MAMA MIA It's the Ultimate Tribute to ABBA

Join Best of Times Travel as we celebrate the music of one of the most commercially successful acts in the history of popular music, topping the charts worldwide from 1974 to 1982 - ABBA.

Ever since their breakthrough with 'Waterloo' back in 1974, ABBA's music has captured the hearts of people all over the world. Today, the songs they created are regarded as an important part of the international music canon. In the 21st Century, ABBA are more popular than ever. Dust off your disco boots and leisure suits - shine up those platform shoes. Be transported back to a simpler time when gas was under \$1 per

gallon, when music was fun, inspiring and uplifting...and disco was King.

Performing ABBA's greatest hits from 1973 through 1983, DANCING DREAM, the Tribute to ABBA - precisely recreates all of the excitement and passion of their record-breaking 1979-80 world concert tour experience. "Dancing Queen", "Take a Chance on Me", "Fernando", "Waterloo", and "Super Trouper" are all the songs audiences will remember and love. The impact of the vocals alone will leave you mesmerized. Founded by two European singers Halina Ulatowski and Agnes Jawien in 2009, featured on the Stephen Colbert Show and in large venues across North America, this authentic ABBA Tribute Band transports audiences back to the happy, groovy 70's. With beautiful harmonies, elaborate costumes and exciting choreography, every show is to be remembered.
