate Club, Model UN, Active Minds, Leo Club, Yearbook, Honor Society Organizations, Newspaper Clubs, Math Team, GSA, Peer Mentors, and Affinity clubs. DECA honored senior members, announced new officers, ICDC finalists and champions, and inducted newest hall of fame members. The Student Council held Spirit Days-Pajama Day, Tie Dye Day, KP Green and Gold Day, Red/White and Blue Day in honor of Memorial Day. They also held Homecoming, Class Competitions, Trunk or Treat, and Friday Night Live (a variety show) as well as decorated the school for the seasons with the help of other clubs. Parents' Night Out is another popular event where the Council sponsors a night of childcare for busy parents.

Our Performing Arts program continues to be a source of KP Pride. The King Philip Middle School Bands performed at our annual Food Drive pep rally for school pride, received silver medals in the MICCA Concert Festival, and worked collaboratively with the ELA department to perform a work based on Edgar Allen Poe's *The Raven*, at the end of the year concert. In addition, 8th grade band students hosted a Google Meet with a Ukrainian refugee, former exchange student Alex Yeremenko; this gave students a glimpse at the depth of the music they performed in *Moscow, 1941 & Kyiv, 2022*. The Middle School Chorus earned a Gold Medal at the MICCA Choral Festival with other concert programs including the Winter Concert, Choral Collaborative Choral Concert, and the Fine Arts Showcase. As part of the middle school transition program, a 6th Grade Workshop for Wrentham, Norfolk, and Plainville students was held which culminated in the Collaborative Choral Concert. Over 400 community members attended the Fine Arts showcase featuring visual art projects and performances by the KPMS Chorus, 7th and 8th Grade Bands, and Jazz Ensemble.

At the High School the KP Pride and Passion Marching Band once again returned to a competitive season. The band earned another Gold Medal at State Finals and placed second in Division III Open and US Bands National Championships. The High School Jazz Ensemble participated in the Norwood Jazz Classic, SE District and The Essentially Ellington Satellite Festival at Greenwich High School in Greenwich, CT. The High School Band and Chorus presented their second annual Prism Concert where there was a consistent presentation of music with no breaks between performing groups. The concert featured the Chorus, Wind Ensemble, Concert Band, Jazz Ensemble and a number of solos and chamber ensembles. The music department also presented a winter pops concert, spring concert, hosted the MICCA Festival (Concert Band earned a Gold

medal, Chorus earned a silver medal), Spring Pops and Art Festival along with a concert in the bus loop of the High School to kick off the Wrentham Concert on the Common series. A number of High School Band and Chorus students auditioned for and were accepted into the Southeast Senior District Virtual Festival and the Massachusetts Music Education Association All-State Festival. The high school drama club presented *Pandemonium* in the fall and the musical *Chicago* in the spring.

King Philip Regional High School students have access to comprehensive athletic programs where students compete at the Freshman, JV and Varsity levels. KP had a very successful Fall with Girls Volleyball advancing to the MIAA State Championship Game at Worcester State and Football played for the MIAA State Championship game in the SuperBowl at Gillette Stadium. In addition, Girls Soccer and Field Hockey qualified for the state tournament as well. Boys Basketball, Girls Basketball, Boys Ice Hockey and Girls Ice Hockey qualified for the State tournament with many individual student athletes from Indoor Track and Gymnastics qualifying for their post season play as well. One of King Philip's relay teams even broke a 25-year-old school record and one of King Philip's wrestlers became the All-State Champion. Spring was very successful with Baseball, Girls Tennis, Boys Lacrosse and Girls Lacrosse advancing to the MIAA state semifinals at UMASS Dartmouth. At the state tournament, Baseball had the most postseason success as they advanced to the state championship held at Holy Cross. Overall, we had four programs win Hockomock League Championships including Golf, Girls Volleyball, Softball and Girls Tennis. Many individual student athletes excelled in individual sports throughout the year as well. KP had several Boston Globe and Boston Herald All Scholastic athletes throughout all seasons.

Sincerely,

Mr. Paul Zinni, Superintendent of Schools (Retired)
Dr. Rich Drolet, Superintendent of Schools
Dr. Susan Gilson, Assistant Superintendent
Ms. Michelle Kreuzer, Middle School Principal
Dr. Lisa Mobley, High School Principal

PLAINVILLE PUBLIC SCHOOLS

The 2022-2023 school year brought new opportunities for growth and rebuilding in the Plainville Public Schools. After several years of navigating the Covid-19 pandemic and challenging budgets, the district was able to regain its focus on teaching and learning, and on a return to more traditional operations.

Retirements, resignations, and/or reorganization resulted in many new faces to the district's administrative team. Jennifer Parson joined the district as the new superintendent, Gale Clark completed her first full year as the school business administrator, Christine Medici also completed her first full year as the superintendent's administrative assistant/HR professional, and Kristen Skeffington returned to the district in January 2023 as the permanent Jackson School Principal. Likewise, with the creation of the shared town-school facilities department, James Marot (and his newly developed team) filled a much-needed role in the area of buildings and grounds for the district.

The district applied significant energy to curricular review, adoption, and implementation in the 2022-2023 school year. A new math program was adopted and heightened attention was paid to the Science of Reading, with multiple opportunities available for professional development and teacher leadership in this area, eventually leading to the selection of a new English language arts program in the spring of 2023.

With some unanticipated funding from the Town, the district was able to hire several critically important positions. First, a half-time reading teacher for the Wood School was hired to support student needs and to assist with curriculum development initiatives. This funding also supported the expansion of the district's Board Certified Behavior Analyst position, which was even more important following some of the shifts in student behaviors following the pandemic. Finally, this funding allowed the district to hire a part-time band instructor with the goal of restoring the Wood School band program, an offering that had been sorely missed since its budget-related elimination several years earlier. The revival of the band, culminating in a greatly anticipated spring concert, was a true highlight of the 2022-2023 school year.

As the Fiscal Year 2024 budget process unfolded, Town and school officials partnered to develop a responsible budget that also allowed the district to regain momentum and services in important areas. This included the decision to bring a weekly STEM class to all students in grades K-6. This move, which was supported by the June 2023 Town Meeting, was designed not only to bolster STEM education, but it served a dual purpose of offering the STEM classes in lieu of classes that were previously taught by the school counselors, substantially increasing the time available for counselors to support individual student mental health needs. It also included an increase to the FTE of the district's band teacher and to the Wood School reading teacher.

The district continued to seek competitive grant funding where available in the 2022-2023 school year, and grants were awarded for the acquisition of the new literacy program (also partially funded by the Town of Plainville), to support implementation of the new math program, to purchase an online supplemental math program, to run a "Literacy Leadership Team," to provide professional development in mathematics, to offer supplemental support to Plainville's school nurses, to fortify school safety measures, and to run a summer 2023 Acceleration Academy for English language arts.

In total, grant funding acquired by the school district was in excess of \$150,000. During the summer of 2023, the district also reintroduced and refreshed the idea of a Summer Enrichment Academy, which was a tuition-based, self-sustaining program. The three week program was a success, staffed entirely by Plainville educators and providing engaging, theme based activities for many of Plainville's students.

The Plainville schools were the beneficiaries of considerable generosity from Thermo Fisher Scientific over the course of the 2022-2023 school year. Not only did Thermo Fisher bring STEM activities to students at Jackson School, but under the leadership of Andrew Dalton (Thermo Fisher), Principal Robin Roberts-Pratt and Director of Student Services Ann Dargon, a mentoring program was developed that brought employees of Thermo Fisher into the Wood School on a weekly basis to serve as trusted and respected mentors for a number of our students.

The 2022-2023 school year also saw multiple community engagement events that had been put on hold over the past several years. This included the return of student performances, the creation of a Fall Fest Day at both schools, a Run the Bases spring event at Jackson, and a Take Me Out to the Ballgame event at Wood School. Plainville Pride Night returned for the second year in a row, as did many of the PTO's wonderful events; all of these offerings brought students and families together for shared and memorable experiences, with more to anticipate and look forward to in the 2023-2024 school year.

NORFOLK COUNTY MOSQUITO CONTROL DISTRICT

NCMCD operations apply an Integrated Pest Management (IPM) approach to mosquito control that is rational, environmentally sensitive, and cost effective.

Surveillance

NCMCD is engaged in an intensive monitoring process through weekly field collections and data analysis in collaboration with the Massachusetts Department of Public Health (MDPH) to detect for disease-vectoring mosquitoes. Virus isolations assist us in focusing our surveillance to areas of concern thereby allowing us to alert nearby towns of a potential epidemic. Public requests for service alert us to high numbers of nuisance mosquitoes.

Virus Isolations in the Town:	4 samples submitted, no isolations in 2023
Requests for service:	69

Water Management

The NCMCD reduces the potential for larval mosquito development through a variety of methods under this category. Our Freshwater Water Management Program includes Ditch & Pond Maintenance, as well as Culvert Area Clearing conducted to improve water quality and increase water flow.

Tire collection is a service in which we remove and recycle off rim tires in order to eliminate this source of potential larval mosquito development.

Culverts cleared	0 culverts
Drainage ditches checked/hand cleaned	8,900 feet
Intensive hand clean/brushing*	0 feet
Mechanical water management	0 feet
Tires collected	0

** Combination of brush cutting and clearing of severely degraded drainage systems or streams by hand.*

Larval Control

When mosquito larval habitat management is not possible, larval mosquito abatement is the most environmentally friendly and effective method of mosquito control. An intensive monitoring program, aides in our decision to effectively target culprit locations.

Spring aerial larvicide applications (April)	33.9 acres
Larval control - briquette & granular applications by hand	0.1 acres
Rain basin treatments – briquettes by hand (West Nile virus control)	759 basins
Abandoned/unopened pool or other manmade structures treated	0

Adult Control

Adult mosquito control is necessary when public health and/or quality of life is threatened either by disease agents, overwhelming populations, or both. Our surveillance program, along with service request data and state of the art GPS and computer equipment, allows us to focus our treatments to targeted areas.

Adult aerosol ultra low volume (ULV) applications from trucks	2,825 acres
Barrier applications on municipal property	0 applications

NORFOLK COUNTY REGISTRY OF DEEDS

This year saw some significant milestones and achievements for the Norfolk County Registry of Deeds. We were proud to release our third volume of Notable Lands Records, titled “We Remember Our Veterans,” in honor of the veterans of Norfolk County. Also, The Registry, in partnership with Quincy Access Television, achieved national recognition by winning the “Best of Experimental Access Center Professional” award at the 2023 Hometown Media Awards.

The release of the “We Remember Our Veterans” booklet was commemorated with an open house with keynote speaker Secretary of Veteran Service Jon Santiago. The third edition of Notable Lands Records is a tribute to the brave men and women of Norfolk County, from the Revolutionary War to present-day peacekeepers. The booklet features detailed stories of veterans all throughout the 28 communities that make up Norfolk County, including Air Force and National Guard Veteran Ed Zambic of **Plainville**.

The “Best of Experimental Access Center Professional” award is given to individuals or teams who have demonstrated exceptional creativity, innovation, and impact in their work and was presented by the Alliance for Community Media Foundation for the segment “History Comes Alive, Norwood Town Hall,” an extension of a History Comes Alive land record project at the Norfolk County Registry of Deeds.

The Registry operates under my supervision and management as the elected Register. I have held the position since 2002. In continuous operation for nearly two hundred and twenty-four years, dating back to President George Washington’s administration, the Registry’s mission has remained the same: to maintain and provide for accurate, reliable, and accessible land records to all residents and businesses of Norfolk County. The modernization initiatives implemented during my administration have created a sound business operation oriented toward quality customer service at the Norfolk Registry of Deeds.

2023 Norfolk County Registry of Deeds Achievements

- The Registry of Deeds Customer Service and Copy Center continues to provide residents and businesses with quality service. These requests included the filing of Homesteads, accessing deeds, verifying recorded property documents and assisting those in need of obtaining a mortgage discharge notice. Customers can contact the Customer Service and Copy Center at 781-461-6101, Monday through Friday, between the hours of 8:30AM to 4:30PM.
- In calendar year 2023, *the Registry collected approximately \$51.2 million dollars in revenue.* Out of that money, more than \$45.7 million was apportioned to the Commonwealth and more than \$5.4 million was disbursed to Norfolk County in the form of deeds excise taxes and recording fees and surcharges. Of that money in accordance with M.G.L. Ch. 64D Sect. 12(a) not less than 40 per cent shall be disbursed and expended for the automation, modernization and operation of the registries of deeds. There was collected \$4,363,400 pursuant to the Community Preservation Act (CPA).

The Registry of Deeds continues to address legislative issues to benefit consumers. In 2023, we will continue to advocate for filed legislation that accomplish mortgage transparency by requiring mortgage assignments be recorded at the appropriate Registry of Deeds in a timely manner.

- This year saw a record number of electronic recording filers, approximately 2,750. The Registry recorded more than 74,500 documents electronically, accounting for nearly 80% of all recorded land records.
- Norfolk Registry of Deeds was the first registry in Massachusetts to electronically record registered land documents. This started in the Land Court section of the Registry of Deeds in 2017 and was crucial in remaining operational during the coronavirus pandemic. Initially, the percentage of registered land documents recorded electronically was 15%. The percentage of registered land documents recorded via electronic recording has now grown to over 73%. This technology alone brought in close to \$44 million.
- In 2023, we shelved Registry of Deeds Book 41575. At the end of 2023, we were processing the documents for Book 41583. These books house land records dating back to 1793 and are available for public research. For the sake of security and redundancy, we store our documents in three different ways: hard copy, electronically, and by microfiche.
- In calendar year 2023, the Registry processed nearly 9,700 Homestead applications. The law, Mass General Law Chapter 188, provides limited protection of one's primary residence against unsecured creditor claims.
- The internet library of images, accessible to the public through the Registry of Deeds' online research system at www.norfolkdeeds.org continues to expand. Today, all documents dating back to the first ones recorded in 1793 are available for viewing.
- Our website includes a genealogy page and a section highlighting land records of notable people – United States Presidents, military heroes, noted authors, and leaders in their fields of education, the environment, and the law.
- The Registry's website www.norfolkdeeds.org routinely updates the public on such news as real estate statistics, answers to frequently asked questions, along with detailing of our consumer programs. Additionally, we also write a monthly column for various Norfolk County newspapers and their online websites. We also distribute a weekly press release to alert residents of the latest happenings as well as to remind them of our consumer services.
- The Registry's free Consumer Notification Service allows any county resident to opt in to this free notification service and be alerted when any land document – fraudulent or otherwise – is recorded against their name. Over 2,000 Norfolk County residents have signed up for this free service. For more information, please see our website at: www.norfolkdeeds.org.

- In 2023 we continued our partnerships with, among others, Interfaith Social Services of Quincy, Father Bill's & MainSpring of Quincy, the Veterans Affairs Boston Healthcare System Voluntary Service Program, Circle of Hope in Needham, United Parish's Thrifty Threads, St. Vincent de Paul in Plainville, St. Francis House in Boston, Suits and Smiles in Jamaica Plain, InnerCity Weightlifting and New Life Furniture Bank of Massachusetts in Walpole to assist those who are in need of clothing as well as household items. Our Annual Holiday Food Drive continues to support several food pantries in Norfolk County and our Christmas Toys for Tots campaign in partnership with the United States Marine Corps. was again a success.

Plainville Real Estate Activity Report January 1, 2023 – December 31, 2023

During 2023, **Plainville** real estate activity saw a decrease in the total number of deeds and number of mortgages recorded.

There was a significant decrease in the number of documents recorded at the Norfolk County Registry of Deeds for **Plainville** in 2023; a decrease of 473 documents from 1,615 to 1,142.

The total volume of real estate sales in **Plainville** during 2023 was \$71,966,855, a 32% decrease from 2022. The average sale price of homes and commercial property in **Plainville** remained steady at \$765,605, decreasing less than \$1,500 from the previous year.

The number of mortgages recorded (213) on **Plainville** properties in 2023 was down 33% from the previous year. Also, total mortgage indebtedness decreased 37% to \$136,196,338 during the same period.

There were 3 foreclosure deeds filed in **Plainville** during 2023, 3 more than number recorded the previous year. The total number of notices to foreclose was 6, which was 4 more than the number in 2022.

Homestead activity decreased by 33% in **Plainville** during 2023, with 123 homesteads filed compared to 138 in 2022.

Finally, our objective at the Registry will always be to maintain, secure, accurate, and accessible land records for the residents and businesses of Norfolk County. It is a privilege to serve you.

William P. O'Donnell

SOUTHEASTERN REGIONAL SERVICES GROUP

Procurement and other services are provided to the Town of Plainville by the Southeastern Regional Services Group (SERSG) and have been since the organization's inception in 1993. Annual dues of \$4,100 support one Regional Administrator, who serves twenty-five towns and cities; the last dues increase was in 2012. The Town saves this amount by devoting less skilled-staff time to common procurements and document preparation. SERSG contract prices are generally lower than state contracts and require less time to use.

Plainville used SERSG contracts for many purchases, had access to subsidized trainings, and participated in six bids between July 1, 2022 and June 30, 2023 to secure vendor contracts. Those contracts were for DPW Services, Drug and Alcohol Testing Services, Office Supplies, Paper, DPW Supplies, and Water and Sewer Treatment Chemicals.

- DPW Service bids were received in February 2022 and resulting contracts took effect in March 2023. These contracts were for 5 services with an estimated value of \$229,689.79.
- Drug and Alcohol Testing Services entered the second of three-year contract. This federally required service is now secured with a three-year contract.
- Plainville is currently participating in a two-year Office Supply contract now provides a 57.8% discount off list price (for non-excluded items using a standard wholesaler's catalog), with ink and toner cartridges discounted by 32.8%. Plainville spent \$24,494 on office supplies in Fiscal Year 2022, while saving \$26,937 off list price.
- The Town and schools pay competitive fixed prices for Paper using a SERSG contract, which provides 15 distinct items with both recycled and non-recycled options. By the end of this period, Plainville had spent \$9,657,00 under this contract.
- In spring 2022, contracts were secured for 11 DPW Supply items, and 2 Water/Sewer Chemicals. The estimated value of these combined supply contracts is \$498,876.00.
- Plainville saves using SERSG contracts instead of state contracts even for common purchases like fuel. This is because per gallon prices for gas and diesel fuel are \$0.07 and \$0.05 lower than the state contract prices respectively. Savings off state contract prices for these two items alone is \$4,100.

Regional Administrator

SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Plainville is a member of the Southeastern Regional Planning and Economic Development District. Originally founded in 1956, SRPEDD (pronounced “sir-ped”) is one of 13 regional planning agencies (RPAs) across the state and one of approximately 550 across the country.

SRPEDD serves 4 cities and 23 towns in southeastern Massachusetts. Through our work, we address common issues facing the region, including economic development, growth and land use, safe and efficient transportation, environmental stewardship, municipal partnerships, community development and affordable housing, infrastructure needs, and general planning. A Commission of local mayors, selectmen, planning board members, and at-large members govern SRPEDD. Federal and state grants, local assessments, and local contracts fund our activities. In 2023, the Town of Plainville paid \$2,005.91 to SRPEDD, based upon an assessment of 20.172 cents per capita. SRPEDD’s annual budget in 2023 was \$5,045,223.

SRPEDD also serves as the region’s staff for the Southeastern Massachusetts Metropolitan Planning Organization ([SMMPO](#)) and the regional Economic Development District ([EDD](#)) with the U.S. Economic Development Administration (EDA). In both roles, SRPEDD works with numerous partners to program tens of millions of dollars to directly invest in our region’s infrastructure and community development.

Please visit SRPEDD’s agency website at www.srpedd.org to review our work, read our [2023 Annual Report](#), and tour recent projects, including: our [Comprehensive Economic Development Strategy \(CEDS\)](#); our work to support communities as they comply with the [new Section 3A of Chapter 40A](#); our ongoing [Regional Resilience Plan](#); our [Climate Pollution Reduction Grant \(CPRG\)](#) and diverse [Environmental Planning work program](#); our [Regional Transportation Plan](#); our [Complete Streets](#) and [Multi-Use Path](#) transportation projects; our [Safe Streets For All \(SS4A\) Action Plan](#); our work with the Southeastern Region Homeland Security Advisory Council ([SRAC](#)); our work with school districts and public safety officials to create [Active Shooter/Hostile Event \(ASHE\) Response Tools](#); our collaboration with communities to update [Priority Development Area \(PDA\) and Priority Protection Area \(PPA\) designations](#); and various municipal projects, such as [Redevelopment Studies](#), [Business and Marketing Guides](#), [Community Master Plans](#)., and [Open Space and Recreation Plans](#). Mission

The mission of Lifeworks is: Advocacy, Empowerment & Opportunity.

Guiding Principles

- Build collaborative partnerships with families, friends, and communities.
- Ensure a continuum of person-centered supports and choices.
- Advocate for the protection of human and civil rights.
- Develop and retain exceptional, supportive staff.
- Provide visionary leadership that is actively engaged in defining future standards of supports.
- Sustain sound stewardship to advance mission, financial, and organizational integrity.

For nearly 70 years, Lifeworks, and its preceding agency, The Art of South Norfolk, have been a strong and vibrant community partner to the people of the Town of Plainville and our surrounding areas, providing services and supports for individuals with developmental and intellectual disabilities, including autism. To learn more about our history, leadership, and Board, please go to our new website at www.lifeworksarc.org and see the information under “About Us.” Our website provides information about our programs, services, and resources. Also, displays a calendar of our events and activities. As an affiliated chapter of The Arc of the United States and alongside our chapter partners, led by Arc Massachusetts, we continue to advocate for persons with disabilities and provide opportunities for empowerment and equity.

With financial support from the Town of Plainville combined with that of our other 11 local towns, we are able to pool our resources. This allows Plainville to achieve the highest cost efficiency in providing services to residents diagnosed with intellectual and developmental disabilities, including an increasing number of individuals with autism.

The financial support you give our organization enables us to optimize the services we provide to your residents who are diagnosed with intellectual and developmental disabilities, including autism. It is through our partnership that we are making a difference in the lives of people with disabilities, and we are thankful for our collaboration.

As in previous years, the overall value of services extended to residents of the Town of Plainville and those directly aided by Lifeworks has demonstrated growth over the past year. This positive trend is particularly notable in the expanded offerings from our Family Support Center and Autism Support Center. Our day programs and social/recreation initiatives have seen increased engagement as well. Plainville residents are a significant number of those involved in our programs, services, and activities.

We have provided the number of people from Plainville who received services from Lifeworks in the chart below.

Lifeworks Program	\$ Per Person	Plainville	
		# of Persons	Total
Day Habilitation	\$30,049	2	\$60,098
Family Support	\$2,015	36	\$72,540
Adult Family Care	\$19,278	4	\$77,112
Autism Support Center	\$787	32	\$25,184
Harbor Counseling	\$6,491	1	\$6,491
Social-Recreation	\$460	9	\$4,140
Residential Individual Support	\$25,816	2	\$51,632
Residential Program	\$189,115	0	\$0
Employment Training	\$30,233	5	\$151,165
Total Cost of Services:			\$448,362

Lifeworks deeply values the enduring collaboration with the Town of Plainville. **This year, we are once again seeking your support with a level funding request of \$4,680.00.**

Throughout the years, Lifeworks has dedicated itself to evolving and enhancing the range of programs and support services tailored to meet the specific needs of your residents. As challenges emerge, we remain steadfast in our commitment to being a responsive resource, answering the needs of the community in times of necessity. Our goal is to stand as an asset to your town, working in tandem with public officials, public safety departments, and residents. The success of our mission is made possible in part through your financial support, which allows us to consistently fulfill our role. For your convenience, I have included a document detailing the comprehensive array of services and supports we provide.

We extend our heartfelt appreciation for your unwavering support, and we look forward to the prospect of continuing this impactful collaboration in the coming year.

Respectfully Yours,

Daniel Burke
President/CEO
Lifeworks, Inc.

Lifeworks Programs, Services, and Supports:

- **Family Support and Adult Family Care** - provides intensive family intervention, in-home respite care supports, case management services, emergency supports, clinical services, and family training services.
- **Adult Family Care** - supports adults with intellectual and developmental disabilities and their caregivers within their own communities. The Adult Family Care program enables adults with disabilities to live with family members who are trained caregivers in their homes.
- **Autism Support Center** - offers specialized recreational programs, information and referral services, educational services, parent, and sibling support groups. Our center offers clinical, individual, and family support to children and adults throughout our region.
- **Autism and Law Enforcement Coalition “ALEC”** - works to foster a deeper understanding of autism and other developmental disabilities among public safety and law enforcement personnel by providing training for police officers, firefighters, EMT's, and emergency room personnel.
- **Day Habilitation Programs** - operate rehabilitative and therapeutic day programming for adults with intellectual and developmental disabilities and require specialized and multi-disciplinary care. These programs include the William F. Abel Therapeutic Center in Westwood and the Connections program in West Roxbury.
- **Harbor Counseling Center** - provides specialized individual and group behavioral health care supports and therapy for adults with intellectual and developmental disabilities including autism. These supports can include art therapy, music therapy, and psycho-pharmacological supports.
- **Adult Social-Recreation Programs** - offer after-school and adult social and recreational programs. Offerings include several social clubs and special events, evening educational classes, discussion groups, and a variety of sports and Special Olympics opportunities.
- **Lifeworks Employment Services (LES)** - operates two program locations in Norwood and West Roxbury. LES provides a dynamic array of employment and **Community-Based Day Services (CBDS)**, including job placement, employment training, and on-going supports. Our CBDS program, also called the Life Enhancement Program (LEP) provides small group activities focused on skill development, volunteer experiences, community connectedness, education, and wellness. Lifeworks Transportation Services often works in conjunction with LES to ensure quality, wrap around services.
- **Residential and Individual Supports Programs** - include 18 community-based residences throughout Norfolk County and the surrounding area. These wonderful homes focus on ensuring an environment for individuals that is inclusive in their local community and usage of their local resources. The Individual Home Supports program provides staff to support people who live independently in our local communities either in their own home or shared with another person. Lifeworks also offers a shared living program supporting persons with disabilities who live in the homes of providers offering beautiful home environments and ensuring all aspects of community living.
