

Dear Event Applicant:

Enclosed is the Town of Plainville's Event Permit Application. Please complete the application form, sign, date, and attach a legible site plan for your event. Your application(s) will not be processed without a completed form and applicant signature.

**What requires an Event Permit Application?** In general, any scheduled outdoor public gathering, regardless of size, involving the use of, or having an impact on, public property, public facilities, parks, streets, sidewalks, rights-of-way, vacant land, parking lots, or the temporary use of private property in a manner that varies from its current land use, as well as activities with outdoor amplified sound, requires a permit. Activities that do not require a permit include weddings, funeral ceremonies, private yard sales, bake sales, Christmas tree sales on private property, fundraising car washes, and certain retail sales promotions such as local business sales.

In reviewing Event Permit Applications, the Plainville Select Board will, at a minimum, consider the following:

- **Completeness of application** and applicant's ability to meet any required conditions;
- **Impact on community:** road closings (miles, location, time), restrictions on public use of town facilities; restrictions on businesses and organizations; time of year/day of the week; duration of the event;
- **Tangible community benefits:** Plainville resident and business involvement; applicant's involvement/location in Plainville; financial benefit to Town and/or community;
- **Impact on municipal services**
- **Charitable impact/affiliations**

Thank you for your interest in the Town of Plainville. We look forward to working with you to ensure the success of your special event. If you have any questions, please contact the Administration office at 508-695-3010 x470.

Regards,

BRIAN S. NOBLE  
Town Administrator

## **Town of Plainville Event Policies & Procedures**

The Town has established Event Policies and Procedures to provide a clear and uniform method for reviewing event applications, to ensure maximum public access and safety, and to contribute to the success of all events by providing a system for advanced planning.

### **Permit Application Process**

Completed applications must be filed with an application fee of \$15, at least 30 days prior to the requested date. New events and large-scale events (more than 50 attendees) must file their application with the Town at least 60 days prior to the requested event date.

A completed application must include a sign-off on the Insurance Requirement form.

Maps or drawings submitted with the application must be legible.

Once the application is deemed complete and appropriate, Town departments will review the application and applicants may be required to meet with department representatives. The event director may be required to establish a full safety plan in conjunction with both the Police and Fire Departments before the application goes before the Select Board. Once the departments have signed off on an application, the application will go before the Selectmen for review (it is recommended that the event director appear at this meeting). The Select Board has the sole authority to approve, approve with conditions or modifications, or disapprove events.

### **Approval**

If the Board approves a special event application, an Event Permit will be issued only upon the acceptance of any conditions placed upon the application, full payment of the fees (see attached chart), and proof of an **active insurance policy naming the Town of Plainville as an additional insured**. All fees *must be paid* in full and the certificate showing that insurance has been obtained *must*

*be filed with the Town no later than one week prior to the event.*

In addition to the application and event fees, other fees may be required and may include, but are not limited to, entertainment fees, Board of Health fees, fire inspection fees, and building department permit fees. All costs associated with public safety including police and fire details shall be paid by the applicant upon receipt of an invoice.

Event directors are required to notify all abutters affected by the event using a Town certified abutters list, which is obtained through the Assessor's Office. The Select Board reserves the right to require additional resident notification as a condition of the permit. The notice must be given to abutters at least two weeks prior to the date of the event. Assessors have up to 10 business days to provide the applicant with the list, for which there is a fee (see attached fee schedule). Signage for the event must conform to the sign bylaws of the Town of Plainville and any signage for the event must be removed within 24 hours of the conclusion of the event.

Please note that if your event is a road race, street markings are expressly prohibited unless prior approval is obtained by the Plainville Police Department and the Highway Department.

The Select Board reserves the right to amend the event application at any time.

- The use of membrane structures (tents) for cooking activities is restricted to free standing canopies with no sides attached during the cooking activities.
- A minimum of one K-class and one 10 pound ABC extinguisher shall be placed at the end of each cooking line. All extinguishers must have a current inspection tag.

- All tents that are used for food vending with cooking operations will be required to be flame rated and proof of rating if not properly labeled. Rating must meet NFPA 102, NFPA 701 or the California flame rating equivalent.
- Food vendors working from a mobile food unit (truck or trailer), must meet the requirements of 527 CMR 50.2.1.9 and NFPA 96 when cooking anything that produces grease laden vapor.
- All cooking equipment will be required to be approved and listed commercial equipment per 527 CMR 1.0, NFPA 96, 3.2.4 (2011 Edition).
